LIGHTNING SEWER
THE NEW WILSON Oscillating Shuttle SEWING MACHINE
Is wonderful in its conception, unprecedented for doing a large range of sewing in textile fabrics and leather. Its motions are continuous, admitting of an extraordinary rate of speed, either by steam or foot power. Every motion of the treadle makes six stitches, thus producing about one-third more work in a day than other Sewing Machines. It has no stop motions, and tightens the stitch with the needle out of the fabric. It uses the well-known Wilson Compound Feed on both sides of the needle. It has two-thirds less parts than any other first-class Sewing Machine. Its arm is fully eight and one-half inches long and five and one-half inches high, and the whole Machine is very compactly and scientifically constructed in proportions, elegance, design and appearance. Its simple, powerful and perfect mechanism places it as far in advance of all other Sewing Machines as the needle out of the fabric. The WILSON MENDING ATTACHMENT for repairing all kinds of textile fabrics WITHOUT PATCHING, furnished FREE with all WILSON SEWING MACHINES, together with a Tucker, Ruffler, Corder, Set of Hemmers, Binder, etc.

These Machines are on exhibition and for sale by

THE BEST REMEDY
FOR
Diseases of the Throat and Lungs.
AYER'S CHERRY PECTORAL.
Diseases of the pulmonary organs are so prevalent and fatal that a safe and reliable remedy for them is invaluable to every community. Ayer's Cherry Pectoral is such a remedy, and no other so eminently meritorious. It is a scientific combination of the medicinal principles and curative virtues of the finest drugs, chemically united, to insure the greatest possible efficiency and uniformity of results, which enables physicians as well as invalids to use it with confidence. It is the most reliable remedy for diseases of the throat and lungs that science has produced. It strikes at the foundation of all pulmonary diseases, affords prompt and certain relief, and is adapted to patients of any age or either sex. Being very palatable the youngest children take it without difficulty. In the treatment of ordinary Coughs, Colds, Sore Throat, Bronchitis, Influenza, Clergymen's Sore Throat, Asthma, Whooping Cough, and Catarrh, the effects of Ayer's Cherry Pectoral are magical, and multitudes are annually preserved from serious illness by its timely and faithful use. It should be kept at hand in every household, for the protection it affords in sudden attacks. In Whooping-cough and Consumption there is no other remedy so efficacious, soothing, and helpful.

THE WHITE SEWING MACHINE

Unrivalled in Appearance,
Unparalleled in Simplicity,
Unsurpassed in Construction,
Unprecedented in Popularity,
And Undisputed in the Broad Claim
OF BEING THE
VERY BEST OPERATING
QUICKEST SELLING,

Most Perfect Sewing Machine
IN THE WORLD.

The great popularity of the White is the most convincing tribute to its excellence and superiority over other machines, and in submitting it to the trade we put it upon its merits, and in no instance has it ever yet failed to satisfy any recommendation in its favor.
The demand for the White has increased to such an extent that we are now compelled to turn a complete Sewing Machine every three minutes in the day to supply the demand.
Every machine is warranted for 3 years, and sold for cash at liberal discounts, or upon easy payments, to suit the convenience of the customer.
