A DEMOCRATIC ADDRESS.

THE NATIONAL COMMITTEE SPEAKS TO THE PEOPLE.

NEW YORK, September 22.—The following address has been issued from the headquarters of the Democratic National Committee:

To the people of the United States:

The National Democratic party of the United States has pledged itself to purify the administration of public affairs from corruption, to manage the Government with economy, to enforce the execution of the laws and to reduce taxation to the lowest limit consistent with just protection to American labor and capital and with the preservation of the faith which the nation has pledged to its creditors and pensioners. The open record of the man whom it has named as its candidate for the Presidency has been accepted by thousands of Independent Republicans in every State as an absolute guarantee that if he is elected all these pledges will be exactly fulfilled and that under his administration good government will be assured.

To secure these results all good citizens must unite in defeating the Republican candidate for President. His history and political methods make it certain that his administration would be stained by gross abuses, by official misconduct and wanton expenditure of the public money, and would be marked by an increase of taxation which would blight the honest industry of our people.

Against us and against those honorable Republicans who, for the sake of good government, have made common cause with us, notable combinations have been made. These are chiefly made up of four classes: First, an army of officeholders, who, by choice or compulsion, are now giving to Republican commitees as part of the campaign fund of that party moneys paid to such officers out of the public treasury for services due to the people of the United States. Second, organized bodies of men who, having secured by corrupt means the imposition of duties which are in excess of all sums needed for the wants of the Government and for the protection of American labor and capital, and having thus gained enormous wealth, are willing to pay largely to the Republican campaign fund for the promise of the continuance and increase of such duties, which constitute a system of bounties to monopolies under the false pretense of protection to American industry. Third, a host of unscrupulous contractors and jobbers, who have grown rich upon public plunder and are ready to pay tithes of what they have acquired in order to avoid all risk of being called upon to account for the evil methods by which their wealth has been gained. Fourth, corporations which having despoiled the public lands by the aid of corrupt agencies in the Republican party, believe they will be compelled to give up their ill got ten gains if that party is driven from power, and are therefore willing to keep it in place by giving it a percentage of their unrighteous profits.

This committee has not troops of office-holders at its command. It will not agree to sell the future legislation of Congress for money paid now into its party treasury. It will not promise immunity to thieves.

It will not contract to uphold any corrupt bargain heretofore made by the Republican party with any corporation for all the wealth which such corporation can offer. It appeals to the people against one and all of these opponents thus corruptly banded together against the friends of good government. The number of these opponents is small, but their wealth is great, and it will be unscrupulously used.

An active and vigorous campaign must be made against them. Their paid advocates must be met and defeated in debate upon the platform and in discussion in the newspapers. The organization of all who are opposed to them must be perfected in every State, city and County in the land.

Money is needed to do this honest work. Your committee, refusing to adopt the methods by which the Republican party fills its treasury, calls upon all good citizens for the aid which it requires. It invites and will welcome contributions from every honest man who is opposed to the election of James G. Blaine as President. No contribution will be accounted too small. Wherever a bank or postal money order office can be found, the means exist for placing at the disposal of the Treasurer of this committee individual or collective contributions in aid of the great cause in which we are engaged, or money may be remitted by mail to Charles J. Conda, Treasurer, at N. 11 West Twenty-fourth street, New York.

When victory is achieved over the unscrupulous combination, which is now endeavoring to thrust James G. Blaine into the Presidential office, the recorded list of such contributors will be a roll of honor, such as no other party in this country has ever possessed.

Our opponents cannot be saved from disaster by forcing their unwilling candidate to speak to assemblages of the people. The man who wrote the Fisher letters will never be the choice of the people for the Presidency of the United States. ARTHUR P. GORMAN,
Chairman Nat. Dem. Ex. Com.

WOMAN!

"Grace was in all her steps,
Heaven in her eye,
In every gesture dignity and love?"

So appeared Mother Eve, and so may shine her fair descendants, with the exercise of common sense, care and proper treatment. An enormous number of female complaints are directly caused by disturbance or suppression of the Menstrual Function. In every such case that sterling and unfailing specific BRADFIELD'S FEMALE REGULATOR, will effect relief and cure.

It is from the recipe of a most distinguished physician. It is composed of strictly official ingredients, whose happy combination has never been surpassed. It is prepared with scientific skill from the finest materials. It bears the palm for constancy of strength, certainty of effect, elegance of preparation, beauty of appearance and relative cheapness. The testimony in its favor is genuine. It never fails when fairly tried.

Cartersville, Ga.

This will certify that two members of my immediate family, after having suffered for many years from menstrual irregularity, and having been treated without benefit by various medical doctors, were at length completely cured by one bottle of Dr. J. Bradfield's Female Regulator. Its effect in such cases is truly wonderful, and well may the remedy be called "Woman's Best Friend."

Yours Respectfully,
JAMES W. STRANGE.

How Lost, How Restored!

Just published, a new edition of Dr. Culverwell's Celebrated Essay on the radical cure of Spermatorrhœa or Seminal Weakness, Involuntary Seminal Losses, Impotency, Mental and Physical Incapacity, Impediments to Marriage, etc.; also, Consumption, Epilepsy and Fits, induced by self-indulgence, or sexual extravagance, &c.

The celebrated author, in this admirable essay, clearly demonstrates, from a thirty years' successful practice, that the alarming consequences of self-abuse may be radically cured; pointing out a mode of cure at once simple, certain and effectual, by means of which every sufferer, no matter what his condition may be, may cure himself cheaply, privately and radically.
