THE WHY OF IT

As expected we have been roundly "kidded" for what seemed to many a reversal of policy toward the Newberry county fair following publication last week of a large advertisement and a write-up of the fair. The ad came unsolicited and running adpaper practice the county over. And, besides, be it remembered, we have have never at any time opposed a fair as such. Our opposition has always been directed at the lewd shows in connection with the fair. And as further defense, if defense be needed, we might add that the fair is under we might add that the fair is under new management — management prizes went to Miss Frankhich we believe would not knowingly bring to Newberry anything harm-ful to our people. We did not go to was invited into the dining room the fair because we do not care for which was most attractive in its seassuch things but we believe the new onal decorations.
