

THE HERALD AND NEWS.

T. F. GRENEKER, R. H. GRENEKER, Sr., R. H. GRENEKER, Jr., Local Editor.

NEWBERRY, S. C. THURSDAY, OCT. 2, 1884.

A PAPER FOR THE PEOPLE. The Herald is the highest respect a Family Newspaper...

WHO ARE THEY? The Columbia Daily Register, speaking of the management of the Democratic canvass...

The well understood policy of Carolina Democracy-making honorable exceptions to the rule-of giving those least who do most...

We beg leave to suggest that common justice and common decency alike demand that our splenetic contemporary should immediately file a bill of particulars...

For the Newberry Herald and News.

TO ALL INTERESTED IN FISH CULTURE. MESSRS. EDITORS: As Fish Culture promises to be one of the permanent industries of this county...

There is much to be learned in regard to raising fish, and some things that should be learned at the outset, to insure the earliest success.

It has been made a profitable business in other places; and, I believe, can be made so here.

If you are disposed to so encourage this new industry, you may publish this and notify that there will be a meeting in my office, on Saturday the 11th day of October next...

All persons interested are invited to attend. Very Respectfully, THOMAS S. MOORMAN.

CORBIN & CO. The Radical party in our State, led and misled by a few white political pimps and pap-suckers...

There is ugly talk among some of the colored people in Orangeburg County, and we learn by the Barnwell Sentinel that the negroes who attended the Radical meeting at Summerville last week believed in a very boisterous manner, whooping, yelling and firing pistols.

Ex-Senator Bruce, now Register of the United States Treasury, has appointed Prof. D. A. Straker Assistant Commissioner of the World's Exhibition at New Orleans, La., for the Fourth Congressional District of South Carolina...

Rest satisfied with doing well, and leave others to talk of you as they please.

Can any one explain why women button their clothes from right to left, while men button theirs from left to right?

Apple Jack is now due. He will be accompanied by his friend, Demit John.

PROSPERITY POINTS. I told Mr. Dominick that he couldn't write a letter for the Herald...

The National Democratic Executive Committee has issued an address to the Democracy of the country asking for money to be used in the national canvass.

The belief seems general throughout our county that the cotton crop will be much shorter than was expected a few weeks ago.

If Mason makes a success of his cotton-picker he will not be forgotten soon; but if he wants to live in the minds and hearts of the people of Newberry, he should invent a good price for cotton.

The October. Issue of The Herald will commend itself heartily to the eclectic diversity of grave and gay...

A Scholarship for Sale. If there is a young man in Newberry desirous of taking a course in the Augusta, Ga., Business College...

His Slippery Glass Eye. The "Squire" says the author of "The Hoosier Schoolmaster" wrote one glass eye and a wig...

The American Agriculturist for October is really a fine number, filled with its usual wealth of agricultural matter...
