The Curse of Progress

Generous
The judge regarded the prisoner sternly. "I intend to sentence you to ten years' imprisonment, but before I pass sentence, perhaps you might like to say something on your own behalf?"
"Well," said the prisoner, "I don't know as I have anything particular to say for myself, but I don't mind tellin' you that you people around this court are pretty liberal with other people's time."—Tit-Bits Magazine.

Wet Paint
A well dressed man had sat down on a newly painted seat. Furious, he said to the painter.
Well Dressed Man—Why don't you put "WET PAINT" signs on your seats?
Painter—That's what I'm doing, ain't it?

Is He From Japan?
"Is he economical?"
"Why, he is so thrifty that he has postponed buying an atlas until world affairs are more settled."

THE CRACKER

Wool Is Going Places

LADY, lady, lady have you anything in wool? Smart women everywhere are clamoring for wool. They're wearing it to work in, to play in, to date in, to go to church in. Yes, wool is going places! Sew-Your-Own is here today (and will be here tomorrow) with three ultra-smooth new models for you to choose from—just to make sure you won't be a poor little lady without "something in wool" for Fall.

Needs Slim Lines.
That "something in wool" might well and easily be the handsome model at the left above. Especially does a weightier fabric need slim lines and here you have them pared down to hairline precision. The zipper from throat to hemline gives this frock additional chic, and the far-reaching collar takes care of that all-important need for contrast. French wine, black, duck green, and gendarme blue are the popular colors.

Compliment to Youth.
Youth and the blouse 'n' skirt have always gone sporting together. That's a compliment to youth and real flattery for the two-piecer above, center. This engaging combination has a waist-coat-ish topper and a simply cut, flaring skirt. A singular asset is its size range: 14 to 42. And because it is figure flattering every size is benefited. Acetate crepe is lovely for the blouse; velvet or thin wool is smart for the skirt.

For a Busy Body.
If you're a busy body or a lady of legion labors, you'll thank Sew-Your-Own for the charming new frock at the right. Now is the time to cut two versions: one in gingham for housework, another as your "something in wool" in the long sleeve style for all occasions. Remember then, double your chances for day-in, day-out chic with this one becoming model and save one-third on time and one-half on the price of your new Fall wardrobe assets.

Pattern 1375 is designed for sizes 12 to 20 (30 to 40 bust). Size 14 requires 2½ yards of 54-inch material. With short sleeves, 3¾ yards of 39-inch material. Collar and cuffs in contrast take five-eighths of a yard.

Pattern 1302 is designed for sizes 14 to 20 (32 to 42 bust). Size 16 requires 4¾ yards of 39-inch material.

Pattern 1382 is designed for sizes 34 to 48. Size 36 requires 2½ yards of 54-inch material with long sleeves; 3¾ yards of 39-inch material with short sleeves.
