and the bully concented.

As soon as New Hamshire got woolen hood to keep my ears from within striking distance Rhett quickly knocked him down. Surprised and maddened, the bully rushed at Rhett, when he was again felled, and every time he got up bright. I sat on my borse under Bhett skillfully defended himself the shadow of a tree, both as a proand offended the other. At length tection from the piercing blast and the bully, badly used up, fell helptoot on his breast.

"Let me up," moaned the bally. The deep silence was occasionally "Not just yet," said Bhett. "You broken by the ery of "Halt" from got a challenge from me once ?" "Yes," groaned the buly

"Instead of replying to it like a gentleman, you tore it up and flaug moon ight east all sorts of fantastic the pieces in my face," went on shapes on the frozen snow. In this Rhett.

"Yes," was the reply, with an el danger and communing with the fort.

"Well, I saved the pieces and spot, a few nights before, the vidette you've got to eat them before you had been fired on by a scouting get up," was the cool reply.

Thereupon he slowly fed the fal from McClellan's camps below. But len bully the carefully preserved bits of paper, and they were all eaten. Buett had untilized his Boston trips to the best advantage with

the most scientific sluggers of his day. It was not until he had succeeded in knocking down one of his instructors that he undertook the bully.

An Important Fact,

The Edgefield Monitor says :-When the chronic grumbler tells taxes paid then a State debt was being saddled upon us at the rate

Mr. Davis Shows up Sherman. Hon Jefferson Davis's article in the Baltimore Sun, in reply to the slanders of Gen. W. T. Sherman, is a seathing exposure of the latter's habitual disregard of truth and a well deserved rebuke to the United States Senate for making Gen, Sherman's "personal tirade" an official document. The great incendiary bas been convicted of slandering not only Mr, Davis and Gen, Hampton but Gens. Grant and A, S. Johnson also, Nothing better can be expected of a soldier who would bombard a sity full of women and children and then burn their houses over their heads in mid winter, When partisan bias has disappeared and impartial bistory comes to be written Gen. Sherman will be universally regarded as one of the most cruel and contemptible of crestures -Columbia Record.

President McGee, of the New York Produce Exchange, received last week a mysterious package from Wilmington, N. C., labelled "Here is the worm that is raining the corn crop." Hz-Mayor Edeou helped Mr. Mollee open the packet last week. The kernel was a bottle of whiskey.

Doctors Praise It.
