

The Watchman and Southern. RELIGION, MORALS AND PHILOSOPHY. Rev. C. C. BROWN, Editor. AS THE HART. BY W. W. HOLLOWAY, JR.

The Show of Learning. The big name given to the above subject is "pedantry." So if it will sound any better, we will state our case by saying we are going to write a little piece on pedantry.

Ino. C. Whitner. OFFICE OF ORDINARY, SUSSEX CO., N. C. COLONEL, GA., Oct. 1, 1887. H. H. Whitner, Esq., Raleigh, N. C. Gentlemen: For thirteen months I suffered intensely with a disease of the kidneys and a torpid liver, and after trying every remedy that I could hear of, besides being under the treatment of some of our ablest physicians, I had about given up my case as hopelessly incurable, when I was prevailed upon by my wife to try your Safe Kidney and Liver Cure.

Sabbath Rest. I wish all tired people did but know the infinite rest there is in fencing off the six days from the seventh, in anchoring the business ship of your daily life as the Saturday draws to its close, leaving them to ride peacefully upon the flow or ebb until Monday morning comes again. Oh the delight, the lull of feeling. No need to settle this question, no need to think of this piece of work for a whole long sweet thirty-six hours. Why do you take Sunday papers, to keep your nerves astir with business on the Lord's own day of rest? Why do you add up and consider in the pauses of the sermon, or make opportunity for a business whisper in the porch, and on the way home? Why do you let the perplexities of servants, of means, of plans, ruffle your spirits on the great day of freedom? Do you not know that even a debtor may walk abroad on Sunday with no fear of a prison, and house doors may stand open, and no sheriff can enter? Shall it be worse with your mind than with your body? "Sleep, sleep to-day, tormenting, cares, Of earth and folly born." It is the high court of the Prince of peace.—Anna Warner.

THE MOST POPULAR OF ALL SEWING MACHINES. JOHN ALEXANDER, CONGAREE Iron Works, COLUMBIA, S. C. AGENT FOR CHAPMAN'S PERPETUAL EVAPORATOR. These works were established in 1847 by Messrs. Geo. Sinclair and James Anderson and purchased by me in the year 1856, and from that time I have carried on successfully by the aid of the large and experienced workmen employed by me. It was my wish to have the largest and most complete works of the kind in the City of Columbia, and I have endeavored to do so. In the machine line I can furnish my patrons with Steam Engines and Boilers of any size and description. My CIRCULAR SAW MILLS have carried off the prize at every State Fair held in this city, and in their construction I have taken pains to combine simplicity with the most useful and durable improvements, and may assure you that my CIRCULAR SAW MILLS will give you every service you desire, and at the lowest prices.
