MORTON HAS HIS WAY

Carries New York by a Greatly
Increased Majority.

REPUBLICANS SWEEP THE COUNTRY.

Returns Not Full But Sufficient to In-
crease the Results—W. L. Wilson
Probably Defeated in West
Virginia.

New York, November 7.—In this
state the election was remarkable for
the general quietude that prevailed
throughout the day. The intense party
feeling that ran with great fierce-
ness in every district from the bat-
tery to Spuyten Duyvil.

With the exception of a few ordi-
nary encounters there was no hap-
pening that could be called riotous in
any section. A tour of the districts by a
close observer re-
sulted in no discoveries more striking
than the extraordinary serious, deter-
mined mood the average voter seemed
to be in. Men who never dream of tak-
ing breakfast before 9 o'clock in the
morning were everywhere at the polls
long before they were legally open for
voters. They stood in the chilly air
reading their papers, calmly waiting
till the time came for business to begin.

In the big districts, on the west side,
there were long lines of men who stood
for hours without being able to get
anywhere near the polls till two or
three hours after they had got a place
in the single files on the sidewalk. At
one time in some of the brown stone
districts where the republican strength
is noted, many of the voters became
suspicious as to the real cause of the
delay and at the ballot boxes, and
feeling grew strong that the delay
was caused by the "malicious invec-
tives" of their enemies. In some in-
stances there was some basis for this
view of the situation and when it be-
came apparent to the inspectors and
the watchers that too much time was
being taken up by the slow "couches"
there was a cry "Get a move on" and
things became more rustling.

There was actual disfranchisement
in hundreds of cases in various parts
of the city. Unfortunate fellows, who
because of their illiteracy and who
were allowed no guide posts behind the
scenes, were unable to make ballot
ends meet legally and had to give up
the job finally, very many. But they
were not the only men who had
gone to the "trouble" of being regis-
tered and lost their vote. The cause of
it all was unquestionably the lack of
booths.

Two thousand one hundred and
sixty-two districts outside of New
York and Brooklyn gave Morton more
than 32,000 over Hill and 67,000 more
than Fassett in 1891. Total vote for
governor of New York city: Hill 124,
650; Morton 122,501; Wheeler 8,787.

Groat behind Hill and Strong
and ahead of Morton.

There was an ominous silence as the
returns were read at Tammany hall.
"Tammany's beaten" was the cry that
went round the hall. The strains of
Boysie's band were insufficient to keep
people in humor.

Nicholas Bonsho made an address.
He said he could not believe that two
such "thorough-souled" democrats as
Senator Hill and ex-mayor Grant could
be beaten in the state and city of New
York.

"You have heard me announce in the
past years the victories of Tammany
hall. I have now, I am sorry to say,
to announce a defeat. We have lost
the city by 23,000 votes and the state
by 100,000 votes. It has been a land-
slide—a tide that we could not stem.
We have, at any rate, nailed our colors
to the mast and fought to the last
ditch."

A wall went up from the crowd as
Mr. McGoldrick gave out the official
statement that victory deserted the
ranks of the democratic party and that
Tammany hall was defeated.

WISCONSIN.

Upham, Republican, Elected Governor by
Over Fifteen Thousand Plurality.

MILWAUKEE, Wis., November 7.—
Twenty-one towns, including two pre-
cincts in this city gave Peck in 1891
2,431; Spooner 2,700 and this year Peck,
democrat, 2,610; Upham, republican,
3,022.

The republicans have carried the
state by over 15,000 plurality for Gov-
ernor Upham and their state ticket. D.
C. Wall, chairman of the democratic
state central committee, has just ad-
mitted this and has given up all hope.

NEW JERSEY.

Republican Successor to Senator McPherson
Now Assured.

TRENTON, N. J., November 7.—Re-
turns come slowly. Those who had
indicated the election of sufficient republi-
cans to give the legislature to them by
a majority of twenty-three joint ballot,
which insures the election of a republi-
can successor to Senator McPherson.
Republican leaders here claim the elec-
tion of their congressional candidates in
the first, second, sixth and eighth
districts.

REPUBLICANS CARRY CALIFORNIA.

SAN FRANCISCO, November 7.—Esti-
mated returns from thirteen counties
outside San Francisco, give republicans
for governor 1,000 plurality.

KILLED AT THE AUGUSTA POLLS

John M. Goss, Populist, Shot Down in a
General Fusillade.

AUGUSTA, Ga., November 7.—Excite-
ment in Augusta yesterday was intense.
There were several fights during the
day, one resulting in the death of one
man and the wounding of several others.
In the fifth ward, which has a
large populist vote, John M. Goss, one
of the populist workers, challenged a
negro vote. In the difficulty that fol-
lowed Goss drew his pistol and a gen-
eral melee and fusillade of shots fol-
lowed. Goss was killed almost in-
stantly, but not until he had emptied
his five chambered pistol. Among the
wounded were George Meekle, marshal
of Summerville, a residence suburb of
Augusta, shot in shoulder and side,
both flesh wounds; Dan Bowles, shot
in forehead, and cut, all flesh wounds;
Will Bohler, seriously shot. All parties
were white. Others received slight
cuts and bruises, negroes and whites
fighting on both sides.

TOM DIXON VOTED FOR MORTON

The Distinguished Southern Divine in
New York Supports the Republican.

New York, November 7.—Rev. Tom
Dixon, of North Carolina, the dis-
tinguished young Baptist divine yester-
day voted for Morton and Strong, al-
though he has heretofore always sup-
ported the democrats. In an interview
he said:

"My first idea of reform is the neces-
sity of Mr. Morton governor of the
state. My second idea is the carrying
out of every constitutional amendment,
rapid transit and consolidation in-
cluded, and the election of the ticket
headed by Col. Will-

iam L. Strong. A reformer means that
we will have a governorship
in keeping with the better aspira-
tions of the people. No reform laws
could be passed in Albany for the re-
fusal of the chief of the democratic can-
didate is elected. I voted for Morton be-
cause he represents the possibility for
reforming this city."

EJECTED FROM THE POLLS.

Republican Congressional Candidate in
Illinois, Thrown Head Over Heels.

CHICAGO, November 7.—William Lor-
rimer, republican candidate for con-
gress from the second district, was
thrown head over heels from the voting
place in Lamont township yesterday
afternoon. Twenty-five deputy sher-
iffs sent from Chicago to that township
to preserve order were thrust into jail
at Lamont. Justice of the peace Wimer
refused to release them on bail. The
proceeding was that precipitated the
conflict that resulted in the chief of
police of Lamont taking Lorimer into
his arms and carrying him into the
street.

CHINA GIVES UP KOREA.

Frankly Admits Her Inability to With-
stand the Attacks of Japan.

LONDON, November 7.—A dispatch to
the Times from Tien Tsin says that the
representatives of all the powers were
assembled on Saturday last by the
Tung Li Yamen, to hear the Chinese
government's statement respecting the
critical situation of affairs. Prince
Kung, president of Tung Li Yamen,
the dispatch adds, calmly avowed the
impotence of China to withstand the
Japanese attack and appealed to the
powers to intervene, saying that China
was willing to abandon her sovereignty
over Korea and to pay a war indemnity.

LABORERS FORBIDDEN TO VOTE

Nine Hundred Employed by Detroit Gas
Company Could Not Attend the Polls.

DETROIT, Mich., November 7.—Nearly
900 laborers employed by the Detroit
Gas company on the streets were for-
bidden permission to vote by the em-
ployers. The superintendent claims
the reason was solely because the late-
ness of the season demanded that the
work be pushed.

Rewards for the Savannah Incendiaries

SAVANNAH, Ga., November 7.—Latest
estimates of loss by Monday night
out fires is \$75,000 to \$80,000. About
8,000 bales were damaged. Two more
fires occurred yesterday, but were
slight and quickly extinguished. The
mayor has offered a reward of \$500
for the arrest and conviction of incendi-
aries and commercial bodies have also
taken action.

Not a Late Letter to Thatcher.

WASHINGTON, November 7.—Private
Secretary Thurber states that the let-
ter of President Cleveland to Robert L.
Thatcher, made public from Albion,
New York, Monday was written on the
third day of August, 1892, and related
to the presidential campaign of that
year.

Mechanics and Families Leave Pullman.

CHICAGO, November 7.—Thirty-four
families left Pullman yesterday for
Hawatha, Kan., to join the new co-
operative colony there. They included
a number of first-class mechanics,
former employees in the Pullman shops.

Idaho Also Joins the Banks.

BOISE, Idaho, November 7.—The dem-
ocrats concede that Wilson, republican,
is elected to congress. Careful esti-
mates give the state to the republicans
by 2,000 for the entire state ticket.

Texas.

GALVESTON, Tex., November 7.—The
Galveston News announces the usual
democratic majority for state officers
and the legislature, also the election of
democratic congressmen in all the dis-
tricts with the possible exception of the
ninth and tenth districts.

Louisiana.

NEW ORLEANS, November 7.—The re-
publicans have carried the second and
third districts of Louisiana, and will
probably get the first district also.

Returns indicate the election of five,
and possibly six democratic congress-
men in this state.

Manchester Association of Cotton Brokers.

LONDON, November 7.—Manchester
merchants decided at a meeting today
to found a local cotton market and as-
sociation of cotton brokers.

EVANS DEFEATS POPE

South Carolina Goes for the Regu-
lar Reform Nominee.

TILLMAN TO BE THE NEXT SENATOR.

Pope Made Strong Run, but Could Not
Carry the Day—Story of the Election
and Scenes at the Polls—The
Congressmen Elected.

COLUMBIA, S. C., November 7.—The
weather in South Carolina was cold and
clear yesterday. The election was the
most exciting in years. In addition to
the congressional contests there was a
hot fight between the regular demo-
cratic candidates for governor, John
Gary Evans, of Aiken, and Dr. Sapsen
Pope, of Newberry, independent candi-
date supported by white men, who have
left the democratic party because of
administration backed by the negroes
of the cities and towns. In addition to
all this, the state has been agitated
over the question of holding a constitu-
tional convention, which, if held, would
disfranchise the negro and eliminate
him from politics. This aroused the
negroes and on this question they have
been supported by independents, who
wish to use the negro in the future.
Feeling has been bitter and the negroes
have turned out in larger numbers than
in years, that is, they have turned out
in the cities and towns, but it is not
likely they have turned out in the coun-
try precincts, where the democrats are
in large majority, and where there are
no independents to give the negro en-
couragement and assistance.

The calling of a constitutional con-
vention, as stated, means that a new
constitution will be made and the negro
disfranchised.

In about half the counties, inde-
pendent tickets for the legislature were
run in the hope of getting a sufficient
number of members in the legislature
to re-elect Senator Butler over Governor
Tillman, the democratic choice for the
senate.

These tickets fail of election in nearly
every county. It was the last chance
of Senator Butler.

Returns point to the election of
Evans by 30,000 majority and to the
carrying of the constitution by about
12,000.

All seven democratic congressmen
and regular democratic state ticket
headed by John Gary Evans for gov-
ernor who defeats Sapsen Pope, inde-
pendent, his only opponent. Returns
for legislature indicate safe majority
for Tillman for U. S. senate. Call
for constitutional convention appar-
ently defeated by small majority.
Pope claims that there were most flag-
rant frauds throughout the state and
evidence appears to sustain the claim.

The reports are that trickery has
been used by the reform machinery
in Darlington, Florence, Clarendon,
Greenville, Winnsboro and Aiken. It
is likely that a contest of some kind
will be made.

"What do I think of the election?"
said Mr. Pope, the independent candi-
date for governor.

"Why I have been elected and before
I'll be defrauded out of it, I'll take it
up before every returning board, state
board and court in the state."

MANLEY'S SONG OF PRAISE.

Congratulates Chairman Babcock on the
General Republican Victory.

NEW YORK, November 7.—J. H. Man-
ley, chairman of the republican nation-
al executive committee sent the follow-
ing telegram of congratulation last night.

"Fifth avenue hotel, New York, No-
vember 6, 1894.

"Hon. J. W. Babcock, chairman of
the republican congressional com-
mittee, Washington, D. C.

"I heartily congratulate you on the
result of your labors. Our victory is
perfect and complete from Maine to
California. The result in New York is
the most important. We have laid
this day a solid foundation upon
which to erect in 1896 the structure of
national victory for protection and
prosperity."
(Signed) J. H. MANLEY.

HOW THE NEXT HOUSE STANDS.

Republicans Gain Thirty-Seven Mem-
bers States Indicated.

WASHINGTON, November 7.—The re-
turns show the following republican
gains in the next house of representa-
tives: Kentucky fifth and seventh dis-
tricts; Colorado first district; Con-
necticut second and fourth districts;
republicans claim all four. Delaware,
Maryland, sixth district, Michigan gain
five; Missouri Sterrett probably de-
feats Cobb in the twelfth; New Jer-
sey fifth and eighth districts; republi-
cans claim five districts; New York
gain of nine; North Carolina, Settle's
election in doubt; Ohio gain of 7;
Pennsylvania gain 2; Tennessee gain
13; West Va. gain 4.—Total gains thus
far 37.

Massachusetts.

SPRINGFIELD, Mass., November 7.—
Springfield's connection with Boston is
not regular, and returns from eastern
Massachusetts are not many. It is
clear, however, that Greenhalge will
have an increased plurality over last
year with a somewhat smaller vote.

Prominent North Carolina.

WILMINGTON, N. C., November 7.—
Mayor Jas. Reilly, one of the most
prominent ex-confederate soldiers of
this state, died at his home in Brans-
wick county last night.

Manchester Association of Cotton Brokers.

LONDON, November 7.—Manchester
merchants decided at a meeting today
to found a local cotton market and as-
sociation of cotton brokers.

Dr. Miles' Pain Pills stop Headache.

FLORIDA.

Both of the Democratic Congressmen are
Elected by 10,000 Majority.

JACKSONVILLE, Fla., November 7.—
Election day in Florida was fair and
pleasant throughout the entire state.
An extremely light vote was cast,
probably about one-half of that cast
at the state election in October. The
only offices to be filled were those of
the two congressmen. In the first dis-
trict the vote is generally heavier than
in the second, Sparkman, the demo-
cratic nominee in the first, is elected
over McKinnon, populist, by about
10,000 majority. In the second district,
Cooper, democrat, defeats Atkinson,
populist, by about 6,000. It is not like-
ly that the populists will carry more
than four counties in the state, and the
vote is close in those. The entire popu-
list vote in the state will not be likely
to reach 4,000. Duval county (Jackson-
ville) gives Cooper a majority of 1,000.

MARYLAND.

Joined the Republican Procession for the
First Time in the State's History.

BALTIMORE, Md., November 7.—Mary-
land's solid democratic front has been
broken, and the republicans have made
unprecedented gains in every direction.
It is certain that three republican con-
gressmen have been elected, Baker in the
second district; Gohn in the fifth,
and Wellington in the sixth. The
democrats carried the third and fourth
districts with Rusk and Cowan, but by
very largely reduced pluralities. The
first district is still in doubt. The re-
publicans gained ten city councilmen
and will control the first branch. John
J. Dobler, republican, defeated Charles
L. Kerr, democrat for mayor.

G. L. Wellington, republican candi-
date for congress in the sixth Maryland
district, has carried the district by an
estimated majority of 2,000 over Ferdi-
nand Williams, democrat.

IOWA.

Election of Entire State Republican Ticket
by 50,000 Majority.

DES MOINES, Iowa, November 7.—A
small vote was polled in Iowa and
enough returns are at hand to indicate
the election of the entire republican
state ticket by 50,000 with the excep-
tion of Judge Cranger and B. L. Sallin-
ger for the supreme court, whose op-
ponents were endorsed by the populists.
The republicans elect ten congressmen
and the result in the second district is
in doubt with the chances in favor of
Walton L. Hayes, democrat, by a small
plurality.

FAULKNER'S CONCESSION.

Believes That the House Will be Republi-
can After All.

WASHINGTON, November 7.—Chair-
man Faulkner, of the democratic cam-
paign committee, claims that the dem-
ocrats have carried the next house. He
says there will be no losses in the south
which the committee has not already
conceded. He added, however, that if
it was true that the republicans se-
cured four of the five congressmen in
Brooklyn and all in Massachusetts,
that it placed a different aspect on the
case.

LATER.—Faulkner now concedes the
republicans a working majority in the
next house.

COLORADO.

McIntyre, Republican for Governor, Gets
Two Thousand Plurality.

PUEBLO, Col., November 7.—Pueblo
voted 85 per cent of the full registra-
tion, the female vote being very large.
Thomas M. Bowen, republican, for con-
gress, second district, and McIntyre, re-
publican for governor, will have 2,300
or 3,000 plurality. The election of the
entire republican ticket is certain.

Pence, populist, for the first dis-
trict congressman, is beaten by Shaf-
roth, republican, by 3,500.

ARKANSAS.

The Successor to Clifton B. Breckinridge
the Only Congressional Change.

LITTLE ROCK, Ark., November 7.—
The election in this state resulted in
the selection of the following congres-
sional delegation: First district, P. B.
McClukch; second district, John S.
Little; third district, Thomas C. McEae;
fourth district, William L. Terry; fifth
district, Hugh A. Binsmore; sixth dis-
trict, Robert Neill, all democrats; John
S. Little, who succeeds Clifton B.
Breckinridge, is the only change in the
delegation.

SOUTH DAKOTA.

Republican Ticket, Including Two Con-
gressmen at Large, Elected.

PIERRE, S. D., November 7.—Returns
from all portions of the state indicate
that the republican ticket, including
two congressmen at large, are elected
by not less than 12,000 plurality. Re-
turns from legislative districts are not
in except from cities and towns, but
these fairly indicate that the legisla-
ture will be safely two-thirds republi-
can.

NORTH CAROLINA.

Out of the Nine Congressmen, One Republi-
can, One Fusionist, Seven Democrats.

RALEIGH, N. C., November 7.—Demo-
cratic state and judicial tickets in
North Carolina are elected by reduced
majorities. Legislature will be demo-
cratic by good majority. Democrats
carry seven districts certain. Pearson
claims to be elected in the
first district. Fifth district indicates
that Settle (rep.) is probably elected.

KANSAS.

Morrill Elected Governor, and the Entire
Republican State Ticket.

TOPEKA, Kan., November 7.—Returns
indicate the election of Morrill for gov-
ernor and the entire republican state
ticket. The republicans probably carry
all but two congressional districts. The
legislature will probably be republican
on joint ballot.
