PRESS CLIPPINGS.

Ex-Senator Irby will find slow business getting to the Senate by abusing and casting insinuations against Governor Ellerbe—a man who is head-shoulders above any man yet put forward by the Reformers.

It will be the duty of every democrat to vote in the coming primary. While none of the candidates for Senatorial honors is ideal, there are some so positively unfit for the high office to which they aspire that it will be the duty of all good citizens to relegate them to the rear.

Slandering the South.

The Washington Post, one of the ablest and brightest papers in the country, tells those newspapers in the Northwest that are lying about the South that their scheme will not succeed. These journals, alarmed and disgruntled at the steadily flowing tide of emigration from their section to Georgia and other Southern States, attempt to stem it by the most reckless misrepresentations of our section and our people.

JOHNSON'S CHILL AND FEVER TONIC

Cures Fever In One Day.

In a lecture Dr. J. B. Gambrell gave the following good advice, which ought to have a wide circulation and be followed: If I were giving advice to young men about getting married, in the first place I would say, look out for the family. There are families and families. There are some people you would not like to have akin to you.

"Look out for the family first. Do not wait until you have fallen in love before you look out. Look out at the start. Don't go around a pretty girl, unless you are willing to fall in love, because it is dangerous, I tell you."

A relative of mine, a young man of excellent parentage and himself a noble character, married a young woman whose family was far inferior to his; they had a low order of mind and morals; although the young woman, at the time of the marriage, seemed to be quite respectable; but before the husband died he saw a great deal of trouble from the wife, who turned out bad.

You may hunt the world over and you will not find another medicine equal to Chamberlain's Colic, Cholera and Diarrhoea Remedy for bowel complaints.

Educate Your Bowels With Cascarets. Candy Cathartic, cure constipation forever.

The department of "Current History in Cartoons" in the American Monthly Review of Reviews for July reproduces a series of recent Punch cartoons, by Sir John Tenniel, who is now in the forty-seventh year of his work for the British comic weekly.

Don't Tobacco Spit and Smoke Your Life Away. To quit tobacco easily and forever, be magnetic, full of life, nerve and vigor, take No-To-Bac.

Mr. C. L. Hasbrouck, a druggist at Mendon, Mich., says all of the good testimonials that have been published by the manufacturers of Chamberlain's Colic, Cholera and Diarrhoea Remedy could be duplicated in that town.

Chamberlain's Eye and Skin Ointment. It unequalled for Eczema, Tetter, Salt Rheum, Scald Head, Sore Nipples, Chapped Hands, Itching Piles, Burns, Frost Bites, Chronic Sore Eyes and Granulated Eye Lids.

TO HORSE OWNERS. For putting a horse in a fine healthy condition try Dr. Cady's Condition Powders. They tone up the system, aid digestion, cure loss of appetite, relieve constipation, correct kidney disorders and destroy worms, giving new life to an old or over-worked horse.

Beware of Ointment for Catarrh that Contain Mercury.

AS mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surface, such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them.

TO THE PEOPLE OF THE 6TH CONGRESSIONAL DISTRICT OF SOUTH CAROLINA:

It is with sorrow that I am forced to acknowledge my inability to undergo the strain of this contest for a seat in Congress. When I consented to become a candidate I did so hoping the committee would order but one meeting in each county, and the schedule they have made it about 1,000 miles of travel and twenty-two meetings.

Quinine and other fever medicines take from 5 to 10 days to cure fever. Johnson's Chill and Fever Tonic cures in ONE DAY.

Reasons Why Chamberlain's Colic, Cholera and Diarrhoea Remedy is Best.

- 1. Because it affords almost in case of pain in the stomach, colic and cholera morbus. 2. Because it is the only remedy that never fails in the most severe cases of dysentery and diarrhoea. 3. Because it is the only remedy that will cure chronic diarrhoea. 4. Because it is remedy that will prevent bilious colic. 5. Because it is the only remedy that will cure epidemical dysentery. 6. Because it is the only remedy that can always be depended upon in cases of cholera infantum. 7. Because it is the most prompt and most reliable medicine in use for bowel complaints. 8. Because it produces no bad results. 9. Because it is pleasant and safe to take. 10. Because it has saved the lives of more people than any other medicine in the world.

If you give the Lord pennies and the devil dollars you are throwing away your coppers.

MOTHER! There is no word so full of meaning and about which such tender and holy recollections cluster as that of "MOTHER"—she who watched over our helpless infancy and guided our first tottering step.

Mother's Friend so assists nature in the changeful place that the Expectant Mother is enabled to look forward without dread, suffering or gloomy forebodings, to the hour when she experiences the joy of Motherhood.

MOTHER'S FRIEND "My wife suffered more in ten minutes with either of her other two children than she did altogether with her last, having previously used four bottles of 'Mother's Friend.' It is a blessing to any one expecting to become a MOTHER," says a customer.
