 Messrs. W. A. Black and Jennings will please accept our thanks for the two melons sent us. They will compete for the premium we offered. Who comes next?
 RENEW.—The subscription of several of our subscribers, who paid only for six months, expired on the 14th inst. We hope they will be punctual in renewing.

Our reporter leaves for Columbia today, to report the proceedings of the State Republican Convention. If we hear from him in time, an extra sheet will be issued from this office to-morrow or Friday morning.
 Special attention is directed to the advertisement of Messrs Heyward & Mellichamp, in this issue. Their effort to establish an Academy at Orangeburg upon a sound basis, is most praiseworthy; and we trust will meet with favor at the hands of our people.
 Our "devil" desires his thanks extended to the committee of the Elliott Company for the bountiful store of good things sent to him last night.
 We would respectfully invite the attention of our readers to the advertisements of Wagner and Monsees, Haiglers' Academy and Messrs Mellichamp and Heyward.

IMPROVEMENTS.—Among the many improvements going on in our town, we note the following:
 The new store being erected by Mr. Dukes, on Russell Street. This is a one story frame and shingle building, well located in the business midst of Orangeburg, and will present a handsome appearance when completed. Our young fellow townsman T. G. Vinea, has rented it, and will shortly commence business in it.

THE ENTERTAINMENT LAST NIGHT.—About 8 o'clock last evening, crowds of ladies and gentlemen could be seen flocking to the Hall of the E. I. H. & L. Co., to enjoy an hour with the Elliots and Young America. At half-past 8, Capt. J. G. Vose, called the meeting to order, and introduced Dr. T. A. Elliott, who addressed the audience in a most impressive manner for a short time. After this, Capt. Jas. Izlar was called upon. He responded in his usual manner, showing that the work in which the firemen are engaged is both a "great and good" work. The Company then enjoyed an elegant and tempting repast, prepared under the auspices of the Elliott Company. Next in order come music and dancing, which is still going on as we go to press.
 We regret not being able to give our readers a more full account of this pleasant gathering, but the lateness of the our prevents.

SPECIAL NOTICE.—The price of single copies of the Times, to those who are not subscribers, is only **Five Cents.**
NEW COTTON.—The first bale of new cotton brought to Orangeburg, this season, was purchased yesterday morning by F. H. W. Briggman, at 20cts per pound. It classed as middling and was raised by Mr. H. E. Barnett. The bale weighed 504 lbs.
CRUMBS.—Mr. Kohn left for the North last week.
 —Dr. Oliveros has returned from his Northern tour.
 —Capt. J. W. Mosely leaves for New York this week.
 —The two Fire Companies paraded the streets yesterday afternoon.
 —The weather has been very close for the past four or five days.

THEY ARE WARRANTED ENTIRELY VEGETABLE.
 They contain no arsenic or poisonous ingredients of any kind—nothing in the least degree injurious to the system under any circumstances—and may be administered with perfect safety to an infant.
 They never fail to cure the most obstinate cases when taken as directed.
 They cure immediately. In no case will the patient have more than one chill after the first dose, and in the majority of cases not even that.
 They accomplish the work by destroying the cause of disease, which no other remedy pretends to do.
 They are an effectual preventive, neutralizing the malarious poison in the system, and thus averting its consequences.
 They are warranted in every instance. If they do not cure the money will be refunded.

COTTON STATES LIFE Insurance company.
PRINCIPAL OFFICE, MACON, GA.
 The undersigned having been appointed State Agents for the above Company and established the office of the Company in Columbia, invite attention to one or two of the advantages offered to them who may desire to effect insurance on their lives in a safe Home Company:
 The Board of Managers at a recent meeting, passed unanimously the following resolution:
 "Resolved, That in view of the fact that there are unusually large sums paid for Life Insurance, to the Companies of the North and East, which sums being there invested, contribute to the enrichment of those sections, whilst our own South is greatly in need of cash capital to prosecute successfully our Agricultural and Mechanical enterprises; it is ordered, that for the purpose of retaining these sums in our midst, hereafter a certain proportion of the net cash receipts from premiums, amounting to not more than 70 per cent. of the same be invested in such manner as may be in accordance with the regulations of the Company, in those sections from which the said premiums are attained."
 (Signed) M. W. B. JOHNSTON, President.
GEORGE S. OBEAR, Sec'y.
 The Financial strength of the Company places it in high rank. Its last Annual Statement shows that the Company possesses, besides its large Guarantee, \$170 for every \$100 of its liability.

DR. R. B. HEWITT,
 34 WENTWORTH STREET, CHARLESTON, S. C.
 Can be consulted on the following diseases, and diseases of a kindred nature, free of charge and in strict confidence.
 Rheumatism, moderate, and within the reach of all. Office hours from 9 a. m. to 7 p. m.
RHEUMATISM and NEURALGIA.
 In all arthritic complaints, as rheumatism, gout, neuralgia, etc., this practice is almost perfect. The most intense pains are almost instantly relieved—enormous swellings are reduced—limbs which have been contracted and stiff for years are relaxed. Cases of twenty, thirty and forty years' standing have been cured by me, after all other means have failed.
 A great accomplishment is my triumph over pain, by which I can often, in a few moments, soothe and carry off the most excruciating sufferings.
 If this system did nothing more than to relieve pain, it would stand superior to any other system extant.
CATARRH.
 Stopped-up Head, Running of the Nose, constant hawking and spitting, constant Blowing of the Nose.
 Thousands suffer from that most annoying disagreeable complaint—Catarrh, without knowing what it is.
 Often the secreted mucous flowing down the throat clogs up the lungs and lays the foundation for consumption.
 The most skillful physicians fail to cure it. I cure any case of obstruction—stopped up head—discharges of greenish, thick, thin or glairy mucus from the nose, internal or external—pain or fullness between the eyes—constant blowing of the nose—inflammation of the nasal passages—ulceration of Schneiderian membrane, etc., in the course of a few days.
DEAFNESS.
 Nervous Deafness, Noises in the Head, Otiorrhoea—Otitis (discharge from Ear), Paralysis of Auditory Nerve.
 I am daily treating all affections of the ear with the most gratifying results. Some who had paid artists nearly \$1,000 without benefit, have been cured by me in a few weeks at moderate expense.

MERCURIAL DISEASES.
 Mercury, injudiciously used, has filled the earth with wrecks of humanity. Thousands suffer from its effects who have been unconsciously drugged by their physician. It is vain to attempt the cure of the majority of diseases while it remains in the body.
 Although I have heard of several so-called antidotes for mercury in the human body, I have never yet seen a physician who could eliminate it from the system.
 I can satisfy any patient or physician that I can absolutely extract mercury, lead, zinc, and other mineral poisons, in every case.
CANCERS.
 Noli-na-Tangere, Lupine, or Wolf Cancer, Scirrhous Cancer—Fungous Cancer, Rose Cancer—Spider Cancer.
 I make a great specialty in the treatment of every description of cancer and tumors.
 How many cancers and tumors are wrongfully treated by certain Charlatans styling themselves "Cancer Doctors."
 After being pronounced incurable, I will take any one of these cases in hand, and make a permanent cure.
 My terms for treating cancers, etc., will be based on the age and condition of the patient, and the positive certainty of cure.
