PRESS CLIPPINGS.

The south, naturally the richest section of the Union, is the poorest in development.—New Orleans Picayune.

The harvest song this fall is a psalm of real thanksgiving.—Baltimore American.

The senatorial fight in South Carolina is almost as interesting as a case of mumps on a full grown man.—Chicago Times-Herald.

Senator Stewart climbs into the prosperity band wagon, but he wants it understood he isn't one of the hornblowers.—Chicago Tribune.

If Tiltman is really in earnest in his determination to fight the devil, we are not going to put any bets on Old Nick.—Kansas City Times.

The treasury is to be guarded by charged electric wires, but no connection has yet been made to give congress a shock when it is extravagant.—St Louis Globe-Democrat.

A North Carolina man was fined \$5 for digging in his garden on Sunday. Thus the law can raise money on Sunday, but you can't raise vegetables.—Atlanta Constitution.

A West Virginia lawyer says Judge Jackson's injunction against the striking miners is merely a scarecrow. Viewed even in this light, it is not a striking success.—Boston Transcript.

The adventurers who at Juneau have decided to turn back and what for spring may have weaker hearts than their companions who go on, but it looks as if they had stronger brains.—San Francisco Call.

When the news of a strike is tucked away on the inside pages of a newspaper, to make room for more important matter, it is sure sign that the public is losing interest.—Washington Post.

McKinley's picture will not adorn new silver certificates. The law does not permit the face of a living man to adorn a treasury note of any kind. Why not use Cleveland's picture?—Chicago Dispatch.

It is stated that the average southerner has been slandered by outsiders in regard to his drinking habits. The south is a temperate section. Prohibition is more general under local option laws in the south than in any other quarter of the Union.—Birmingham (Ala.) Age Herald.

Northern negroes resent the appointment of even the few members of their race in the south to whom offices have been given. From their point of views they are right, for why should offices be placed where they will do the least good? Negro voters carry northern, not southern states, and if those in the former are to be encouraged to continue to do so, such offices as are being given to them, not to those of the south, who will vote the republican tickets whether they get offices or not.—Alexander Gazette.

JOHNSON'S CHILL AND FEVER TONIC

Cures Fever in One Day.

A Georgia schoolboy who reads the newspaper submits the following unique composition on the lynch-chin evil: "Lynch-chin is wrong. It hurts the limbs of the beautiful trees where the birds sing. It also hurts the people that's lynched. They should have a regular hangin' an' sell peanuts an' lemonade. People what's hung regular by law always go to heaven. I don't want to go to heaven that way."

In 1862, when I served my country as a private in Company A, 167th Pennsylvania Volunteers, I contracted chronic diarrhoea. It has given me a great deal of trouble ever since. I have tried a dozen different medicines and several doctors without any permanent relief. Not long ago a friend sent me a sample bottle of Chamberlain's Colic Cholera and Diarrhoea Remedy, and after that I bought and took a 50-cent bottle; and now I can say that I am entirely cured. I cannot be thankful enough to you for this great remedy, and recommend it to all suffering veterans. If in doubt write me. Yours gratefully, Henry Steinberger, Allentown, Pa. Sold by Dr. W. L. Wallace, Druggist.

A Jersey city lawyer surprised a court and everybody within hearing the other day by refusing a fee of \$200 which the court had awarded him, and insisting that \$100 was ample for his services.

Quinine and other fever medicines take from 5 to 10 days to cure fever. Johnson's Chill and Fever Tonic cures in ONE DAY.

"Seventeen presidents have ruled in the United States since Victoria became queen. Only three of them are now living. The thrones of Europe have changed many times. Victoria has been contemporary to twenty-eight kings, six emperors, four czars, three queens, thirteen presidents, ten princes, five suits and many petty rulers of smaller States of Europe and Asia."

No Cure, No Pay. That is the way all druggists sell Grove's Tasteless Chill, Tonic for Chills and malaria. It is simply Iron and Quinine in a tasteless form. Children love it. Adults prefer it to Ibtter, nauseating Tonics. Price, 50c.

Don't Tobacco Spit and Smoke Your Life Away. To quit tobacco easily and forever, be magnetic, full of life, nerve and vigor, take No-To-Bac, the wonder-worker, that makes weak men strong. All druggists, 50c or \$1. Cure guaranteed. Booklet and sample free. Address Sterling Remedy Co., Chicago or New York.

One night when Admiral de Horsey, at Port Royal, was returning to his flagship alone his way to the boat led across the barrack square. A black sentry of one of the West India regiments halted him at the gate with, "Who goes dar?" Great was the Admiral's annoyance to find he had neglected to get the password. "That's all right," he said, carelessly, hoping to overcome the man's scruples by indifference, "you know who I am." "Dunno know nobody, sar," replied the negro pompously; "you can't go in dar." "Why, I'm Admiral de Horsey!" "Well, you cant go in," was the reply. "I don't care if you's Admiral de donkey, I don't."

"Let me give you a pointer," said M. F. Gregg, a popular conductor on the Missouri Pacific railroad. "Do you know that Chamberlain's Colic Cholera and Diarrhoea remedy cures you when you have the stomach ache? Well, it does." And after giving this friendly bit of advice, the jolly conductor passed on down the aisle. It is a fact that thousands of railroad and traveling men never take a trip without a bottle of this remedy, which is the best cure for bowel disorders in the world. 25 and 50 cent bottles for sale by Dr. W. L. Wallace druggist.

The County Record, \$1 a year.

It is always gratifying to receive testimonials for Chamberlain's Colic Cholera and Diarrhoea Remedy and when the endorsement is from a physician it is especially so. "There is no more satisfactory or effective remedy than Chamberlain's Colic, Cholera and Diarrhoea remedy," writes Dr. R. E. Robey, physician and pharmacist, of Olney, Mo.; and as he has used the Remedy in his own family and sold it in his drug store for six years, he should certainly know. For sale by Dr. W. L. Wallace, druggist.

The following very touching epitaph is said to be inscribed on a tombstone in a cemetery in Massachusetts:

Beneath this green grass Sleeps Annabel Gilder. She was a fair lass, But kerosene killed her. The kindling she soaked And the oil she ignited, And it was the last fire Annabel ever lighted.

Quinine and other fever medicines take from 5 to 10 days to cure fever. Johnson's Chill and Fever Tonic cures in ONE DAY.

If the stovepipe has fallen down and the cook gone off in a pet, put the stovepipe up, wash your hands, and read the third chapter of James.

To Cure Constipation forever. Take Cascarets Candy Cathartic, 10c or 25c. If C. C. C. fails to cure, druggists refund money. If you find yourself losing confidence in men, read the thirtieth chapter of First Corinthians. Everybody Says So. Cascarets Candy Cathartic, the most wonderful medical discovery of the age, purgative and refreshing to the taste, acts gently and positively on kidneys, liver and bowels, cleansing the entire system, dispels colic, cure headache, fever, habitual constipation and biliousness. Years ago, when it was more the fashion in Kansas than at present, United States District Attorney "Bill" Perry gave a "stag party" to his gentlemen friends at Fort Scott. He procured a bountiful supply of cold beer for the delectation of his guests, but hid it away in an upper room as a post-prandial surprise. When the proper time arrived for the revelation of his surprise, he said to the assembled company:

"Boys, I have a lot of cold beer up-stairs, but before we start I want to know whether you intend to drink like gentlemen or like hogs?" "O, we'll drink like gentlemen." "That settles it," replied the jovial host, as a smile rippled over all three of his double chins. "I'll have to send for more beer. A hog always knows when he's got enough."

GETTING READY

Every expectant mother has a trying ordeal to face. If she does not get ready for it, there is no telling what may happen. Child-birth is full of uncertainties if Nature is not given proper assistance.

Mother's Friend is the best help you can use at this time. It is a liniment, and when regularly applied several months before baby comes, it makes the advent easy and nearly painless. It relieves and prevents "morning sickness," relaxes the overstrained muscles, relieves the distended feeling, shortens labor, makes recovery rapid and certain without any dangerous after-effects. Mother's Friend is good for only one purpose, viz.: to relieve motherhood of danger and pain. \$1 dollar per bottle at all drug stores, or sent by mail on receipt of price. FREE BOOKS, containing valuable information for women, will be sent to any address upon application to THE BRADFIELD REGULATOR CO., Atlanta, Ga.
