

Personals from Dicky Swamp.

Salters, Rt 1, November 12:— Messrs R D, Milton and Miss Ida Bradham and Mr H H Carter attended the C E convention in Charleston last week.

The C E society gave a Halloween party October 30. The school building was beautifully decorated in green and yellow, and black cats and bats, ghosts, witches and fortunetellers were much in evidence. Wilbur Mouzon won a box of candy for pinning the cat's tail. Cake, candy and hot chocolate were served. The proceeds were donated to the Red Cross society.

Messrs Eddie Montgomery, R E McKnight, Isaac Bradham, Wilbur Mouzon, A B Spivey, Mrs R D Bradham, Misses Mary McKnight, Lulu and Allie Montgomery, Irma Tisdale, Beulah Spivey, Little Bradham, Anna B Harvey, Annie Bacon and Ethel and Eloise Ferrell have gone to Kingstree to prepare the Mulberry school booth at the county fair.

Mrs J G McMaster of Florence visited her mother, Mrs Cornelia Boyd Gourdin, last week.

Bank clearings in Charleston for October were \$21,000,000; those of Columbia, \$10,000,000. In both cities they doubled in two years.

Piney Forest Personals.

Andrews, R F D 1, November 12— Farmers are waiting for rain to put in oats.

Railroads Moving Potato Crop.

Washington, D C, November 12:— Fairfax Harrison, chairman of the railroads' war board, authorizes the following:

The railroads are now moving what promises to be the biggest potato crop in the history of the country. This crop, which is estimated will total the approximately 453 billion bushels or half again as much as last year, has been on the way since the middle of September. The movement of it will continue until about April 1 next year. Reports received by the commission on car service indicate that even with intensive loading more than 750,000 cars will be needed to handle the potato crop.

Like A Boy at 50 Bubbling Over With Vitality--Taking Iron Did It

Doctor says Nuxated Iron is greatest of all strength builders--Often increases the strength and endurance of delicate, nervous folks 100 per cent. in two weeks' time.

NEW YORK, N. Y.—Not long ago a man came to me who was nearly half a century old and asked me to give him a preliminary examination for life insurance. I was astonished to find him with the blood pressure of a boy of 20 and as full of vigor, vim and vitality as a young man; in fact a young man he really was notwithstanding his age. The secret he told was taking iron—Nuxated Iron had filled him with renewed life. At 30 he was in bad health; at 46 he was careworn and nearly all in. Now at 50 after taking Nuxated Iron a miracle of vitality and his face beaming with the buoyancy of youth. As I have said a hundred times over, iron is the greatest of all strength builders. If people would only take Nuxated Iron when they feel weak or run-down, instead of dosing themselves with habit-forming drugs, stimulants and alcoholic beverages I am convinced that in this way they could ward off disease, preventing it becoming organic in thousands of cases and thereby the lives of thousands might be saved who now die every year from pneumonia, grippe, kidney, liver, heart trouble and other dangerous maladies. The real and true cause which started their diseases was nothing more nor less than a weakened condition brought on by lack of iron in the blood. Iron is absolutely necessary to enable your blood to change food into living tissue. Without it, no matter how much or what you eat, your food merely passes through you without doing you any good. You don't get the strength out of it and as a consequence you become weak, pale and sickly looking just like a plant trying to grow in a soil deficient in iron. If you are not strong or well you owe it to yourself to make the following test: See how long you can work or how far you can walk without becoming tired. Next take two five-grain tablets of ordinary nuxated iron three times per day after meals for two weeks. Then test your strength again and see for yourself how much you have gained. I have seen dozens of nervous run-down people who were alling all the while, double their strength and endurance and entirely get rid of all symptoms of dyspepsia, liver and other troubles in from ten to fourteen days time simply by taking iron in the proper form. And this after they had in some cases been doctoring for months without obtaining any benefit. But don't take the old forms of reduced iron, iron acetate or tincture of iron simply to save a few cents. You must take iron in a form that can be easily absorbed and assimilated like nuxated iron if you want it to do you any good, otherwise it may prove worse than useless. Many an athlete or prizefighter has won the day simply because he knew the secret of great strength and endurance and filled his blood with iron before he went into the fray, while many another has gone down to inglorious defeat simply for the lack of iron.—E. Bauer, M. D.

NOTE.—Nuxated Iron, recommended above by Dr. E. Bauer is not a patent medicine nor secret remedy, but one which is well known to druggists and whose iron constituents are widely prescribed by eminent physicians everywhere. Unlike the older inorganic iron products it is easily assimilated, does not irritate the bowels, make them black, nor upset the stomach; on the contrary, it is most potent remedy in nearly all forms of indigestion as well as for nervous run-down conditions. The numerous cures have such great confidence in nuxated iron, that they offer to forfeit \$100.00 to any charitable institution if they cannot take any man or woman under 60 who lacks iron, and increase their strength 100 per cent. or over in four weeks' time, provided they have no serious organic trouble. They also offer to refund your money if it does not at least double your strength and endurance in any day's time. It is dispensed in this way by all good druggists.
