**Nervous Break-Down**

MRS. ANNIE LANGE, of R. F. D. 1, Burlington, Tex., writes as follows regarding her experience with Cardui: "Some time ago I had a nervous break-down of some kind. . . I was very weak and so nervous. I had fainting spells and suffered a great deal, but more from the weak, tremble, no-account feeling than anything else. I knew I needed a tonic, and needed it badly. I began the use of Cardui to see if I couldn't get some strength, as I knew of other cases that had been helped by its use. I soon saw a great improvement, so I kept it up. I used seven bottles of Cardui, and can say the money was well spent, for I grew well and strong. Am now able to do all my housework and a great deal of work besides."

If you are weak, run-down, nervous and suffer from the ailments peculiar to women, it is very likely that Cardui will help you, in the way it helped Mrs. Lange and has helped thousands of others, during the past 40 years. Ask for, and insist on, Cardui.

**A WOMAN'S BACK**

The Advice of This Laurens Woman is of Certain Value.

Many a woman's back has many aches and pains.

Oftentimes 'tis the kidneys' fault.

That's why Doan's Kidney Pills are so effective.

Many Laurens women know this.

Read what one has to say about it.

Mrs. Hannah O'Shields, 300 Wilson St., says: "I had terrible pains across the small of my back which extended to my hips and limbs and it was an effort to do my work. My back was stiff and sore and many times I couldn't bend. I hardly got any rest because of the hurting in my back. My kidneys didn't act regularly. I read about Doan's Kidney Pills in Doan's Directory and bought some at Putnam's Drug Store. Doan's greatly relieved me and I am glad to say a few words in praise of them."

Price 60c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. O'Shields had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.
