ARRIVAL AND DEPARTURE OF TRAINS AT ORANGEBURG.

Table with columns for PASSENGER, FREIGHT, DAY TRAINS, NIGHT TRAINS. Includes arrival and departure times for various routes.

We are requested to correct an erroneous impression which has gained public circulation, that exhibitors at the Orangeburg County Fair will have to pay a fee before being allowed to exhibit their articles.

Superintendents are requested to meet the Executive Committee of the Orangeburg Agricultural Society on Wednesday, 23d inst.

We are gratified to observe active preparation at the Factory Building for the coming Fair, which promises to surpass in success and attractiveness the one of last year.

The weather has turned quite cool, (Sot having put in his appearance in the last few days and holding his own quite handsly.

We do not hear so much complaint among the planters of scarcity of laborers. The cotton is somewhat thinned out and the planters are paying higher wages and getting less done during the day.

A very serious accident happened last Sunday to Mr. W. T. Lightfoot, as he was driving out in the afternoon with his family, which very nearly resulted in the death of one or more of the parties.

John Hartog, a young man at Mr. Wahler's saloon, shot himself very seriously last Saturday night. It was entirely accidental, the pistol exploding in his breeches pocket, the ball passing down the leg and entering the foot in which it just about the ankle joint.

We understand that Mr. Henry Kohn had quite a painful wound inflicted upon his leg about the knee joint. A horse run away with him and run him against a wagon in the road. He fell shortly after and is not yet able to walk.

Mr. Scovill's yard dog bit one of his employes, a colored man named Hook. Of course the dog was immediately caught by the said Hook. The Hook was slightly damaged.

Mr. E. Ezekiel is in the market and supplied at all points. A cotton buyer, he also is a jeweler, besides dealing largely in hardware, while he has a complete assortment of perfumery and such nick-nacks.

Please read the card of Mr. T. S. Albergotti and give him a call. Mr. A. is a young merchant who single-handed comes before you for patronage, to which he will do just ice.

Last Sunday was a remarkably quiet one in our town. Mr. Brown did not have service there was none at the Baptist; this was not the third or fifth Sabbath of the month, so that Mr. Mellichamp was not here.

The hearts of the few who heard were saddened last Sunday by the news that Dr. Elliott had been carried to Fort Motte in compliance with the message that he must attend our beloved pastor the aged Mr. Mellichamp, who has so long and faithfully served his God and his people.

Court has been busily employed, and Judge Graham has been as usual, urbane and at the same time expeditious.

To outsiders the session has not been devoid of its comicallities, some of which have been somewhat serious for laughter pure.

One officer was smitten throughout court, and for the first time, with the stammers.

The reading of Judge's sealed sentence of a prisoner to one year in the penitentiary at hard labor was forestalled by the pardon of the Governor in hand held.

And the Radical candidate for Sheriff, E. I. Cain, being for the second time called upon to show cause why he should not be indicted for official misconduct, having his recent nomination before his eye, the Judge very naturally said that judicial proceedings would be useless, seeing that if the voters were determined to elect inefficient parties, they must themselves suffer.

Courts adjourned yesterday noon.

THE SINGER STILL TRIUMPHANT! THE NEW FAMILY SINGER SEWING MACHINE.

WITH ATTACHMENTS FOR ALL KINDS OF WORK is fast winning favor in the household, as shown by the rapidly increasing sales. This NEW FAMILY SINGER SEWING MACHINE is capable of a range and variety of work such as was once thought impossible to perform by machinery. We claim and can show that it is the cheapest, most beautiful, delicately arranged, nicely adjusted, easily operated, and smooth running of all the Family Sewing Machines. It is remarkable not only for the range and variety of its sewing, but also for the variety and different kinds of texture which it will sew with equal facility and perfection, using silk twist, linen or cotton thread, fine or coarse, making the interlocked-elastic-stitch, alike on both sides of the fabric sewn. Thus, heavier cloth, or leather may be sewn with great strength and uniformity of stitch; and, in a moment, this willing and never wearying instrument may be adjusted for fine work or gauze or gossamer tissue, or the tucking of tarlatan, or ruffling, or almost any other work which delicate fingers have been known to perform. At the world's fair it received the great award of the highest sales! J. K. White, Agent, Office at Engine House, Orangeburg, S. C. jun 6
