MODERN WAR

When shopping this morning I called at a shop for vegetables. A boy just over fourteen years came to serve. I asked for one pound of Spanish onions. With a look of surprise, he said: "Ain't got any, lady; they ain't got time to dig 'em up. Don't you know there's a fight on in Spain?"—

Simple Way to Avoid Dust When Shaking Grates and Taking Ashes From Pit

THERE is an easy way to keep dust from sifting through the cracks of the ashpit door when

shaking furnace grates. Quite a few readers have asked me how it can be done, and I'm sure many

more of you will be interested.

Have a spray made of small pipe, connected with the cold wa-ter system installed in the ashpit

of the furnace. Only a short length of pipe will be needed. In it have

small holes drilled and cap the

Just before shaking the grates, turn on the spray. It will throw a fine mist over the whole ashpit,

a fine mist over the whole ashpit, wetting down the ashes as they drop through the grate openings and settling the dust immediately. Then remove the ashes from the ashpit. They will be sufficiently wet to prevent the dust from rising and settling in the cellar.

The cost and installation of such a spray will be but little, and it

All people who suffer occasionally from headaches ought to know this way to quick relief.

At the first sign of such pain, take two Bayer Aspirin tablets with a half glass of water. Sometimes if the pain is unusually severe, one more tablet is necessary later, according to directions.

If headaches keep coming back we advise you to see your own physician. He will look for the cause in order to correct it.
