OUT AMONG THE PEOPLE

SCURRY'S PIG RIDES THE AIR WAVES

That big pig of John B. Scurry's was skyrocketed into star position last week when its dimensions were broadcast over W.S. Columbia. A number of Newberry people heard the broadcast, a review of the Sunpaper, with the pig story as the highlight. That's a lot of promotion for a pig. And it might be added that the promoter has never seen or even tasted any part of its anatomy.

Dates Given For Vote on Farm Bill

The Secretary of Agriculture, pursuant to Section 347 of the Agricultural Adjustment Act of 1938, has announced that a referendum by secret ballot of cotton farmers who were engaged in the production of cotton in 1937 will be held on the date indicated below to determine whether they are in favor of, or opposed to, cotton-marketing quotas for the 1938 crop, year beginning August 1, 1938. If two-thirds or more of the cotton farmers voting in the referendum favor cotton-marketing quotas, the cotton-marketing provisions established pursuant to the quotas of said Act, will become effective for 1938 cotton crop. If more than one-third of the cotton producers voting in the referendum oppose the cotton marketing quotas, the quotas shall not become effective in 1938.

Eligibility To Vote 1. Only farmers who were engaged in the production of cotton in 1937 are entitled to vote. 2. No cotton farmer (whether an individual, partnership, corporation, firm, association, or other legal entity) shall be entitled to more than one vote in the referendum, even though he may have been engaged in 1937 in the production of cotton in two or more communities, counties, or States. 3. There shall be no voting by proxy or agent, but a duly authorized officer of a corporation, firm, association, or other legal entity shall be allowed to cast its vote. 4. In case several persons, such as husband, wife, and children, participated in the production of cotton in 1937 under a lease or sharecropping agreement, only the person or persons who signed or entered into the lease or sharecropping agreement shall be eligible to vote. 5. In the event two or more persons engaged in producing cotton in 1937 jointly, in common, or in community, each such person is entitled to vote. 6. Since marketing quotas are not applicable to cotton the staple of which is 1 1/8 inches or more length, a person who was engaged in the production of such cotton in 1937 shall not be eligible to vote unless he was also engaged in production of cotton in 1937 the staple of which was less than 1 1/8 inches in length.

Due to the present low prices of cotton, farmers of Newberry County have realized a substantial source of income to supplement that from cotton by keeping milk cows and poultry, says J. L. King, Assistant County Agent. There is a good year round market for cream established in our county and a good market for poultry and poultry products through our local markets and through cooperative poultry shipments arranged for through the Extension force cooperating with the farmers and large poultry dealers. A large number of our cream producers have realized a profitable income by selling cream to our local cream markets and feeding skim-milk to their poultry. Skim-milk and yellow corn are among our best poultry feeds. There will be a cooperative shipment of poultry on Saturday, March 5 as advertised elsewhere in this paper.

Laval Newberry Coach Moving Day

William (Billy) Laval was named head coach of Newberry College yesterday at a meeting of the executive committee of the board of trustees to succeed E. D. ("Dutch") McLean, who resigned recently to accept a post at Porter Military Academy in Charleston. He has accepted the position and will assume his duties here next September. Laval is well known in South Carolina. Last season he was head coach of Emory and Henry college in Virginia. It was under Laval that Furman rose to prominence in South Carolina athletic circles. At Furman he turned out more state championship football teams than has been produced by another coach at any other Palmetto state college. He came to South Carolina in 1928 and developed several good teams. He left Carolina after the 1934 football season and confined his activities to base ball scouting until 1936, when he went to Emory and Henry. He resigned his coaching job at this college to come to Newberry. During the summer months Laval will retain his scouting connection with the Boston American league base ball club, but this affiliation will not interfere with his year-round activities of Newberry college athletics.

February of this year produced revenue totaling \$1,790,593, or \$140,238 more than collected in February of last year. There were increases in income tax revenue, that from soft drinks, from tobacco, from liquor and from admissions, but beer and wine tax revenue decreased.

Methodists Seek To Revive in Great Meet

A series of 25 great Aldersgate Commemoration Rallies in observance of the bi-centennial of the spiritual awakening of John Wesley are being held in the Carolinas, mobilizing Methodists for a renewal of the warm heart. Great Youth Rallies will be held each evening. Thousands will be present. Two hundred years ago, in a little society meeting in Aldersgate street, London, John Wesley, long in search of satisfying religious faith, experienced a spiritual awakening about which he wrote: "I felt my heart strangely warmed. I felt that I did trust in Christ, Christ alone for salvation; and an assurance was given me, that he had taken away my sins." In 1938 world-wide Methodism will commemorate the bi-centennial of that event. In the Methodist Episcopal church, South, under the leadership of the Bishops, especially directed by Bishop A. Frank Smith, the Aldersgate Commemoration will take form of the most powerful spiritual forward movement ever known in the financial objective. No money will be raised. Every interest of the church is to be undergirded with new spiritual power. Every Methodist interested in vital religion, evangelism, and spiritual life is expected to cooperate. Beginning next Tuesday, March 8, promptly at 9:30 A. M., in the Methodist church at Saluda, such a meeting will be held for the Greenwood district. The program follows: Opening devotional service—Rev. C. L. Harris, Greenwood. Theme: "What May Aldersgate Mean to Me?" Address: Rev. Leo F. Tuttle, Concord, N. C. Subject: "Methodism Facing a New Day in the Spirit of Aldersgate." Address: Rev. H. C. Riter, Spartanburg. Subject: "The Situation We Face in the Upper South Carolina Conference." Address: Mrs. C. N. Clark, Subject: "Methodism's Supreme Need." Address: Bishop Paul B. Kern, Durham, N. C. Subject: "A Glimpse at Yesterday and a Dream for Tomorrow." Adjournment for lunch. Open Forum on Evangelism; Leader: Rev. W. B. Garrett, Presiding Elder. Address: Rev. M. L. Rippey, Nashville, Tenn. Subject: "Mobilizing Methodism's Man Power." Address: Bishop Charles L. Mead, Kansas City, Mo. Subject: "John Wesley Would Say..." 4:30 P. M. Adjournment afternoon session. District-Wide Youth Rally, Main Street Church, Greenwood. Beginning promptly at 7:30 P. M. Devotions and Song service. (Arranged and conducted by Young People.) Address: Dr. G. Ray Jordan, Winston Salem, N. C. Subject "Youth Faces a New World." Address: Bishop Charles L. Mead, Kansas City, Mo. Subject: "Methodism's Message to Modern Youth." In addition to the young people from over the Greenwood district who will attend the Youth Rally, the entire student body of Lander college will be present. Reserved seats will be held until 7:30 o'clock, it is announced. The congregational singing of the great Methodist hymns, especially the hymns of Charles Wesley will be an outstanding feature of both the day and evening sessions. Large delegations from the Newberry Methodist churches are expected to attend these two rallies next Tuesday in Saluda and in Greenwood, and thus secure information, inspiration, and spiritual renewal.

Funds Needed For Upkeep of Rosemont

Several years ago, when the late Col. W. H. Hunt was president of the Board of Directors of Rosemont cemetery, he recommended that additional land then available be purchased. This was done, and last summer it became necessary to develop these four acres, since all space in the cemetery proper had been sold. This development has proved far more costly than was anticipated due to the very large quantities of granite underlying the property that had to be removed; consequently, the Board finds itself entirely without funds for upkeep. The members feel that there is hardly a person in the city as well as in the county who is not very personally interested in the cemetery. To each of these and to other interested persons who live away from Newberry, the Board is appealing for a small annual upkeep of \$5.00, but a larger contribution would be deeply appreciated. Unless there is a general and generous response to this request, the cemetery will soon show the result of the loss of the necessary number of workers, and no lot owner would wish to see this sacred place neglected looking. Checks should be mailed to D. L. Nance, Treasurer. F. R. Hunter, Chairman of Upkeep Committee. Z. F. Wright, President of the Board.

DOWN MEMORY LANE

The board of health on Thursday decided to lift the quarantine on the schools and picture shows and churches next Tuesday, provided that the cases of meningitis appear. This order is to include Newberry College. Speaking before the Reichstag today, the Imperial German Chancellor, Count von Hertling made his declaration: "I can fundamentally agree with the four principles, which in President Wilson's view must be applied in a mutual exchange of views, and thus declare with President Wilson that a general peace can be discussed on such a basis."

20 YEARS AGO

The weather has been fine the past few days and a short trip into the country in 111 told us that the farmers have been making good use of it and a lot of plowing has already been done. Columbia, Feb. 25.—As a result of one of the most horrible wrecks in the history of South Carolina which occurred on the Spartanburg division of the Southern Railway, six miles above Columbia, at 2:30 o'clock this afternoon, 12 persons are dead, & 37, more or less, seriously injured. Local passenger train No. 42 from Spartanburg, crashed into the rear end of local passenger No. 18 from Greenville which was just getting under way after having stopped for repairs to be made upon the air brakes. All the dead and injured, with three exceptions, are white. Among the dead from Newberry are: Mrs. Sara L. Johnson, 70; W. W. Richardson, 37; Frank Baxter, 60.

A Citizen of Newberry thinks it would be a good idea to arm Negro soldiers with their favorite weapons, the razor in their battles with the Germans. An arm of Negro troops with deadly razors would play havoc with the enemy, he thinks.

Much to the satisfaction of housekeepers in the city the price of eggs has dropped to 30c a dozen. There are plenty of eggs coming in from all sections of the county. A sensible citizen of Newberry with a touch of humor says this nice weather makes him feel so much like gardening that he bought some seed and sent them home to his wife. The Newberry Cooperative Concert Association will present its final concert of the year Saturday evening of this week when Miss Dorothy Crawford will appear in her original character sketches assisted by a concert pianist. This presentation will be held at the Newberry high school beginning at 8:15.

MRS. ANNIE PERDEW, 71, DIES TUESDAY NIGHT

Perdew, Clinton; three daughters, Mrs. H. A. Hamm, Mrs. C. L. Turner, and Miss Rebecca Perdew, all of Newberry; ten grandchildren and two great grandchildren. U. D. C. CHAPTERS WILL MARK CONFEDERATE'S GRAVES

For several years it has been the desire of the two chapters of the Daughters of the Confederacy to see the grave of every Confederate soldier in Newberry County marked with an iron cross. This has been done in the city as far as it has been able to locate them. In the county, it is only possible to place one of these markers through the cooperation of relatives or friends. The two local chapters, Drayton Rutherford and Calvin Crozier, have a supply of these crosses on hand and if anyone interested in having a grave in the county thus marked will communicate with Miss Fannie McCaughrin, Calhoun street, she will be glad to arrange for the marker.
