## LOVELY TEA FOR PRESIDENT AND MRS. KINARD ON NOVEMBER NINTH

One of the most enjoyable social gatherings of the season was the tea Tuesday afternoon at Smeltzer hall of Newberry College given by the ladies of the faculty honoring Dr. and Mrs. James C. Kinard.

Receiving the guests were Miss Mazie Dominick, Miss Mary Diggs, Mrs. E. B. Setzler, Miss Hattie Bell Lester, and Mrs. Paul Ensrud.

Decorations suggestive of the autumn season were used in the hall and receiving room. Floor baskets of colorful autumn leaves were placed in the rooms. Centering the mantle in the receiving room was a low white bowl of mixed autumn flowers. Orange tapers burned at either end of the mantle. Also in this room were vases of marigolds and giant yellow chrysanthemums.

After a piano selection by Miss Dominick, Mrs. Hubert Setzler read a poem to Mrs. Kinard concerning the recently built home of the Kinards on College street. A large replica of the new home was placed on the table in the receiving room and Mrs. Kinard was presented the key to the house. Upon opening it she found a host of beautiful household gifts from her friends present.

At 5 o'clock, the men of the faculty called. Receiving at this time were the Reverend and Mrs. Gilbert Goodman of Concord, N. C. Mr. and Mrs. Goodman, who were married Saturday in Concord, are visiting the former's parents, Dr. and Mrs. R. A. Goodman on the College campus.

Miss Carolyn Cromer and Mrs. S. J. Derriek poured tea and coffee later in the afternoon. A variety of dainty cakes, cookies, and salted nuts were passed by Misses Mary Helen Goodman, Clara Shealy, Elizabeth Shealy, Isabel Nelson, and Phyllis Ensrud.

The serving table in the hall presented a beautiful scene in its decorations of the Thanksgiving season motif. Centering the orange and yellow cloth covered table was a large pumpkin basket overflowing with vegetables and fruits. About the pumpkin centerpiece autumn leaves were piled. Orange tapers in crystal holders burned on the table.

Between 4:30 and 5:30, about 35 guests called.

## MRS. WILSON HOSTESS TO EMERY CIRCLE

Exquisite white chrysanthemums decorated the reception room where four tables were placed for rook. Mrs. Ford Kurtz, New York City, was an out-of-town guest.

After the games a three course luncheon was served. As a surprise Mrs. Wallace presented a beautiful white iced birthday cake to Mrs. Wilson whose birthday came on Saturday.

## JASPER CHAPTER HOLDS NOVEMBER SESSION

The Jasper chapter of the Daughters of the American Revolution met Friday afternoon on College street at the home of Misses Elizabeth and Cora Dominick.

Parr spoke on "Conservation and Thrift" and Miss Jaunita Hitt told of a recent trip to Philadelphia where she attended a D. A. R. gathering. The president general's message on Armistice was read by Miss Sudie Dennis. Late in the afternoon sandwiches, Russian tea and assorted nuts were served.

## Chit-Chat

By CONSTANCE ARMFELD

Only one week from today another holiday rolls around—Thanksgiving. I asked a small tot what the word Thanksgiving suggested to her and the prompt answer was "a turkey dinner and good things to eat". Most of us would answer in a like manner. During the month, a Thanksgiving motif has been used at many social gatherings. Tallies, napkins, and other things suggest the idea with turkeys, pumpkins, and fruits. At this time, next week, we will have found these pictures turned into reality because the whole family looks forward to that one day each year when eating is the big event.

Mrs. Richard Hipp, Jr., of Pomaria, president of the Council of Farm Women, has urged all Home Demonstration clubs of the county to participate in the observance of Conservation Week, this week, November 14th to 20th. "Something must be done to arouse public interest in the protection of our forests and game, in the improvement of our roadsides, and the appreciation of our advantages," said the Council head. Mrs. Hipp urges the farm women of the county to "conserve the heritages which nature has given us". She pointed out that care should be taken in the cutting of holly and other Christmas greens so as to protect the beauty of the forest. Schools of the county and city will play an important part in the observance of this week by planting trees or shrubbery on Arbor Day, Friday.

Week-ends from now until Christmas will be filled with exciting things to do and places to go. Friday, Saturday, and Sunday, November 19, 20, and 21, Winthrop College is staging a home-coming, or they call it an "Alumnae Weekend". More than fifty chapters of the Winthrop Daughters have been invited to send at least five delegates to the Alma Mater for an educational gathering as well as a social one. A delightful and profitable program has been arranged. The Newberry county chapter will be represented.

With various drives on, benefit sales being held, and things of that kind on every hand, we are inclined to grumble and say, "I can't contribute to everything". That's quite true, but something comes up now that everyone can contribute to, large or small, white or black. I was ambling around the other morning and stopped in the office of the superintendent of education for a chat with the force. Seated in the office was a middle aged colored man whom Mrs. Mae Aull, county attendance teacher, was interviewing. He told her that his children were anxious to attend school, but had no clothes, no shoes, and had no money to buy books. Hardly had the man left when in came a couple, an aged negro man and a middle aged woman. The woman told Mrs. Aull that she had six children, four of whom were girls that should be attending school. She stated that she was anxious for the girls to go, but she could not furnish them clothes, shoes, or books. Going with Mrs. Aull to investigate this case, we found a pitiful sight—a household of children scantily clothed, no beds, no food, no method of heating. No wonder the children were not in school! . . . The attendance teacher said she heard and investigated case after case like these every day, many of them being white people. . . . Children both white and black, are willing to go to school if only they had half a chance, so here is where you and I can help. The Department of Public Welfare cannot help these people fast enough and cannot get nearly enough to help with, so Mrs. Aull with the assistance of groups in the city and county has done much social work in addition to being attendance teacher. Tomorrow (Friday) and Saturday, a drive is being sponsored by the Woman's Club for obtaining garments and books for the underprivileged children. . . . Fulmer Wells is co-operating by admitting children to the Opera House free Saturday morning if they bring clothing to the lobby of the Exchange Bank building Friday afternoon and turn them over to the committee of the Woman's Club. Those in charge will give each child a ticket. See how you can help? Let the children dig up some clothes and shoes that have become too small for them and bring them down. I know almost every family in the city has something in the way of clothing that can be given away and will be welcomed by the committee in charge. Probably you have some of this year's school books that are no longer in use. Please turn them over to the Woman's Club group. Can't you help? . . . It's not too early to begin that Christmas spirit now. . . .

CHATTER—theatres having too many good pictures all at once. . . . Cold clear nights with a bright full moon makes many a lovely picture. . . . the little house on Summer street formerly occupied by the Aubrey Harleys has been made so pretty after a remodeling job on house and

yard. . . . Mrs. L. G. McCollough keeping secret from your soc. ed. . . . daily papers carrying Christmas advertising. . . . Mrs. E. G. Wallace is so sweet and thoughtful. . . . too bad Newberry had to lose that home-coming game. . . . more than a million people were rescued, clothed, sheltered and given medical care by the Red Cross in the great flood last January. More than 97,000 families were given a new start in life with household goods, live stock and building and repairs. The Red Cross put out twice as much in Newberry county last year as it got out of the county. Now the Red Cross needs your support. Join today.

## "STELLA DALLAS" TO PLAY AT OPERA HOUSE

"Stella Dallas", which is booked for showing at the Opera House on Monday and Tuesday of next week is the first production in the new big hit schedule of eight pictures which Samuel Goldwyn has planned for the 1937-38 season.

That this will be one of the outstanding pictures of the current season is evidenced from advance reports which hail it as one of the most poignantly dramatic stories ever to be screened.

It is from the famous novel by Olive Higgins Prouty. The screen play was written by Sarah Mason and Victor Heerman. King Vidor, who made "Street Scene" for Mr. Goldwyn directed.

Barbara Stanwyck in the title role registers one of the greatest triumphs

in her entire career. John Boles heads the distinguished supporting cast which includes such personalities as Anne Shirley, Alan Hale, Al Shean, Barbara O'Neil, and Tim Holt.

Of the entire group of massive productions which Mr. Goldwyn has scheduled for the new season, he has elected to launch his program with "Stella Dallas," which he confidently believes will elevate Barbara Stanwyck, John Boles, and Anne Shirley to new heights of stardom. It is released through United Artists.
