our venerable soldier and statesman. statesman; you have no manhood, no gratitude-down with you! Hampton so long as he lives, and he has some of the same blood that followed

ton's retirement. "Let me warn you: Hampton's retirement, to those who are working for it, will prove to the friends of his Wait For Developments.

We see some talk touching the reorganization of the party in the News The Navasato Tablet says: "One and Courier and elsewhere. In our of our friends wants to know if we opinion all this talk is entirely too have ever seen a bald headed woman. previous and any effort in that direction just now, or for many months to come, is exactly the way "not to

The wounds from which the Dema cigar between her teeth stepping ocratic party of the State has suffered are too fresh to hope for anything like wise and prudent action for many months to come. Besides this, much depends upon the temper and action of the Legislature, about to assemble that all talk about reorganization just now is discussing a very grave political proposition whilst we are still in the dark about what is best and what is possible. We could mention several important things which may transpire in the incoming Assembly and which would set us all badly adrift.

Our advice, then, is to let all discussion about reorganization severely number of years has been the popular the tone and temper of the incoming Legislature it is utterly impossible to know what is best to be dons.

We purposely forbear specifying what we have above alluded to as calnew field of labor. Mr. Smith has a culated to set us adrift, because we do host of friends in this section who not think it is wisest and best just regretted to see him leave, and he now to parade these issues before the people. It is, nevertheless, best to wait for the wagon and see how it is going to be run. We hope for the and will resist to the death anything like a revolutionary conduct of things. Let the reorganization question alone, then, until we see on what basis re-A special telegram from Raleigh organization is possible. Let us just to the Wilmington, N. C., Messenger try to get together as individuals, and when we have restored a friendly feeling between individuals it will be quite time enough to talk about reorganizatien.

The Sumter Institute

Founded 1867. Chartered 1888. The twenty-third collegiate year of this school for young ladies begins Thursday, September 4th, 1890, and closes June 13th, 1891.

Sumter has special advantages from its railroad connections, its healthfulness, and its social and religious privileges.

It is the purpose of the Principals to make the Institute, as near as practicable, a well regulated Christian home, and its course of study equal in all respects to that of the best female colleges in this

For terms and more detailed information, as to course of study and expenses, the public is referred to our printed circulars. These may be obtained by addressing "The Sumter Institute, Sumter, S. C." All communications thus adlressed will receive prompt attention.
