Actium.

Mark Antony at Actium by the sea
Marshall's bid host; Octavius there un-
furl'd.
To fight for the broad empire of the world,
His banner by the blue Ambrosiac Bay,
Long waged the combat that September day
With doubtful issue till a squadron led
By Cleopatra broke its ranks and fled,
So fell the great Antonius' star astray.
A passionate woman amorous, over-ween,
Lured the great Roman from the army's
down.
To grovel in the dust about her feet.
And in the lower loss the Imperial crown.
As poppies still the fluttering life that sips,
She slew him with the sweetness of her
lips.
