

Union County Has More Than Quota

Furnished 33 More Than Her Requirement.

Has the Distinction of Not Having to Furnish a Single Man to the First Draft - First Draft for South Carolina Counties Announced.

Columbia, July 14.—In the allotment of quotas, completed by the governor's office this afternoon, the city of Charleston will have to furnish 304 men on the first draft, out of the 10,081 designated as South Carolina's initial increment of the new national army.

The city of Charleston is sub-divided into two districts. The first, including wards one to six, inclusive, must furnish 113 men and the second, which contains the remainder of the wards, is assessed for 191 men.

First Honors to Union. Union county has the distinction of not having to furnish a single man to the first draft. Her gross quota is 274, but enlistments in the regular army and the National Guard, totaling 307, gave her an overplus of 33 over her requirements.

Charleston county, exclusive of the city, will have to furnish 240 on the first draft. Exclusive of Union county Jasper county foots the list with 84, and Orangeburg county leads with 469.

The following counties also are sub-divided: Greenville county, division 1, northern part of county, 79; division 2, including city of Greenville and Butler township, 203; and division 3, southern Greenville county, 94. Total 376.

Spartanburg county, division 1, western part of county, 176; division 2, eastern section of county, 160; and division 3, city of Spartanburg, 105. Total 441.

Orangeburg County. Orangeburg county, division 1, including city of Orangeburg and northern part of county, 283; division 2, southern part of county, including Ellmore, Bowman, etc., 186. Total, 469.

York county, division 1, including Rock Hill and Fort Mill, 121; division 2, including York and Clover, 125. Total, 246.

All Districts Organized. Mr. Puckette stated tonight that all the exemption districts in South Carolina had been organized and commissioned, duplicate cards had been filed with the governor's office and exemption district serial numbers had been forwarded to the national government at Washington.

Union County Home Demonstration Short Course July 16-18—Good Attendance and Interesting Program.

The Union County Home Demonstration Short Course closed its third annual and most successful session at noon Wednesday, having convended during the 16th, 17th, 18th.

Miss Alsie O. Smith is greatly to be congratulated on the efficient way in which she handles her work. This was demonstrated by her program and in the selection of her assistants to execute the short course work.

Wednesday was devoted to jelly, preserving and canning in tin. The major part of the morning was given over to Mrs. Walker, who, in her able manner, gave innumerable recipes that were of inestimable value to the girls and housewives.

The attendance was all that could be desired—both rooms being filled to overflowing, attention to the work being of the local agent.

MILITARY LOTTERY ON FRIDAY

Secrecy as to Exact Method Still Maintained—Press Relied on to Inform Men of Order in Which They Are Called for Service.

Washington, July 18.—Advises today Brig. Gen. Crowder, the provost marshal general, indicated that the military lottery to determine the order of liability of 10,000,000 men registered for military service could be held next Friday.

Details of the mechanism to be employed in the drawing have not been revealed. Present plans are for the lottery to take place in the capitol building with the members of the senate and house military committees as witnesses.

Gen. Crowder was in conference today with the newspaper correspondents over arrangements for the drawing. The press is relied upon to carry to individuals throughout the country the information as to when they will be required to appear before exemption boards and every effort is being made to suit the conveniences of the papers as to details.

The task of transmitting the long lists of numbers by telegraph is a problem of considerable proportions but the press associations and telegraph companies are making efforts to insure both speed and absolute accuracy in transmission.

Atlanta, Ga., July 16, 1917. Mrs. J. W. Mixson, Secretary Union County, Union, S. C.

Dear Mrs. Mixson: In reply to your letter of the 13th inst. beg to say that the articles now needed for our soldiers now are pajamas, bed shirts, hospital linen, operating and convalescent gowns or bath robes. The comfort bags are desirable inasmuch as they contain many useful articles that will add to the comfort of the soldiers.

The handkerchiefs and doliies are always needed in hospitals; in fact, are almost indispensable. You can get the patterns for bed shirts, gowns, etc., from the Red Cross Distributing Center, 15 Peachtree St., Atlanta, and would advise you to write them. With best wishes.

Yours very truly, Jean Harrell, Red Cross Nurse, Asst. to Director Southern Division American Red Cross.

RED CROSS CHAPTER APPEALS FOR HELP

The women of Union have sent 720 pillow cases to France. The material was donated by the Lockhart, Monarch, Otteray, Union and Buffalo mills; since that we have applied for and received a charter to organize a Red Cross chapter in Union county. We have a few dollars on hand and it is up to the ways and means committee to furnish the money to buy the material to keep all interested hands busy. Just how patriotic are you? Think it over! Oh! do not say "I gave a dollar last month." Remember the men in the trenches never complain, no teven at the last drive. If the men of Union county exceed their quota by 33—not counting the volunteers who are not included—surely the women can excel in the same or even greater proportions.

Put your shoulder to the wheel and respond to every call made by the ways and means committee. Right now we need \$200 with which to begin work. We want to make a drive for this and all of you who read this, see how many people you can call on, bringing us your dollar, dimes and nickels. Get busy and see who will be the first. We want volunteer money! We want lots of it and we want it right now. Let us put our county on the map, as it never was on the map before. Will you help us? Mrs. C. E. Storm, Chairman Ways and Means Committee, A. R. C.

ATTENTION! ATTENTION!

The Union County Red Cross chapter is now organized and ready for work. The branches of the Red Cross chapter must get the authority to organize from the County Red Cross chapter; the auxiliaries must get authority to organize from the County Red Cross chapter or from the township, town or school district branch of the County Red Cross chapter. Therefore we wish to organize all the different territorial units of this county in Red Cross branches or auxiliaries and take this method of bringing this Red Cross work to your attention.

First, you must indicate your willingness to cooperate by applying to the Union County Red Cross chapter, Union, S. C., for authority to organize; and then we will send you the necessary literature and come in person and assist you to organize and to otherwise advise you. We are anxious to serve and help you and have your cooperation and help in return. Address your communication to Mrs. Maebeth Young, chairman Red Cross Extension Work, Union, S. C., 114 Main street.
