If you would like a good English Oyster Stew for 50cts call at Geo. Webb's. A loafer is a good deal like a cork that has been pushed into a bottle. It does no good where it is, and isn't worth fishing out.

The Cheraw & Darlington Railroad has shipped up to September 30, 4,908 bales of cotton. The number for September is 4,499 bales. A number of colored people went to Sumter on Monday to attend the Colored Industrial Fair at that place.

The fountain in front of Mr. C. S. McCullough's house on Pearl Street is now playing beautifully. The wind mill for the water works has been put to work in earnest filling the tank. The pipes will soon be in place.

On October 3rd the largest shipment was made from this express office that has ever been made by the company in one day from Darlington. Dr. J. S. Rice will fill Mr. Willson's appointment at Wesley Chapel on next Sunday. Three hundred bales of cotton were shipped from this point direct to Liverpool, England, by way of Charleston, S. C., on Saturday and Monday. Messrs. W. D. Waters and J. C. Keys were the shippers.

B. W. Wingate, the colored merchant at the depot, has moved into the large store formerly occupied by Mr. J. W. Blackwell, of the firm of Blackwell Bros. A very handsome lamp has been put in front of this store. The oyster season is open, and I will have fine Norfolk oysters three times a week. GEO. WEBB.

Mr. Jas. L. Edwards, secretary of the oil mill, has gone back to his post though still disabled from his accident noticed in our last issue. Mr. Edwards' escape from death was truly wonderful. Fulton market beef, fresh supply in again this week. Call early. WEST & HONOUR.

At a meeting of the session last Sunday morning Elder S. F. Ervin was elected a delegate from the Darlington Presbyterian Church to the South Carolina Synod, which meets in Yorkville next month. Mr. E. S. Pringle, who has large contracts with the Charleston, Sumter & Northern Railroad, has, as we are informed, secured an office in Darlington and will move here very soon.

At the Presbyterian church on Sunday night Mr. C. D. Evans, of the Baptist choir, by special request, sang as a voluntary the beautiful solo "Flee as a bird to yon mountain" with much expression. We hope to hear him again. Mr. E. T. West, of the firm of West & Honour, Grocers, Pearl Street, has gone to Charleston. He will move his family here at once. Darlington extends a warm welcome to all such acquisitions. Will the city by the sea send us a few more of the same sort.

The Stagny Man.

The late Horace Greeley's daughter says: "When a man is so stingy as to borrow a newspaper when he is able to buy, he will talk through his nose to save his teeth."

Don't Blockade the Sidewalks. On Saturday evening last, owing to the blocking of the sidewalks, some ladies had to go out into the street in order to pass in front of Lewenthal & Hennig's store. We call the attention of the town authorities to this matter.

Thanks to the News. Our brother of the Darlington News has the thanks of the community for his article last week on the subject of the delay in the mails. We notice a very decided improvement. Thanks, brother Thompson. Try it again.

Parties wishing a nice oyster fry or stew can have it sent to their residence. GEO. WEBB. Patronize Your Home Paper. The paper that said this spoke by the card: "The home paper is a constant advertisement of the town and section, and, no matter where it is, said in foreign papers, persons desiring to locate in a place first write for sample copies of the town papers. The town is judged by them, hence the importance of giving good patronage to your home paper."

Mr. J. Gillam Law has gone to the Citadel; and the following large delegation will represent Darlington at the South Carolina College: Messrs. D. R. Coker, J. W. James, W. C. Coker Jr., J. D. Millinery Opening. Mrs. John S. Swygert, of Columbia, is to be found at her Millinery Store in THE HERALD Building. She will have her regular Fall Opening on next Friday, October 10th. Mrs. Swygert comes to us with a recommendation too well known for any praise from our pen. The ladies have already found her out, but we beg that they remember the date—October 10th.

Lea Perrin Sauce, 1/2 pt bottle 30cts qt, qt bottle 90cts; Riverside Cataup 25cts; Capres Capotes 25cts. WEST & HONOUR. Hon. Mr. Billy Goat. A sweet girl graduate, says an exchange, thus described the manner in which a goat butted a boy out of the front yard: "He hurled the previous end of his anatomy against the boy's forehead with an earnestness and velocity which, backed by the ponderosity of the goat's avoirdupois, imparted a momentum that was not relaxed until he landed on terra firma beyond the pale of the Hon. Mr. Billy Goat's jurisdiction."

A Straightout Ticket. The Columbia correspondent of the News and Courier says: "It is generally conceded that the Straightout Convention of Thursday will nominate Judge Haskell for Governor, and put up a State ticket composed largely of new material. Advice received from various sections of the State indicate that such a ticket will receive enthusiastic support of thousands of Democrats, and it is regarded as almost certain that the Republicans will endorse it."

He Must Now Recede. "We are pleased to note that the Darlington Guards presented Gen. Bonham with a beautiful silver pitcher on his visit there, Capt. C. S. Nettles making the presentation speech." Sumter Advance. Our friend of the Advance has at last "taken a position" from which he must recede, as no such presentation was made. Put on your spectacles, brother Darr, and read THE HERALD more closely.

Palmetto Points.

The weather was fair Monday. Crops are better than was expected they would be. Dr. and Mrs. Rutledge were in the city Monday evening. Palmetto is solid for Col. W. H. Evans for School Commissioner. Farmers are making ready to plant oats and rye, although they are very busy yet with their hay crop.

Mr. J. J. James left Palmetto on Tuesday evening for Conwayboro, to attend a meeting of Presbytery. We have had some very foul weather for the last two weeks. The cotton has been considerably damaged. Mr. J. W. James left for Columbia on Monday, where he will continue his mechanical course in the South Carolina College.

Hon. E. R. McIver carried two very fine stalks of cotton to Columbia on Tuesday. They were the largest I have ever seen. Mr. R. L. Edwards left Wednesday for Columbia, where he will pursue the mechanical course in the University. We regret to see him leave.

The detective, "Mr. Chill," came up to Palmetto last Thursday and caught Messrs. T. H. and R. L. Edwards and "jess shak em" and went back home. Quite a number of young ladies left Palmetto last week for different colleges. I do not know where any of them went, and all I regret is that I did not see them.

Your correspondent has recently been through the tobacco section of North Carolina. There he saw the finest crop of tobacco in all his experience in that section for body, color and texture. Those planters have certainly succeeded well. Although I had cured one barn before they finished planting, they get there all the same. The markets are duller and tobacco bringing less than I ever knew before. Everywhere I went everybody was wrapped up head and ears in the Alliance, the ladies not excepted—all wearing badges of the order. I did not see a single bale of cotton covered with jute beyond Raleigh; they use cotton bagging or old bags of various descriptions for wrapping. They buy all their groceries through the Alliance Trade Agent, and the one horse farmer gets his goods as cheap as the merchant gets his from the wholesale dealer. Let our farmers do likewise. Hope the Alliance will have some more policies when I go back.

We have an elegant line of fancy confectionery, just in; buns, buns, chocolate assorted, crystallized fruits, &c., &c. WEST & HONOUR. Items from Cypress. Misses Maggie Parham, of Lynchess River, and A. Ryanhart, of Oats, are visiting at this place. We had two marriages in Cypress last week, and both couples look as happy as jay birds in June. We are having some clear weather and sunshine, and the farmers are making good use of it picking cotton and saving hay.

Mr. J. A. DuBose is agent for the famous Plymouth Rock Pants and Clothing Company, of Boston, and any one wanting pants or nice suits would do well to call on him. He guarantees a good fit and workmanship. Cypress is a great farming section. One farmer says that he will make a bale of cotton to the acre without any fertilizer; he also says that he believes that he would have made two bales had he used a hundred pounds of kainit. We have heard of others who have done better than that, having already picked two thousand pounds an acre. Mr. S. C. Parnell has ginned about four hundred bales up to October 6th. Many of our farmers say that if Tillman don't hurry up and send on the money that he was going to get for them at 1 per cent they want need it.

Col. Evans' Announcement.

TO THE VOTERS OF DARLINGTON COUNTY: I beg to announce to you that I am still a candidate for the office of School Commissioner. I am not an independent candidate, but I claim to be the nominee of the Convention. I was not present at it but I was twice nominated, fairly and honestly, first by the ayes and secondly by the standing vote. If this be so I appeal confidently to the people to do justice to me. The office of School Commissioner should depend solely upon the character of the man and his qualifications as a teacher. You have my record before you. Let me be judged by it. Yours very respectfully, W. H. EVANS.

The State Fair. On page 10 of the Premium List of the State Agricultural and Mechanical Society for the present year, will be found the offer of Premiums amounting in the aggregate to \$500, for the Counties making the best display of County Products, to be shown at the Fair November 10, 1890. The requirements are: "To the County making the Best and Largest Display of Products grown or produced by residents of the County, a great many will be awarded as follows: 1st Premium, \$250; 2nd Premium, \$150; 3rd Premium, \$100; in all, \$500. All Grain must be shown in quantities not less than one-half bushel. The judges making the award in this contest, will consider first, Quality; second, Quantity; third, Variety; and fourth, Arrangement. Articles for the County display will not count in the Individual Premium."

I beg that you call special attention to this feature, and urge your County to be a competitor in the contest. Aside from the money involved, County pride should stimulate our farmers to enter heartily into the matter, and thus show the progress of Agriculture in our State. I take it that the most effective plan would be for the several County Alliances from the Sub-Alliances, to canvass the matter at an early day, and thus become organized, that by the first of November each County will be able to know what will be shown, and at what Railroad Station shipments will be made. Railroads require prepayment of freight, but upon its return to the original point of shipment, with the Certificate of the Secretary that the same had been on exhibition, the amount will be refunded. I will be pleased to furnish a copy of the Premium List to all who may apply to Thos. W. HOLLOWAY, Secretary, Pomaria, S. C.
