## OUT AMONG THE PEOPLE

### KNOWS HIS PAPER

Clarence Hutto in the other day to say he liked The Sun. A nice compliment when you consider a banker always knows his paper.

### BACK FROM CUBA

Ralph Quinn has just returned from Cuba, the island domain of grass skirts and revolutions. Ralph says the island is literally overrun with beggars. But even with that we've always wanted to live in a country where raising grass skirts is the main agricultural pursuit; one would feel like one was doing something to make two skirts grow where only one grew before. Then too when the wife needed a new dress one would only have to wring off a handful of broom sedge and hand it to her; or, if she was under control tell her to go forage for her own dress.

### POST COMMANDER BUSY

The "go-getting" post commander of local legionnaires, Jake R. Wise, is attending meetings all day in Columbia today (Thursday).

This morning he was present at a service officer's school at the Veteran's Hospital of Columbia.

This afternoon finds him representing the local post at the Child Welfare Conference sponsored by the state Legion at the Jefferson hotel.

Tonight he will be present at a meeting of South Carolina's Last Man's Club of which he is a charter member, at the Jefferson hotel. This club which is the first organization of its kind is composed of veterans of the World War. Of the 19 men who formed the original group in its beginning in 1930, two have since died. Four of the present number of members are from this city. They are besides Jake, Johnnie Kinard, Ranny W. Kirkland, and F. D. McLean. Jake was the first "custodian" or head of the club.

At the Service next Sunday the pastor's subject will be, Paul's Deacons. The choir under the direction of Professor Paul Enrud will render special music.

At the Vespers next Sunday the pastor will preach on the subject, "Labor Shortage."

The Aid Society will meet Monday afternoon at 4:00 at the home of Mrs. Chas. L. Trabert. Mrs. J. L. Welling will be associate hostess.

The flower committee for February consists of Mrs. A. L. Ringer and Vernon C. Carlton.

The pastor is desirous of having a large attendance next Sunday at both services. He especially urges all young people to make a special point if necessary to be present for the morning services.

White Fant, local liquor dealer, wants business but of a particular sort. He has caused to be posted his store a card stating that liquor is for those who can afford it, and that no one can afford it at the expense of food, clothing, and other necessities of life. If liquor interests could convince people of that fact there would be little demand for prohibition, for if only those used it who could afford it consumption would be clipped in half or more.

Doesn't want the bread dollar.

## Little Change Made In Supply Measure

The Newberry county supply bill, now on its way thru the legislative mill, shows little change from last year. A new item of \$300 for a Negro demonstration agent is provided in case this sum is matched by Federal funds; a new proviso requires signatures of the Supervisor and both county commissioners before a voucher can be honored by the treasurer. The office of Attorney-Clerk to the county board of commissioners has been separated and \$400 has been provided for an attorney and \$600 for a clerk. The supply bill totals about \$76,000.

## HAPPENINGS AT ST. PHILIPS

On Sunday afternoon there will be Sunday school at 2:30 and divine services at 3:30 followed by Holy Communion. Services will be conducted by Dr. J. B. Harman.

Mrs. Lominick had been in ill health for some time. She bore her infirmities with patience. Her children were all kind to her. They had all moved away but some of them were with her practically all of the time. On Monday afternoon her funeral services were conducted by her pastor, Rev. J. B. Harman, Dr. S. P. Koon and Rev. E. K. Counts assisting. There was a large gathering to pay their last respects. The ground was covered with many beautiful flowers, as pretty as I have ever seen for this time of year.

The alumni, former students, and friends of Newberry College who are interested in the athletics of Newberry College are invited and urged to be present at a meeting to be held in Holland Hall Thursday night, February 17, at 7:30 o'clock.

Dr. James C. Kinard, President, will be present and it is hoped that the meeting will be well attended.

## WE THE PEOPLE SPEAK---

Do you think the Newberry High school stadium should be equipped with lights for night games?

Azile Graddick—"I think it would be nice."

Boyd Campbell—"Yes, I do. Since we don't have any kind of field here lighted for night ball playing, I think the high school field would be the best one to light."

J. E. Wiseman—"No. Not if the plans to light the new fair grounds are carried out. If the fair grounds are lighted there would be no need for two such fields."

Mrs. Mae Aull—"I think so because nearly all schools are playing night games and if Newberry High wants to keep up, they will have to do what the rest of the schools are doing."

Brookie Hutchinson—"I think it would be wonderful and I surely hope they get it."
