I beg that you call special attention to this feature, and urge your County to be a competitor in the contest. Aside from the money involved, County pride should into the matter, and thus show the pro gress of Agriculture in our State.

I take it that the most effective plan would be for the several County Alliances from the Sub-Alliances, to canvass the matter at an early day, and thus become organized, so that by the first of Novembereach County will be able to know what will be shown, and at what Railroad Station shipments will be made. Railroads require prepayment of freight,

but upon its return to the original point of shipment, with the Certificate of the Secretary that the same had been on exhibition, the amount will be refunded.
