## METHODIST YOUTH HAVE THANKSGIVING PARTY

The young people of Central Methodist entertained Friday evening at a delightful Thanksgiving party, which was attended by approximately 50 members of the young set of the city and College.

The room where the guests were gathered was most attractively decorated in a Thanksgiving motif. Corn stalks and pines were placed at intervals and the decorated lights cast a soft glow about the room.

The evening was spent in playing merry contests and winners at each were presented prizes.

Later, pumpkin pie, coffee, and apples were served.

## Chit-Chat

By CONSTANCE ARMFELD

Years from now people will be wondering who started this Community Christmas Tree idea in Newberry and so for the benefit of those that might turn to the files of The Sun seeking such information, I submit the following: Six years ago, the Christmas tree was begun on a very small scale in the home of Mrs. Ben L. Knowlton, still considered as a Newberrian although now living in Columbia. She knew the secret of Christmas joy was "doing unto others". She wanted her lovely little children to learn this secret and practice it in a better way. As I said, the first Christmas Tree was a small affair. The Knowltons got in touch with four needy families, invited them to their home, told them stories, sang carols, and finally, presented the children with large boxes of toys and fruits, and gave the family a basket of food. For three years, Mrs. Knowlton continued to have the Tree at her house, each year asking whom ever she met on the street to join her and her children in this worthwhile cause. Finally more and more people became interested in the project and more and more families were found to help, so in 1934 and 1935, the Tree was held at the Episcopal church of which the Knowltons were members. Last year, Aveleigh Presbyterian church was the scene of the Community Christmas tree and the numbers helped this time had grown from a few to 60 children. The Mothers' Club and the American Legion Auxiliary are now sponsoring the Tree which has grown into a community project and a project in which anyone can help to share that joy which the Knowltons found several years ago. Each year, the manual training department and the sewing department of the high school mend broken toys turned over to them, the Boy Scout and Girl Scouts collect the toys and gifts, the city policemen go after the children in the city and county who are being aided by the Tree and take them home, and the Town in general does its part. Mrs. C. A. Dufford is chairman of the Tree this year. One lady in each church has been designated to help her and gifts of toys, clothing, candy, and nuts are being planned for many unfortunate little children under 12 years old, while their families will be given a supply of food. "When I help each year, I feel it is really the best part of my Christmas to see those little children's pale faces light up," said Mrs. J. D. French, a prominent leader in this yearly event. And to quote your soc. ed. "I've attended the Community Christmas Tree the past 2 years and now my Christmas season would be incomplete without doing my small part which is so greatly returned when I see those children's happiness."

There's something exciting about Christmas weddings and especially if the wedding is on Christmas day. The red and greenery of Christmas for decorations and the piles of beautiful gifts makes the wedding doubly exciting. Christmas Day at Mrs. J. E. Stokes home on Wilson street is the time and place for the wedding of Miss Jeroline Waitos, sister of Mrs. Stokes, who lives in Monroe, Ga. "Jerry", as she is better known in her

former home town, spent Thanksgiving weekend with Mrs. Stokes, returning Monday to her home. She will return here just before Christmas. Meanwhile plans are going forth for the wedding which will be an outstanding beautiful affair in its simplicity. I learned that the wedding and pre-nuptials events will be quite and simply as Jerry has not fully recovered from a recent serious illness at her Georgia home.

Babies in the news... I can't figure out why November seems to be such a popular month for birthdays. The November of '37 has brought some interesting birthdays among which is the daughter of the William Partridges born Monday evening about 7 o'clock at the local hospital. The Partridges had wanted a girl so the name, Molly Langford, was all ready for the tot when she arrived. Of course, you know the Mrs. was Clara Eskridge.

About the middle of last week, news came floating down this way of the birth of a son to Mr. and Mrs. William Self of Parksville, at the Clinton hospital. Mrs. Self is the former Miss Marion "Sunny" Hipp. And the little boy is red headed!... Mother and son are doing fine, I understand, in the Mrs. Aubrey Harley and new son of last Tuesday affair. Mrs. Harley is at her mother's home in Walterboro. The seemingly insignificant father, Lawyer Harley, is here getting the home on Johnstone street ready for mother and son to occupy soon.

About the time you read this the Jordan-McCullough wedding in Spartanburg will be over. About 150 guests including a large number of Newberrians were invited to the wedding this afternoon at 281 Marion avenue, Spartanburg. Friday afternoon of last week, Miss Polly Anderson and Miss Kitty Anderson, class mates of Miss Jordan's honored her at a party at their lovely country estate near Spartanburg. Christmas decorations were used in the room where three tables were placed for hearts and the honoree was presented a package of hand embroidered guest towels. Saturday afternoon, Miss Grace Beacham, of Spartanburg honored the December bride with a party. Mrs. L. G. McCullough attended both parties. The early part of this week brought additional pre-nuptial affairs for Rosa and Joe Henry. The wedding today climaxes a romance of quite some time. The couple will make their home in Spartanburg.

CHATTER—with so many fire calls lately I've begun counting every time the town clock starts ringing... December has arrived at last... Christmas, like the proverbial prosperity, just around the corner... and I know of one Christmas Day wedding... the Partridges are receiving compliments, passing cigars and such-it's a girl... two prominent Newberry men discussing Charlie McCarthy... hope you and you are going to do your part in helping with the Community Christmas Tree... wonder who gets the most of Mrs. B. M. Scurry's affections—the dog or the hubby... also wonder why nothing is said to those that insist on parking against a fire hydrant—especially now when there are fires daily.

Church Notes

On Sunday morning I was proud to see such a fine attendance at services, much greater than two weeks ago. Pastor Keisler has only two more sermons to preach for us. One Sunday evening at 7:30 and the other on the second Sunday afternoon at 3:30.

I am glad to learn that we will not be without a pastor. I understand that Dr. J. B. Harmon will take up the work.

Hours of his services will be announced later. Dr. Harmon is an able speaker and we feel highly honored to have him with us. Don't fail to come to church, take more interest than ever.

You have a prosperous community, why not have a prosperous church? Heavenly treasures are by far better than earthly treasures. So bear in mind that we must work more together than ever and cause our church to prosper. Let not your heart worry over earthly treasures but more over those that are eternal.

Weather  
 Up until the present we have had some very severely cold weather, giving the small grain very much trouble. We trust the weather will not be so very rough this winter. Six years ago was the warmest winter I have ever known, when crab grass began to grow at Christmas time. The rain came like summer showers, the weather cleared up with nice warm weather. The roughest that we had was about the 16th of March.

Wicker-Meetze  
 Miss Evelyn Wicker of Newberry county and Mr. Elmore Meetze of Richland county united in Holy Matrimony, Wednesday, November 24, at the St. Paul parsonage, by the bride's pastor, the Rev. J. A. Keisler, Jr.

Mrs. Meetze is the eldest daughter of Mr. and Mrs. B. R. Wicker and Mr. Meetze is the youngest son of Mrs. Nancy Meetze, Richland county. They will make their home in Florida where he is employed.

Miss Martha Koon, Columbia, spent this week end with her parents.

Mrs. C. M. Free spent the past few days with her daughter, Mrs. J. T. Wicker.

Mrs. Audrey Wicker and family spent Sunday with Mr. and Mrs. Nelson King.

Mr. and Mrs. G. W. Lominick and daughter, Mr. and Mrs. J. D. Lominick, and Robert Lominick, visited Mr. and Mrs. B. R. Wicker awhile Friday night.

Mr. and Mrs. Moses Meetze and son and Mr. and Mrs. Elmore Meetze left for Florida Sunday afternoon.

The following teachers were at home for the Thanksgiving holidays: Misses Ruby, Elizabeth and Lillian Grace Ruff, Mildred, Mary, Frances and Ruth Lominick, Jaunita Felker, Julia Kate Sease, Elizabeth Sease, Edna Grace Kinard, Rozelle Wicker, Nina Livingston; Mrs. J. W. Lominick, Jr.; Messrs Harvey Halfacre, Counts Kibler, John Herman Koon and Ralph Setzler.

## SERVICES AT AVELEIGH

Packed Audience Hears Noted Evangelist

"The message I'd like to bring to Newberry is that Christ is still Lord over devil" said the Rev. Gipsy Smith in his address Tuesday evening at Aveleigh Presbyterian church which has been considered by many as his outstanding address up to this time. Mr. Smith took his text from the fifth chapter of Mark.

"When you say goodbye to sin, this old world will be on the high road to health," said Mr. Smith in illustrating that disease and sickness is due to sin in one's life. In depicting the story of Christ raising the small girl from death as given in the fifth chapter of Mark, Gipsy Smith concluded, "He proved himself Lord over death."

"He's the man's Christ, He's the woman's Christ, and He's the child's Christ," commented Mr. Smith as detailed discussions were heard by the packed audience on all three phases.

"A Christ that can go into Westminster Abbey, or into a gipsy tent, or into a negro shanty is the Christ for me", was one of this noted preacher's closing remarks Tuesday evening.

The two week's services being conducted at Aveleigh church conclude Sunday evening.
