PROF. HARRIS' RADICAL CURE FOR SPERMATORRHŒA.

—THE—

"SEMINAL PASTILLE"

SHAPE & SIZE OF A SEMINAL PASTILLE

A Valuable Discovery and New Departure in Medical Science, an entirely New and positively effective Remedy for the speedy and permanent Cure of Seminal Emissions & Impotency by the only true way, viz: Direct Application to the principal Seat of the Disease, acting by Absorption, and exerting its specific influence on the Seminal Vesicles, Ejaculatory Ducts, Prostate Gland, and Urethra. The use of the Remedy is attended with no pain or inconvenience, and does not interfere with the ordinary pursuits of life; it is quickly dissolved and soon absorbed, producing an immediate soothing and restorative effect upon the sexual and nervous organizations wrecked from self-abuse and excesses, stopping the drain from the system, restoring the mind to health and sound memory, removing the Dimness of Sight, Nervous Debility, Confusion of Ideas, Aversion to Society, etc., etc., and the appearance of premature old age usually accompanying this trouble, and restoring perfect Sexual Vigor, where it has been dormant for years. This mode of treatment has stood the test in very severe cases, and is now a pronounced success. Drugs are too much prescribed in these troubles, and, as many can bear witness to, with but little if any permanent good. There is no Nonsense about this Preparation. Practical observation enables us to positively guarantee that it will give satisfaction.—During the eight years that it has been in general use, we have thousands of testimonials as to its value, and it is now conceded by the Medical Profession to be the most rational means yet discovered of reaching and curing this very prevalent trouble, that is well known to be the cause of untold misery to so many, and upon whom quacks prey with their useless nostrums and big fees. The Remedy is put up in neat boxes, of three sizes. No. 1, (enough to last a month,) $3; No. 2, (sufficient to effect a permanent cure, unless in severe cases,) $5; No. 3, (lasting over three months, will stop emissions and restore vigor in the worst cases) $7. Sent by mail, sealed, in plain wrappers. Full DIRECTIONS for using will accompany EACH BOX.

Send for a Descriptive Pamphlet giving Anatomical Illustrations, which will convince the most skeptical that they can be restored to perfect manhood, and fitted for the duties of life, same as if never affected. Sent Sealed for stamp to any one. Sold ONLY by the

DR. BUTTS' DISPENSARY

Established 1847 at 12 N. 8th Street, ST. LOUIS, MO.

THE Physicians in charge of this old and well known institution are regular graduates in medicine and surgery. Years of Experience in the treatment of Chronic Diseases have made their skill and ability so much superior to that of the ordinary practitioner, that they have acquired a national reputation through their treatment of complicated cases.

INDISCRETION or EXPOSURE Producing such maladies as Syphilis, Gonorrhœa, Gleet, Stricture, Orchitis, all Urinary Troubles and syphilitic or Mercurial affections of the throat, skin or bones, treated with success, on scientific principles, without using Mercury or other Poisonous Medicines.

YOUNG MEN and those of middle age who are suffering from the effects of Spermatorrhœa or Seminal Weakness, the result of self-abuse in youth or excess in matured years, are permanently cured. This disease produces some of the following effects—enormous, bloated, dizzy, nervousness, dimness of sight, cough, consumption, despondency, confusion of ideas, aversion to society, active memory, sexual exhaustion, impotency or loss of manly power, which unfits the victim for business or marriage.

PATENTS TREATED by Mail and Express, CONFIDENTIAL but where possible, personal consultation is preferred, which is FREE and invited. List of questions to be answered by patients desiring treatment mailed free to any address on application.
