# CHRISTMAS GREETINGS

Throughout the coming year, the best way to enjoy the same happiness which we experience at Christmastime, is to keep the spirit of the Yuletide uppermost in our thoughts each of our days.

Let us resolve to acknowledge our friendships more often . . . not with fine gifts particularly, but with some kind word of encouragement which will enable our friends to meet the difficult situations with which all of us are confronted from time to time. Such thoughtfulness will enable our friends to preserve the traditions of an American Christmas on through the future.

In all sincerity, we greet you and wish you a delightful Christmas season.
