"Agriculture is the General Pursuit of man: It is the Basis of all others, and therefore, the most Useful and Honorable."

The Value of Salt.

Salt is one of the necessities of life, and anything we eat, except bread, could be more readily spared.

Animals, in fact, will travel long distances and brave the greatest dangers to obtain it.

In the district of Acora, on the Gold Coast of Africa, a handful of salt is the most valuable thing upon earth after gold.

No stronger mark of respect or affection can be shown in Muscovy than the sending of salt from the tables of the rich to their poor friends.

The Greeks and Romans also used salt in their sacrificial cakes; and it is still used in the services of the Latin church.

Everywhere, and almost always, indeed it has been regarded as emblematical of wisdom, wit and immortality.

THE ADVANTAGE OF GROANING.—A French physician is out in a long dissertation on the advantage of groaning and crying in general, and especially during surgical operations.

"We propose to rescue those lands that have been purchased for the homeless."

Does this sweeping "propose" included the barren tract in Kershaw County that he sold for \$14,000, got the money, and never turned over the deed?—Lancaster Ledger.

DR. R. B. HEWITT,

34 WENTWORTH STREET, CHARLESTON, S. C.

Can be consulted on the following diseases, and diseases of a kindred nature, free of charge and in strict confidence.

Charges moderate, and within the reach of all. Office hours from 9 a. m. to 7 p. m.

RHEUMATISM and NEURALGIA.

In all arthritic complaints, as rheumatism, gout, neuralgia, etc., this practice is almost perfect. The most intense pains are almost instantly relieved—enormous swellings are reduced—limbs which have been contracted and stiff for years are relaxed.

A great accomplishment is my triumph over pain, by which I can often, in a few moments, soothe and carry off the most excruciating sufferings.

If this system did nothing more than to relieve pain, it would stand superior to any other system extant.

CATARRH.

Stopped-up Head, Running of the Nose, constant hawking and spitting, constant blowing of the Nose.

Thousands suffer from that most annoying disagreeable complaint—Catarrh, without knowing what it is.

Often the secreted mucus flowing down the throat clogs up the lungs and lays the foundation for consumption.

The most skillful physicians fail to cure it. I cure any case of obstruction—stopped up head—discharges of greenish, thick, thin or glairy mucus from the nose, internal or external—pain or fullness between the eyes—constant blowing of the nose—inflammation of the nasal passages—alteration of Schneiderian membrane, etc., in the course of a few days.

DEAFNESS.

Nervous Deafness, Noises in the Head, Otorrhea—Otitis (discharge from Ear), Paralysis of Auditory Nerve.

I am daily treating all affections of the ear with the most gratifying results. Some who had paid aurists nearly \$1,000 without benefit, have been cured by me in a few weeks at moderate expense.

MERCURIAL DISEASES.

Mercury, injudiciously used, has filled the earth with wrecks of humanity. Thousands suffer from its effects who have been unconsciously drugged by their physician.

It is vain to attempt the cure of the majority of diseases while it remains in the body.

Although I have heard of several so-called antidotes for mercury in the human body, I have never yet seen a physician who could eliminate it from the system.

I can satisfy any patient or physician that I can absolutely extract mercury, lead, zinc, and other mineral poisons, in every case.

CANCERS.

Noli-ma-Tangere, Lupus, or Wolf Cancer, Scirrhus Cancer—Fungous Cancer, Rose Cancer—Spider Cancer.

I make a great specialty in the treatment of every description of cancer and tumors.

How many cancers and tumors are wrongly treated by certain Charlatans styling themselves "Cancer Doctors."

After being pronounced incurable, I will take any one of these cases in hand, and make a permanent cure.

My terms for treating cancers, etc., will be based on the age and condition of the patient, and the positive certainty of cure.

DRUG STORE!

For the liberal patronage which I have thus far received from the citizens of Orangeburg and the confidence shown in me by very numerous friends, I take the opportunity of expressing my sincere gratitude in the "Orangeburg Times."

The encouragement of past patronage and kindness induces a strong faith in future success, and while thanking my friends for past favors, I can assure them that nothing will be left undone to deserve their continuing patronage.

My store is essentially a Drug Store; where will be kept such Drugs and Medicines alone, as I will warrant genuine and Pure. I have arranged to supply my customers with Medicines of the very best quality afforded in the market.

I avoid all cheap useless articles, and yet my prices shall be as reasonable for valuable, good, fresh Medicines as anybody's.

I invite the Physicians of the District to call and examine for themselves. They are judges to whose opinion I submit. Send your orders and they will be filled to your satisfaction.

Just received a stock of pure, medicines consisting of Laudanum, Paregoric, Castor Oil Sweet Oil, Epsom Salts, cream Tartar, Carb. Soda, &c., Dye Stuffs, Paints and Brushes, concentrated Lye, Patent Medicines of all kinds.

Just call at the Southern Drug Store on Russell Street, and you will be sure to get what you want. J. K. WHITE, Agent. Office at Engine House, Orangeburg, S. C. sep 6

A. C. DUKES.

THE SINGER STILL TRIUMPHANT!

THIS

NEW FAMILY SINGER SEWING

MACHINE.

WITH ATTACHMENTS FOR ALL KINDS OF WORK

is fast winning favor in the household, as shown by the rapidly increasing sales.

THIS NEW FAMILY SEWING MACHINE is capable of a range and variety of work such as was once thought impossible to perform by machinery.

We claim and can show that it is the cheapest, most beautiful, delicately arranged, nicely adjusted, easily operated, and smoothly running of all the Family Sewing Machines.

It is remarkable not only for the range and variety of its sewing, but also for the variety and different kinds of texture which it will sew with equal facility and perfection, using silk, wool, linen or cotton thread, fine or coarse, making the interlocked-elastic-stitch, alike on both sides of the fabric sewn. Thus, heavier cloth, or leather may be sewn with great strength and uniformity of stitch; and, in a moment, this willing and never wearying instrument may be adjusted for fine work or gauze or muslin, or for the ticking of tarlatan, or quilting, or almost any other work which delicate fingers have been known to perform.

At the world's fair it received the great award of the highest sales!
