FIRE INSURANCE

YOUR HOUSE is worth more today than it was a year ago. It would cost you a lot more to rebuild it, if a Fire Demon got it. So why not increase your Insurance? Some are adding a third, others more. It is the wise thing, the safe thing to do. It takes only a little accident to turn the biggest house into a pile of ashes.

YOUR BUILDING IS READY.

Ready to answer your summons for more space. Ready to help you fill the gap between production and demand. Ready to be erected at a minute's notice, wherever you designate.

Time and care have not been spared in the construction of Prudential, Sectional Steel Buildings. No operation has been hurried. They are constructed for permanency.

Blaw-Knox Company has anticipated your needs. All this has been done so that only a few weeks elapse between your order and your occupancy.

When you order your Prudential building you are free from doubts. This sectional steel building has served the largest railroads, industrial plants and contractors for over ten years—and served them well. Behind that record you have Blaw-Knox Company.

All buildings are clear span. They are absolutely fireproof, rainproof, snowproof and windproof, constructed of steel from the peak to the ground. The windows and skylights are of wire glass. The trusses and columns are rolled steel sections, shop riveted. Although the Prudential building is permanent, it can be taken down and re-erected without any damage to the building.

These buildings can be furnished in widths from eight to 50 feet in multiples of two feet and in any length. The following sizes are carried in stock for immediate shipment: 8, 10, 12, 20, 30, 40 and 50 feet wide.

Remember, your building is in stock. The value of that to you can be measured in dollars and cents.
