

### How many pounds to a ton—2000 or 1500?

HOW many pounds of real roughage are you getting to a ton? If you are buying old style hulls you are getting about 1500 pounds because they are about one-fourth lint which has no food value.

If you are buying

you are getting 2000 full pounds because they are free from lint and are practically 100 percent roughage. Try them and see how much farther they go.

#### Other Advantages

Cost much less per ton than old style hulls. Allow better assimilation of other food.

No trash or dust. Sacked—easy to handle. They mix well with other forage.

Mr. W. C. Owens, Charlotte, N. C.,

feeds thirty cows. He considers Buckeye Hulls the cheapest feed and gets the best results.

To secure the best results and to develop the ensilage odor, wet the hulls thoroughly twelve hours before feeding. It is easy to do this by wetting them down night and morning for the next feeding. If at any time this cannot be done, wet down at least thirty minutes. If you prefer to feed the hulls dry, use only half as much by bulk as of old style hulls.

#### Book of Mixed Feeds Free

Gives the right formula for every combination of feeds used in the South. Tells how much to feed for maintenance, for milk, for fattening, for work. Describes Buckeye Hulls and gives directions for using them properly. Send for your copy to the nearest mill.

### PACOLET, ROUTE 1

Pacolet, Route 1, July 26.—Well, the farmers have been wanting rain and now they have had rain. It was predicted by some that it would rain as many days as the wind blew and so it did; the wind blew five days and it rained five days. Some people are never satisfied; they are always grumbling about something—it is either too dry or too wet. It surely was a nice rain, and if the bottom land corn doesn't get destroyed there will be some fine corn made on it. I believe there is more corn planted this year than there ever was as I can remember, and it does me good to see so much foodstuff planted. If the people would raise their corn, flour, meat and molasses and use more economy and no the extravagant everything would not be so high or even if it were it would not affect them at all. Of course wheat was killed out this past winter, but they should not be discouraged, but try it again.

Well, I guess the National Guards of South Carolina and other States will mobilize tomorrow (Wednesday) and will be camped for two weeks.

Mr. and Mrs. John R. Jeffries of Rehoboth spent last Saturday night and Sunday with relatives near Ararat.

David Garner, son of J. G. Garner of near Grindal Shoals bridge, is confined to his bed with malarial fever. We all hope to hear that he will be up and going soon.

Mr. Paul Jeffries of near Rehoboth spent last Saturday night and Sunday with relatives and friends near Ararat.

Protracted meeting will begin at Rehoboth church on next Sunday morning, July 29th, and will continue through the week.

This writer spent a few hours in Union last Tuesday and spent the night in Jonesville with Mr. and Mrs. R. A. Lee. How glad you are made to feel when you enter the home of Mr. and Mrs. Lee, where there is such kind hospitality.

The farmers will have to plough on up in August this year if they lay by their crops. Some have already laid by and some have not. The weather bureau speaks of a flood coming and I believe it will come before it is over, but all of this rain may be all for the best; we can't tell, for no one knows but the Almighty above. Jake.

### KELTON

Kelton, July 24.—Rains have been general, I think, and they came in good time for crops an dgardens were suffering for rain badly and the weather indicates more soon.

News is scarce except war talk. More republics seem to be getting ready to join in the great war. There is no telling when what the final end will be. The world has been looking for Russia to come down the side, but there is no telling where they will finally land.

The farmers will finish laying by their crops now. Crops generally look fine, although cotton is late and not very promising on red lands.

Mr. McKelly of Charlotte is visiting his many friends on the Ridge. His health is not very good. He has rheumatism.

We are blessed with a bountiful crop of fruit and it will go a long way on the food question.

If the editor will give a little free advertising I will offer a fine fowl for sale. She wears ten toes, is the color of a brown leghorn and if she has laid one egg this year I do not know it. She is in the house whenever she can get in. I never have seen her hunting a nest or cackling and the other evening when I was gathering up the eggs as I usually do, she was on a nest wanting to set. Well, I guess she is a patriotic hen like some of our men. If she did not lay any eggs she would raise some chicks to help feed the army. She's for sale.

I notice through the press that the social ladies of Washington are going to join in with the rest of us to cut rations to help carry on the war to success by cutting down meat to one meal a day. If some of us cut out one day we will cut the whole meat question out. G. T. G.

### NEW HOPE

New Hope, July 24.—As we didn't have any news last week so will try to tell all this time.

Our tomato club girls attended the short course last week in Union and must say every day was enjoyed by all the club girls and we feel we have derived a whole lot of inspiration from the good speakers we had with us.

We certainly owe credit to our home agents for placing such pleasant times for us and also to the people of Union for so kindly entertaining us.

Our protracted meeting is now going on at New Hope, having two services a day, at 10:30 o'clock in the morning and 8:00 o'clock at night. Rev. Mr. Kinard is holding the services, assisted by the singer, Mr. Watson, and musician, Mr. Landrum. Have not put up tent yet; probably will before meeting closes. Everybody come as we are having a fine meeting.

Mrs. W. S. Newton of Greenville is visiting parents, Mr. and Mrs. B. M. Becknell.

Miss Alleen Sprose of Sedalia is visiting grandparents, Mr. and Mrs. B. W. Whitlock.

Misses Arline and Ruth Whitlock left last week for Norfolk, Va., to visit relatives there.

Miss Sara Hughes of Brown Creek visited at the home of Mr. and Mrs. J. W. Scott Sunday. Vero.

### MRS. HAGUEWOOD'S

#### CASE INTERESTING

Story of Anderson Woman is Amazing in Some Details.

#### MADE GREAT CHANGE

Has Words of Advice and Comfort For All Troubled as She Was.

"I think every ailing person ought to take Tanlac," declared Girtie Haguewood, of 60 Riverside, Anderson, in a statement she gave May 26th. "I suffered from an aggravated liver trouble and kidney trouble and was on the verge of a general breakdown when I began taking Tanlac. I had dizzy spells that would be so bad I would fall and I suffered a great deal from this and the pain that went with the attacks of liver trouble. My back hurt me so terribly that I would have to have help to get out of bed, and I had the most awful attacks of sick headache imaginable. My skin had become so dark that I was almost brown, because of the liver trouble. I was just barely able to be up and I could not work.

"But the Tanlac got me in fine shape, and I am strong and hearty now. My skin has cleared up a lot and I do not have those dizzy spells nor the headaches now. I have a fine appetite and I never belch up my food like I used to. The Tanlac got my kidneys and back in fine condition, too, and I'm not troubled with backache now. It is a great medicine, Tanlac is."

For sale by Palmetto Drug Co., Union; Buffalo Drug Co., Buffalo; K. D. Bailey, Carlisle; B. G. Wilburn & Son, Cross Keys; Jonesville Drug Co., Jonesville; Lockhart Mills Store, Lockhart; R. J. Fowler, Monarch.

#### TRY IT AND SEE.

A few years ago, while watching a parade in Boston in which the Stars and Stripes were conspicuous, a fair foreigner with strong anti-American proclivities turned to a companion and, commenting on the display, pettishly remarked:

"That American flag makes me sick. It looks just like a piece of checker-berry candy."

Senator Lodge, who was standing nearby, overheard the remark, and turning to the young lady, said:

"Yes, miss, it does. And it makes every one sick who tries to lick it.—Ladies' Home Journal.

#### UNSHAKEN TESTIMONY.

Time is the test of truth. And Doan's Kidney Pills have stood the test in Union. No Union resident who suffers backache, or annoying kidney trouble, can remain unconvinced by this twice-told testimony.

Mrs. F. B. Scott, 5 Hix St., Union, says: "My kidneys were in bad shape and I suffered from dizzy and nervous spells. My head ached, too. Finally I got Doan's Kidney Pills from the Palmetto Drug Co., and they relieved me."

OVER THREE YEARS LATER, Mrs. Scott said: "I haven't had the least sign of kidney trouble since I used Doan's Kidney Pills."

Price 60c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Scott has twice publicly recommended. Foster-Milburn Co., Props., Buffalo, N. Y.

When a man has a kind word for everybody general curiosity is aroused until it is discovered what office he is running for.

### LOOK AT A CHILD'S TONGUE WHEN CROSS, FEVERISH AND SICK

Take No Chances! Move Poisons From Liver and Bowels at Once.

Mothers can rest easy after giving "California Syrup of Figs," because in a few hours all the clogged-up waste, sour bile and fermenting food gently moves out of the bowels, and they become tightly packed, liver gets sluggish and stomach disordered.

When cross, feverish, restless, see if tongue is coated, then give this delicious "fruit laxative." Children love it, and it can not cause injury. No difference what ails your little one—if full of cold, or a sore throat, diarrhoea, stomach-ache, bad breath, remember, a gentle "inside cleansing" should always be the first treatment given. Full directions for babies, children of all ages and grown-ups are printed on each bottle.

Beware of counterfeit fig syrups. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," then look carefully and see that it is made by the "California Fig Syrup Company." We make no smaller size. Hand back with contempt any other fig syrup.

### WACO TONIC

Never fails to prove its merits in such complaints as Indigestion, Malaria, Rheumatism, Dyspepsia, That Tired Feeling, Neuralgia, Constipation, Heart Trouble, Eczema, Sick Headache, Catarrh and Nervousness. Price 50c per bottle at (Old Milhous Drug Store)

It is unlucky to enter by the back door the house you are to occupy. If an old broom is taken along with the household goods the new home will always be dirty.

## Like a Boy at 50 Bubbling Over With Vitality—Taking Iron Did It

Doctor says Nuxated Iron is greatest of all strength builders. Often increases the strength and endurance of delicate, nervous folks 100 per cent. in two weeks' time.

New York, N. Y.—Not long ago a man came to me who was nearly half a century old and asked me to give him a preliminary examination for life insurance. I was astonished to find him with the blood pressure of a boy of 20 and full of vigor, vim and vitality as a young man; in fact, a young man he really was notwithstanding his age. The iron he was taking iron—Nuxated Iron had filled him with renewed life. At 20 he was in bad health; at 46 he was careworn and nearly all in. Now at 50, after taking Nuxated Iron, a miracle of vitality and his face beaming with the buoyancy of youth, as I have said a hundred times over, iron is the greatest of all strength builders. If people would only take Nuxated Iron, then they feel weak or run down, instead of dosing themselves with habit-forming drugs, stimulants and alcoholic beverages I am convinced that in this way they could ward off disease, prevent it becoming organic in thousands of cases, and thereby the lives of thousands might be saved who now die of kidney, liver, heart trouble and other dangerous maladies. The real and true cause which started their diseases was nothing more nor less than a weakened condition brought on by lack of iron in the blood. Iron is absolutely necessary to enable your blood to change food into living tissue. Without it, no matter how much or what you eat, your food merely passes through you without doing you any good. You don't get strength out of it, and as a consequence you become weak, pale and sticky looking, just like a plant trying to grow in a soil deficient in iron. If you are not strong or well, you owe it to yourself to make the following test: See how long you can work or how far you can walk without becoming tired. Next take two five-cent tablets of ordinary Nuxated Iron three times per day after meals for two weeks. Then test your strength again and see for yourself how much you have gained. I have seen dozens of nervous, run-down people who were ailing all the while double their strength and endurance and entirely get rid of all symptoms of dyspepsia, liver and other troubles in from ten to fourteen days' time simply by taking iron in the proper form. And this after they had in some cases been doctoring for months without obtaining any benefit. But don't take the old forms of reduced iron, iron acetate or ferrous sulphate simply to save a few cents; they do not take iron in a form that can be easily absorbed and assimilated like Nuxated Iron. If you want it to do you any good, otherwise it may prove worse than useless. Many an athlete or prizefighter has won the day simply because he knew the secret of great strength and endurance and filled his blood with iron before he went into the arena, while many another has gone down to inglorious defeat simply for the lack of iron.—E. Sauer, M.D.

NOTE—Nuxated Iron recommended above by Dr. E. Sauer, is one of the newer organic iron compounds. Unlike the older inorganic iron products, it is easily assimilated, does not irritate the teeth, makes them black nor upset the stomach, on the contrary, it is a most potent remedy in nearly all down conditions, as well as for nervous, run-down conditions. The Manufacturers have such great confidence in Nuxated Iron that they offer to forfeit \$100.00 to any charitable institution if they cannot take any man or woman under 60 who lacks iron and increase their strength 100 per cent. or over in four weeks' time provided they have no serious organic trouble. They also offer to refund your money if it does not at least double your strength and endurance in ten days' time. It is dispensed in 5c and 10c quantities.
