The latest Democratic view of the tariff boiled down seems to be...

We do not approve of hog stealing, but if you will persist in it, we want some of the hog.—Keowee Courier, Walhalla, S.C.

Ben Tillman is preparing a speech on the tariff, and when he delivers it, watch out for the fur that will be flying through the air. He will fill Washington's atmosphere with a sulphurous odor.—Manning Times.

Even at this early stage of the hostilities no man can read the names of Greek and Turkish persons and places without realizing that there is bound to be a high mortality rate among composers and proof readers.—New York Mail and Express.

Politics are becoming more tangled in this State and The Sun does not profess to thoroughly understand the situation. An authority has declared that there is a break in the Reform ranks. If George Koester was the Jonah he seems to have "bobbed up serenely."—Charleston Sun.

If those war correspondents in the Far East would only get to gether every night before sending off their reports, the reading public would not be puzzled to account for the strange impression left on their innocent minds that the same battles are won by both Greeks and Turks.—Columbia Register.

If the Greeks and Turks would load their cannon with some of the names of places and generals and shoot them, there would be a wholesale slaughter. Think of a big gun loaded with these names: Kenhaleion, Damaze, Gritxovalli, Smolenize, Roughazi, Mavodmochale, Knoiskos, Pachy-stator.—Greenville News.

The Republican members of the Senate Finance committee are still trying to railroad the tariff bill through the full committee, but the Democratic minority has placed torpedoes on the track, and spiked a red flag in the ties, and the tariff train will have to come to a standstill until the Democratic members say it can go ahead. This is as it should be.—Columbia Register.

The publisher of a newspaper has one thing to sell and one thing to rent. He has the newspaper to sell and the space in the columns to rent. Can anyone inform us why he should be expected to give away either the one or the other? He can if he so chooses, and he does, as a matter of fact, furnish a great deal of space rent free. But it does not follow that he ought to be expected to do so. It ought to be recognized as a contribution, exactly as would be the giving away of sugar or coffee by a grocer. But, strange to say, it is not looked upon in that light at all, yet everybody knows that the existence of a newspaper depends upon the rent of its space and the sale of the paper; as a merchant's success depends on selling his goods instead of giving them away.—Copy Hook.

Best Remedy for Rheumatism. From the Fairhaven N. Y. Register. Mr. James Rowland of this village states that for twenty-five years his wife has been a sufferer from rheumatism. A few nights ago she was in such pain that she was nearly crazy. She sent Mr Rowland for the doctor, but he had read of Chamberlain's Pain Balm and instead of going for the physician he went to the store and secured a bottle of it. His wife did not approve of Mr. Rowland's purchase at first, but nevertheless applied the Balm thoroughly and in an hour's time was able to go to sleep. She now applies it whenever she feels an ache or pain and finds that it always gives relief. He says that no medicine which she had ever used did her as much good. The 25 and 50 cent sizes for sale by Dr. W. L. Wallace druggist.

Why take Johnson's Chill & Fever Tonic? Because it cares the most stubborn case of Fever in ONE DAY.

Girlhood and young womanhood are such pure and sweet and beautiful things when they are what God intended them to be that it fills one with unspeakable regret to see a young girl's life falling short of its appointed beauty. And every young girl's life falls short of beauty if it lacks in modesty, in dignity, in purity of thought and speech, gentleness and kindness. The bold girl of pronounced dress and speech, the girl who sets at naught the opinions of others, the girl who is noisy and who seeks to be "dashing" the girl whose parent sorrowfully admit that she is "beyond them,"—this girl's treading on dangerous ground and her life is galling far shor of the appointed beauty and sweetness of girlhood.—Ex.

According to the newspaper, an Ohio husband became the happy father of seven children not long ago. Of the seven all lived but one. It is to be hoped he laid in a supply of Chamberlain's Cough Remedy, the only sure cure for croup, whooping-cough, colds etc., so insured his children against these diseases. For sale by Dr. W. L. Wallace, druggist.

A Kansas preacher is trying to collect \$5.00 for praying for the populist legislature! He probably thinks there is no reward in heaven for such an act, and therefore it is now or never.—State.

Johnson's Chill and Fever Tonic is a ONE-DAY Cure. It cures the most stubborn case of Fever in 24 Hours.

The Westfield (Ind.) News prints the following in regard to an old resident of that plabe: "Frank McAvoy, for many years in the employ of the L. N. A. & O. Ry. here, says: 'I have used Chamberlain's Colic, Cholera and Diarrhoea Remedy for ten years or longer—am never without it in my family. I consider it the best remedy of the kind manufactured. I take pleasure in recommending it.' It is a specific for all bowel disorders. For sale by Dr. W. L. Wallace.

Attention, Veterans! Editor, County Record: Will you please announce in your next week's paper that the veterans of Camp Pressley are requested to meet in Kingstree on May 10th at 12 o'clock, to join in decorating the Confederato graves, and to hear addresses by some of our comrades. D. E. Gordon. Lanes, April 23th.

"It is the Best on Earth." That is what Edwards & Parker, merchan's of Plains, Ga., say of Chamberlain's Pain Balm, for rheumatism, lame back, deep seated and muscular pains. Sold by Dr. W. L. Wallace, druggist.

Johnson's Chill and Fever Tonic is a ONE-DAY Cure. It cures the most stubborn case of Fever in 24 Hours.

Cold Breakers! Cold Breakers! Three or four doses in time will stop "grippe" or kill a fresh cold. 25c. per box. Sold by Dr. D. C. Scott. 3m. Why send off for your job printing when you can get it done just as cheap and get as good work right at home? Patronize home industries and get the work on shorter notice. Give us a trial.

Quinine and other fever medicines take from 5 to 10 days to cure fever. Johnson's Chill and Fever Tonic cures in ONE DAY.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional treatment, Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system thereby destroying the foundations of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address, F. J. CHENNEY & CO., Toledo, O. Sold by Druggists, 75c.

All the latest styles in job printing can now be done in The County Record office.

Ladies Who Suffer From any complaint peculiar to their sex—such as Profuse, Painful, Suppressed or Irregular Menstruation, are soon restored to health by Bradfield's Female Regulator.

It is a combination of remedial agents which have been used with the greatest success for more than 25 years, and known to act specifically with and on the organs of Menstruation, and recommended for such complaints only. It never fails to give relief and restore the health of the suffering woman. It should be taken by the girl just budding into womanhood when Menstruation is Scant, Suppressed, Irregular or Painful, and all delicate women should use it, as its tonic properties have a wonderful influence in toning up and strengthening the system by driving through the proper channels all impurities.

"A daughter of one of my customers missed menstruation from exposure and cold, and on arriving at puberty her health was completely wrecked, until she was twenty-four years of age, when upon my recommendation, she used one bottle of Bradfield's Female Regulator, completely restoring her to health." J. W. HILLMAN, Water Valley, Miss. THE BRADFIELD REGULATOR CO., ATLANTA, GA. SOLD BY ALL DRUGGISTS AT 25 CENTS PER BOTTLE.
