

FARMS AND FOLKS

By J. M. Eleazer Clemson Ext. Info. Specialist

It was watermelons galore when I was at Pageland with Agent Willis the last of July.

For some years that has been growing into a melon market-ing center, and the thing was just all over town. But a for ward step has been taken by the local folks in cooperation with Jimmie Youngblood of the State Marketing Commission and Tom Cole of the Clemson Extension Division of Markets They have built a They have built large concrete and steel shed. I was there 47 truckoads of melons occupied every bit of the space under it an more awaited their turn outside. And there were 19 enor-mous trailer outfits there from the far places that would take every melon on the yard to fill by the time they pulled out that night.

They had thought of having an auction market at first. But Mayor J. L. Sutton, who has been very active in fostering this market, told me that the farmers preferred trying an individual sales arrangement first and it seemed to be working
