A Party Gone Mad.

The warm summer season is coming on, and the Democrats have little to do but gather in the weapons their enemies are so freely supplying them. It seems to us that a party never before marched so deliberately to its own overwhelming overthrow as the Republicans are now doing. They have had a full measure of power and ample opportunity to use it, but they have done nothing but tinker at a ridiculous tariff, keep the business of the country unsettled and grind their own particular axes. The great and crying need of the country currency reform, has not been touched.

The financial condition of the Union has not improved a particle and the discontent of the people has increased, and justly increased. The great Republican majorities of last summer are melting like snow under a summer sun. If Bryan were running against McKinley to day he would sweep the country.

Meanwhile the silver sentiment is steadily widening and strengthening. This opinion is confirmed by all our correspondents and by the letters we are receiving from subscribers. The Republicans seem to be blind to the fast-rising tide of public opinion against them. Perhaps it is another exemplification of the truth of the old proverb that whom the gods would destroy they first make mad.—New York world.

Among the interesting political rumors now afloat is one to the effect that Senator Tillman and ex-Governor Evans are "out" with each other, and some of the politicians are beginning to wonder what it all means, as the general opinion has been that heretofore the two were like peas in a pod politically, personally and otherwise. During the last canvass for the United State Senatorship the Senator apparently did all he could to secure Governor Evans election, but it is said that some private letters written by the Senator, in which he urged Evans' nomination for political rather than public reasons, have come to light and this has caused a coolness between the two. The Register does not vouch for the story but prints it as one of the pieces of current political gossip of the day.—Columbia Register.

JOHNSON'S CHILL AND FEVER TONIC

Cures Fever In One Day.

The Rev Thomas Dixon, Jr. of New York, said last Sunday: "If there is an intellectual runt in the family, who is of no earthly use for anything else, the parents make a preacher of him." The Kansas City World says: The Rev Thomas is yet in prime of life, and it is not too late for him to change his vocation if he thinks his parents made a mistake in his case.

Best Remedy for Rheumatism.

From the Fairhaven N. Y. Register. Mr. James Rowland of this village states that for twenty-five years his wife has been a sufferer from rheumatism. A few nights ago she was in such pain that she was nearly crazy. She sent Mr Rowland for the doctor, but he had read of Chamberlain's Pain Balm and instead of going for the physician he went to the store and secured a bottle of it. His wife did not approve of Mr. Rowland's purchase at first, but nevertheless applied the Balm thoroughly and in an hour's time was able to go to sleep. She now applies it whenever she feels an ache or pain and finds that it always gives relief. He says that no medicine which she had ever used did her as much good. The 25 and 50 cent sizes for sale by Dr. W. L. Wallace druggist.

Mr H. W. J. Ham, of Georgia, tells this story: "They brought a prisoner down to Atlanta from Northern Georgia who'd been caught reneuing. That's what they call it down where I live. The fellow had never been in a city before and looked at the stone paving of the street with great interest. At last he said: 'It's a good thing they built a city in this place. It isn't worth a carn for farming land. Look at the rocks.'"

Quinine and other fever medicines take from 5 to 10 days to cure fever. Johnson's Chill and Fever Tonic cures in ONE DAY.

According to the newspaper, an Ohio husband became the happy father of seven children not long ago. Of the seven all lived but one. It is to be hoped he laid in a supply of Chamberlain's Cough Remedy, the only sure cure for croup, whooping-cough, colds etc., so insured his children against these diseases. For sale by Dr. W. L. Wallace, druggist.

If Senator Ben Tillman had his way he would simply jam the Sugar Trust into a dark closet and keep it there until it promised to be good. Tillman is scarcely less angry now than he was last fall, when he threatened to seize the United States Supreme Court by the neck and drag it off the bench.—New York Mail and Express.

Why take Johnson's Chill & Fever Tonic? Because it cures the most stubborn case of Fever in ONE DAY.

"It is the Best on Earth."

That is what Edwards & Parker, merchant of Plains, Ga., say of Chamberlain's Pain Balm, for rheumatism, lame back, deep seated and muscular pains. Sold by Dr. W. L. Wallace, druggist.

The publishers of Ir R Hicks' papers, Word and Works, propose to send a copy of the paper five months to new subscribers as a trial order for 25 cents, and in addition thereto give each trial subscriber free a copy of a little book of 64 pages, which contains select chapters of a work by Mr. Hicks, which he claims is the crowning glory of his life. The price of the book alone is 25 cents, will send both for a quarter sent to Word and Works, 2201 Locust street, St. Louis, Mo.

Johnson's Chill and Fever Tonic is a ONE-DAY Cure. It cures the most stubborn case of Fever in 24 Hours.

The Westfield (Ind.) News prints the following in regard to an old resident of that place: "Frank McAvoy, for many years in the employ of the L. N. A. & O. Ry. here, says: 'I have used Chamberlain's Colic, Cholera and Diarrhoea Remedy for ten years or longer—am never without it in my family. I consider it the best remedy of the kind manufactured. I take pleasure in recommending it.' It is a specific for all bowel disorders. For sale by Dr. W. L. Wallace.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional treatment, Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system thereby destroying the foundations of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

Address, F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c.

Woman's Diseases

Are as peculiar as unavoidable, and cannot be discussed or treated as we do those to which the entire human family are subject. Menstruation sustains such important relations to her health, that when Suppressed, Irregular or Painful, she soon becomes languid, nervous and irritable, the bloom leaves her cheek and very grave complications arise unless Regularity and Vigor are restored to these organs.

Bradfield's Female Regulator Is a receipt of one of the most noted physicians of the South, where troubles of this sort prevail more extensively than in any other section, and has never failed to correct disordered Menstruation. It restores health and strength to the suffering woman.

"We have for the past thirty years handled Bradfield's Female Regulator, both at wholesale and retail, and in no instance has it failed to give satisfaction. We sell more of it than all other similar remedies combined."

LAMAR, RANKIN & LAMAR, Atlanta, Macon and Albany, Ga. THE BRADFIELD REGULATOR CO., ATLANTA, GA. Sold by all Druggists at \$1.00 per Bottle.
