ORANGEBURG, S. C., DECEMBER 12, 1079.

Charleston Election.

'was dethroned and Democracy was Direct once more in control of of greater significance to our people than the municipal election held in that campaign the people, who had savings. The first movement in this dibecome tired of the oppression they at the expense of the citizens, so in and complete inventory of all moneys, word and deed. Charleston, there was a community claims and assets belonging to the of sentiment and interest among her Savings bank; r quiring the Treasupeople, which rallied at the polls to rer to sell all personal and real estate wrest the City from confusion and the of the company composing the bank; hands of those who sought to build and after six months to pay to the themselves up upon her ruin. As depositors the balance of deposits Gen. Hampton on that occasion bore that may have been paid into his the standard of true Democracy, through the most terrible opposition, to victory; so Capt. Courtenay on plete the payments, to meet the ends this lead the party of Honest govern of justice, and, thus in some measure represent and acound principles to a suc. to wipe out the stain on the goverless "as grand as that" achieved in ment put upon it by Northern Repub-1876. A defeat at that time would have been most disastrous, resulting ultimately in the disintegratron of the Democratic party by giv- ored people who are their friends, and ing an indefinite lease of power to our which party is more prompt in doing unscrupulous opponents; so defeat in them justice and awarding them all the late municipal election would the rights under the law and constituprove to be ruinous to our hopes by giving prominence and influence to In- test their appreciation of the man who dependentian that would finally destrey our party organization it would and their confidence in the party have been a calamity to the entire State. Victory, on the one occasion, was death to Radicalism; so in this,

we trust, it will be death to Inde-

1 The result of this Charleston elec. perform successfully this great duty tion brings out a few facts which the will depend very much upon the colthis feeted portion of our citizens, ored vote of the South which we feel might remember: First, that our people, notwithstanding the hue and cry against it, correctly understand the importance of party organization and will not allowit to be broken up by the schemes of those who oppose Democracy ; that the influence of principle exercises a greater power over the masses than that of leaders work , have leased them from the State duing for selfish ends; and that the day for fraud and bull-dozing, on the part ports battrue, it is bad enough and of politicians on election occasions, is emited in South Carolina." These facts, established as they 'are by this ugel: into the folds of their party, those who have wandered away under false fripressions and make them firm adherents to the principles controlling the conduct of their fellowand bonest' discussion of differences and a firm restlee to abide by the decision of the party: In view of the stubborn opposition to be overcome a'charse is the only sensible one and this policy been pursued there would our people, it is impossible for the have arisen no occasion for a split in State to aid to any considerable extent the Charleston Democracy or for reproaches of one party against another, canals, or other internal improve-It is very hisportant that the feelings of bitterness, engendered by this contest, should soon die out, and that the party hereafter stand as a unit not only in Charleston but throughout the ctate, and with all the force honor of the State and the welfare of by the almost superhuman efforts of of a firm organization be prepared to the convicts may demand. Indeed the firemen. The loss aggregated enter upon the political contest of we take it to be nothing amise to about \$21,500; insurance \$22,800. next fall,
