## PRESS CLIPPINGS.

The latest fad in colored excursions is to present each passenger with a watermelon.

Editing a paper rightly this hot weather is flying in the face of Providence.—Aiken Journal.

Some people are worrying themselves about Tillman and his succession. This is needless worry, as Tillman can well afford to take care of himself and will be his own successor.—Orangeburg Times and Democrat.

When you come to think of it, doesn't it seem queer that Governor Ellerbe would decline to reprimand General Watts, who made a serious blunder, but dismiss from the military service the two privates.—Camden Messenger.

Col. Willie Jones is the only man who has made a financial success of the Dispensary, and his vindication gives the hope that its affairs will again be placed in his hands.—Greenville Mountaineer.

There is a great deal of curiosity to know what position Senator Tillman will take in regard to the Senatorial race. There are some who think that the old-time triumvirate of Tillman, Irby and Evans will be re-established to all its glory.—Aiken Journal.

It is the simple statement of a fact to say that Senators Tillman and McLacrin saved more money to the cotton growers of their State and South by having cotton baling and ties restored to the free list than Messrs Irby and Evans could count if they both devoted the rest of their lives to that business and counted as fast as they could for twenty-four hours each day.—News and Courier.

Mr. Irby should keep his temper better. It won't do to get rattled when the crowd cheers for McLacrin. McLacrin in Congress has made a magnificent record. He went to the top, while Irby in the Senate was a dismal failure. If the people sometimes show a disposition to cheer the gentleman with curly hair, Mr. Irby can have the satisfaction of re-lecting upon the time when they bowled Hampton down for him.—Spartanburg Herald.

The factional conflict in this State has in at least one respect been of lasting benefit to the State. It is not to Reformers, it is not to the Conservatives that the credit should be given for making the people of the State take more intelligent interest in political affairs of the State. The discussions, the thought, the reading, that brings a broader knowledge must needs follow such a political revolution as we have passed. And this step once made will not be retraced. It is well said that revolution never goes backward. The knowledge that comes by experience, the fact that comes by experiment, the virtue that arises from the troubling of waters will not depart from the individual life of the recipient.—Conway Independent Republican.

In the good old days of honesty and ignorance, when militia captains gave orders thus, "Charge bayonets." "Turn round here these boys, like a big gate." there was there was considerable amount of fun, but the militia of that day, ridiculous as it sometimes was, never perpetrated anything so foolish as did Gen. Watts on the college boys.—Spartan.

The People's Party Paper.

There are scores of self-styled reform papers whose editors are hustling to reach the pie counter. There are others whose editors are as true to populism as the needle to compass. It really refreshes one to read such a paper and makes us hopeful that the People's cause will soon triumph. Such a paper comes out every week in a new clean, well printed dress and is a valuable aid in keeping us posted on the populist news of the day. It is not a local, but a national paper—a mirror of what all the party is doing all doing all over the Union.

It's crisp well edited news columns are read line by line, but above all its bright, sparkling, brainy, soulstirring editorials. These make it famous all over the land. Do you read this paper? You should if you are a populist a straight middle-of-the-roader. It is the People's Party Paper, published at Atlanta, Ga., and its editor, is Hon. Thomas E. Watson, "Our Tom" as he is known to ten of thousands of populists. If you are not a subscriber send three stamps for a roll of back copies, or send one dollar and it will come to you every week for a year.

Better be called a fool for doing right than be called a fool for not doing right.

He who is ashamed of his poverty would be equally proud of his wealth.

The department of "Current History in Cartoons" in the American Monthly Review of Reviews for July reproduces a series of recent Punch cartoons, by Sir John Tenniel, who is now in the forty-seventh year of his work for the British comic weekly.

The umpire of a base-ball game would often like to make a home run himself.

Mr. C. L. Hasbrouck, a druggist at Mendon, Mich., says all of the good testimonials that have been published by the manufacturers of Chamberlain's Colic, Cholera and Diarrhoea Remedy could be duplicated in that town. For sale by Dr. W. L. Wallace, Druggist.

Beware of Ointment for Catarrh that Contain Mercury.

As mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surface, such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and is made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free. Sold by all Druggists, price per bottle, 75c.

Discontent is the want of self reliance; it is infirmity of will.

If you don't believe that beauty is only skin-deep, observe a pretty girl when she has a badly suburban nose.

### Quinine and other fever medicines take from 5 to 10 days to cure fever. Johnson's Chill and Fever Tonic cures in ONE DAY.

A cheerful face is nearly as good for an invalid as healthy weather.

Bald heads are becoming too frequent among the middle aged. This can be prevented by the timely use of Hall's Vegetable Sicilian Hair Renewer.

Words are worse than blows and heal more than balsams.

Reasons Why Chamberlain's Colic, Cholera and Diarrhoea Remedy is Best.

1. Because it affords almost in case of pain in the stomach, colic and cholera morbus.
2. Because it is the only remedy that never fails in the most severe cases of dysentery and diarrhoea.

If you give the Lord pennies and the devil dollars you are throwing away your coppers.

### GETTING READY

Every expectant mother has a trying ordeal to face. If she does not

Nature is not given proper assistance.

### Mother's Friend

is the best help you can use at this time. It is a liniment, and when regularly applied several months before baby comes, it makes the advent easy and nearly painless. It relieves and prevents "morning sickness," relaxes the overstrained muscles, relieves the distended feeling, shortens labor, makes recovery rapid and certain without any dangerous after-effects. Mother's Friend is good for only one purpose, viz.: to relieve motherhood of danger and pain.
