Mr. George R. The end of this famous struggle which has extended over two legislative session will go into history as the most memorable Kentucky has ever known. It has cost the State making him a costly luxury. The new Senator is a gold standard ad

Our Indiantown correspondent calls attention to the fact that all along the road from Indiantown postoffice to Rhems, the road is in a bad condition. There has always been questions raised as to whether it would .25 te better to elect United States senators by a direct vote of the people or by the legislature, as is now done.
