

The Grund Jury. after such an investigation as the limited time would permit of the various county offices, beg to submit this their annual report:

The auditor's office, being the source from which all revenue originates, first claimed our attention. Upon compairing his books and abstracts with the treasurer's books, we found the san.e correct, and said broks kept in a neat and systematical manner. The attention of the jury was called to an unusual mass of accumulated pa payers for many years. The of fice being small and these accur- collected for his own salary and known as treasurer's executions ulations continually increasin, paid himself the cash in the sums for delinquent taxes. From inwe would recommend that the of \$100, and \$150, aggregating formation it appears that these board of county commissioners \$250; the supervisor's clerk has are distributed for enforcement, to make some suitable provision for been paid out of said fund \$25 constables and magistrates, and

according to law. We had however, an occasion to call for some papers that should have been in the office, put there by by the predecessor of the present incum-

bent, that could not be found. bursed, except a balance that was This showed carelesness and im- then on hand, and in the hands of proper performance of duty on the treasurer, amounting to \$1 the part of the former supervisor. 040.19. (Aug 9th 1897.) It appears from information given

there was borrowed for the county under act of assembly, the sum reflects credit on the incumbent of \$3,000 for jury purposes, and The books are properly and neatto meet the expenses of the chain- ly. written and all entries proper pers, such as returns from t.x. gang. From this sum, however, ly indexed. We would call atwe find that the supervisor has tention however to the executions

The attention of the jury was guardians and administrators further called to what is known which have never been recorded as the poor-tarm and the poupers (a list of which is herewith atof the county. It appears that tached) and are not even filed although we have a poor-farm with the records of the cases. We house to receive the applicants, would be pleased to have your an overseer selected to take charge | Honor give the n-cessary instrucof them, and a physician to ren tion as to the recording of these papers, as the present officer is der tien medical attention, still unwilling to record them for no we find but one lone inmate at list of paupers in the supervisor's left the county, and all the information that could be obtained office who are monthly turnished

was from the office itself. We a pension as it were at the exfound from going over the cash pense of the tax payers. This book that there is, in the aggrelist is herewith attached as part gate, due several estates, the sum of this report. We would most of one thousan 1 and eighty three earnestly recommend that the and 31-100 dollars (\$1,083 31) county board of commissioners do which said sum of money the exproceed, at as early a date as pos-Probate Judge had in his hands. sible, to dispose of the present

poor-farm, by sale, and taking the no part of which hes been turned over to his successor. Upon ex proceeds thereof and with the money of the county's, if so much amination of Mr. Smith, the present Probate Judge, he i formed be necessary, purchase a more us that no money, bonds, mortga suitable farm nearer the court

ges, or other securities had been house, erect sufficient number of turned over to him. At the rehouses thereon, and that hereafter quest of some of the bondsmen of all applicants for help from the the ex-Probate Judge, the forecounty shall receive the same at man of the Grand jury swore out said poor-farm and that help be a warrant for his arrest, and had rendered in no other way. We the same placed in the hands of are forced to make the recommenthe sheriff for execution. We are dation from a sense of duty and informed by the sheriff that he because we sincerely believe it to has made diligent efforts to cap be to the best interest of the pauture and arrest said party, but up pere, as well as to the county. to this time has been unsuccess-School commissioners office: A thorough investigation was had ful, although it is currently reported that said J Z McConnell, assisted by the school commisson-Jr., is frequently seen in the city er. We found his books, papers

We had before us the the Magistrate of the county and upon examining their books and reports to the county tleasurer, we find that the following 'migistrates' books and reports of their tallied with the treasurer's books. W W Matthews, J G Lifrage, J M Eaddy L B Gordon, G B Nesmith, W D Snowde", J H V Gaskins and W Sheriff's office: This office

B McCants. Magistrate Windham reported his books burnt. We find on examination of magistrate J B McCutchen's books that he had collected fines amounting to \$23 that had not been turned in to the treasurer, the same having been collected for over twelve months, although the law requires that monthly reports shall be matle, by these officers and all

#### A Card

To the people of Williamsburg county:

As to the presentment of the grand jury, which was filed last week, I have only this to say: Neither I nor John Montgomery have been paid one penny from the borrowed fund. The books will show this. What has been paid to myself and to Mr. Montgomery has pay. The ex Probate Judge had been paid from the contingent fund which I have a legal right to pay. Recpectfully submitted.

B B CHANDLER, S. W. C.

### Woman's Diseases

Are as peculiar as unavoidable, and cannot be discussed or treated as we do those to which the entire human family are subject. Menstruation sustains such important relations to her health, that when Suppressed, Irregular or Painful, she soon becomes

languid, nervous and irritable, the bloom leaves her cheek and very grave complications arise unless Regularity and Vigor are restored to these organs.

Bradfield's Is a receipt most noted Female physicians of the South, Regulator where troubles of this sort prevail more extensively than in any other section, and has never failed to correct disordered Menstruation. It restores health and strength to the suffering woman.

"We have for the past thirty years handled Bradfield's Female Regulator, both at whole sale and retail, and in no instance has it failed to give satisfaction. We sell more of it than all other similar remedies combined." LAWAR, RANEIN & LAMAR.

will probably cause the walls to collapse. We recommend that the county supervisor have this work attended to at once, we think by placing iron rods securely fastened throug the building it would hold the sides securely and safe. Clerk's Office: Careful investigation of this office shows that the incumbent understands and pro perly performs his various duties

as by law required. All the books are in good order, properly kept. and the indexes to both sessions and common pleas, papers in proper shape, the cash book and vouchers for money paid out and received, shows exceeding care on

the part of this officer. Probate Judeg's office: On June 1st, 1897, before the present Pro bate Judge took charge of this office, we examined it and found it in a terrible state of confusion. Few if any, of the papers for the present year had been recorded. and there is now in said office a bundle of papers containing annual returns, etc., for estates,

fines turned in at time of report This is a flagrant violation of the law and should not be tolerated. Upon information received we present David Spring and Lugenia Casselman for living in adultery

Witnesses. George Filton. G G Casselman, F O Spring and P S Wall.

We have passed upon all bills coming before us during the present term of court-eight in number and found true bills on seven Our judgment compelled us to throw one out, for the want of sufficient evidence to convince us that there was any merit in it We desire to return our thanks to the officers of the court for their uniform courtesies and kindness, and to your Honor we

extend our sincere thanks for the many courtesies and priviliges shown us, and for the clear and lucid charges given us. thereby rendering us great assistance in reaching our findings in the bills of indictment handed us.

> We have learned with much regret that your Honor has determined to retire from the bench at the expiration of your present term. We are indeed loath to part with so able learned and upright Judge and feel deeply the loss the Judiciary of South Carolina will sustain upon your retirement. We sincerely offer you our best wishes, and that of our people for your future welfare.

Respetfully submitted, EDWIN HARPER, Foreman.
