GERMANS MAKE FIERCE COUNTER ATTACKS BUT FAIL TO REGAIN GROUND

A torrential rainfall and the resultant turn of the battlefield into a veritable quagmire almost halted during Wednesday the great Allied offensive against the Germans in Flanders. For the most part, the day was spent by the British and French troops in consolidating positions won in Tuesday's spectacular drive, or in putting down strong German counter-attacks, made in endeavors to wrest from their antagonists their former positions. At two points near Ypres, the Germans, using great masses of men, were successful in their counter-attacks against the British, but this advantage was offset in the Zillebeke and Yser canal sectors, where respectively the British and French troops advanced their lines. Meanwhile the guns of the belligerents are continuing to roar all along the entire front in reciprocal bombardments preparatory to the recommencement of the infantry battle when the clouds lift and the rainfall ceases. German Losses Heavy. The losses of the Teutons in the fighting thus far have been extremely heavy, the ground at various points being covered with their dead—some of the killed mere school boys and seemingly unfitted physically for the arduous trials the soldiers in the present war must undergo. In addition, the British alone have taken more than 5,000 prisoners—4,000 of them on the Ypres salient. On the southern end of the front,

in the region of the Aisne and on the Verdun sector, the Germans continue to carry out offensive operations against Gen. Petain's armies. In spite of their heavy bombardment along the entire Aisne region, however, the French in a vigorous counter-attack east of Cerny again have made progress and taken prisoners. On the other hand, the Germans northwest of Verdun in an attack were unable to penetrate French first line trench elements in the region between the Avocout woods and Hill 304. On Eastern Front. Although the Austro-Germans continue to press the Russians in Galicia and Bukovina, having taken an additional position from them along the Horoduka Czernowitz railway and north of the Dniester river, the Russians southeast of Tarnopol in the vicinity of Trembowla have taken the offensive in an endeavor to prevent the northern end of their line in Galicia from being pushed back farther toward the Russian frontier. The Russians have been successful in capturing one enemy vantage point. On the northwestern frontier of Rumania the combined Russo-Rumanian forces are keeping up their advantage against the Austro-Germans. In their smash at the enemy line between the Putna and Casin valleys they have penetrated it to a depth from 10 to 12 miles and captured 98 guns and in the neighborhood of 4,500 prisoners.

TWO LADS ARRESTED.

Charges of Robbery Lodged Against Them—Claims to Be From Spartanburg.

Haskell Tinsley, aged 13, and Walter Cansler, aged 14, both white, were arrested in Jonesville Thursday afternoon by Chief of Police Ross and put in the lock-up. Soon after the boys were locked up Chief of Police Milo H. Evans, from Union, accompanied by Policeman Porter, came up and brought both boys to Union, and had them locked up. The boys had in their possession a considerable sum of money. They had one kodak, two pistols, two pocket knives, one razor, one fountain pen, two breast pins, two lockets, three watches, three finger rings and \$57 in money. The boys confessed to having robbed a Greek lady at Spartanburg, whose home was in Savannah, Ga., but who was attending a wedding at the home of N. S. Nakas in Spartanburg on Sunday. One watch and one pistol they claimed to have gotten from the home of an uncle of one of the boys in Columbia. A number of articles were taken from the rooms of guests at the Wilburn boarding house in Union. A fine of \$20 each was lodged against them in Jonesville and \$10 each against them in Union. If the parents or guardians of these boys do not come to their relief they will be turned over to the sheriff and the criminal court.

JEWELRY STORE WAS ROBBED LAST NIGHT

(Columbia Record) The jewelry store of Wiesepepe Manufacturing company, 1517 Main street, was broken into Tuesday night and gold watch cases to the amount of about \$0 were stolen. The robbery was discovered this morning when Mr. C. M. Wiesepepe opened the store. Entrance had been gained by unscrewing the bolts of the iron grating over a window at the rear of the store. The firm is a member of the Jewelers' Secret Alliance which offers a standing reward of \$100 for the arrest and conviction of anyone breaking into a store that is a member of the alliance. Mr. Wiesepepe communicated with the police and detectives have been assigned to investigate the robbery.

EQUIPMENT FOR ONE PATIENT.

So many people have expressed a desire to know just what is needed for one patient in the Red Cross hospital that Mrs. J. W. Mixson, secretary of the local chapter, has given The Times the list of articles needed, which we gladly publish. It may be that some society or person would like to make the equipment for one patient. If so, read the list below: Three pajamas. Four hospital bed shirts. One convalescent gown. Two pairs socks. Two pairs bed socks. Ash bath towels. One pair slippers. Six handkerchiefs. Make according to specifications. Wrap each equipment in one parcel and mark "Equipment for one Patient."

HUNG TO RAILWAY TRESTLE.

Butte, Mont., Aug. 1.—Frank Little, member of the executive board of the Industrial Workers of the World and a leader in labor troubles in Arizona, was taken from a lodging house early today by masked men and hanged to a railroad trestle on the outskirts of the city. The body was cut down at 8 a. m. by the chief of police, Jerry Murphy, who identified it. Little, in a recent speech here, referred to United States troops as "Uncle Sam's scabs in uniform."

DRAFTED INTO ARMY. COMMITTED SUICIDE

Savannah, Ga., July 28.—James B. Nabors, of Greensboro, Ala., one of several thousand young Americans who held draft number 258, the first one drawn in the war lottery, shot and killed himself in a local hotel tonight. By his side was found official notification to report to the exemption board at Greensboro. Nabors was 29 years old and a travelling salesman. His friends here said he had brooded over the probability of being drafted into the army.

SOUTH CAROLINIAN IS HONORED IN LOUISIANA

W. R. Goss, formerly of Union, now superintendent of the waterworks department at Shreveport, La., has been released temporarily from that position in order that he may take charge of and design the water supply and other engineering work at Camp Beauregard, Alexandria, La. A million and a half gallons of water must be produced and the work must be completed by August 15. This is quite a compliment to Mr. Goss' ability and the city commissioners of Shreveport readily gave him a leave of absence while he was engaged in the work. A Shreveport paper, in complimenting on the appointment, said that the friends of Mr. Goss felt "more like complimenting the government in selecting him than in complimenting Mr. Goss himself." The paper adds: "Mr. Goss is recognized as one of the most practical and expert waterworks engineers in the South today." Mr. Goss attended the Citadel at Charleston and later graduated from Lehigh university. He is a brother of Mrs. D. S. Pope of Columbia and of W. W. Goss of Columbia.—Columbia Record.

COUNCIL OF DEFENSE MET HERE SATURDAY

FORMER UNION MAN DEAD.

H. K. Drew Killed by Lightning. Tragedy Occurred at Residence in Orangeburg Friday Evening.

Mr. H. K. Drew, until recently prominently connected with the Union-Buffer mills here, but for the past few months general manager and vice president of Santee Mills, Orangeburg, was struck by lightning and instantly killed Friday afternoon about 6:30 o'clock. Mr. Drew had just returned from his office and was washing his hands in the bath room when the bolt came in and struck him dead. News of Mr. Drew's death was learned with regret by the people of Union. He was held in high esteem by the citizens generally, and was a progressive and thoroughly competent mill man. During his several years' stay here he was a strong supporter of every public cause, giving a particularly strong encouragement to the Union Chamber of Commerce and to public questions generally. He is survived by his wife and one son, Mr. Harold Drew, now in the United States navy.

RED CROSS CHAPTER ACTIVE.

First Entertainment Held Last Week Will Raise Money to Buy Material.

The ways and means committee of the Union county Red Cross chapter are planning to give a series of entertainments to make money with which to purchase materials for work. The first entertainments was held Thursday afternoon with Mrs. F. J. Parham on Keenan avenue and a large crowd of interested women gathered and spent a delightful time sewing rags which are to be sent to the factory and woven into carpets. Mrs. Parham had one of the rugs will not tin and so pleased were the ladies with it that orders for rugs will not be hard to get. Delicious fruit punch was served throughout the afternoon by Mrs. J. Come and bring your needle, thimble, scissors and a bag of rags and have a good time.

FINE FIELD OF CORN.

The corn being grown by Mr. J. A. Wilburn, near Hebron church, is one of the finest pieces of corn we have seen in many a day. It looks like a canebrake and is as green. It is, as Mr. L. J. Browning said in a recent speech here, an inspiration to look at this field of corn. If this is anything like a fair index to the general condition over the county we do not think our people need fear starvation another year.

MOTHERS' PRAYER MEETING.

The mothers' prayer meeting will be held at the Seminary Friday afternoon at 7 o'clock instead of 6:30 o'clock as heretofore announced. Mrs. B. G. Clifford urges every mother, sister, wife, sweetheart and everybody who has a relative or friend in Uncle Sam's army to meet at the Seminary and pray that these boys may be sent back to us. And remember every day at 12 o'clock to stop just one second and say, "God bless and keep our soldier boys and the cause for which they are fighting." This prayer from the heart of Union county will be a mighty safeguard and comfort to these boys when far away from home.

Rev. L. W. Blackwelder will preach in the Edisona theatre Sunday afternoon at 4:30 o'clock. Everybody is invited to attend. The first 600 to come get seats; the others will have to stand. Come, and invite some one to come with you.

Refreshments will be served during the demonstration, and an admission of 10 cents will be charged, the proceeds being given to the local Red Cross. Mr. Higgins has also kindly agreed to give 10 per cent of his sales in Union for the benefit of the local Red Cross, which should be the means of a substantial addition to this fund, as under a similar arrangement in a nearby city the Red Cross receive \$120. It is hoped that every lady, especially housewives, will be in attendance Friday morning.

MR. BOOTH HART REJECTED OWING TO DEFECTIVE VISION

Mr. Booth Hart, second lieutenant in Co. E, has been turned down by the examiners on account of defective eyesight. He passed every requirement save the eyesight test. Mr. Hart is a popular young man, and his many friends will regret that he has met with this disappointment.

ASKED FOR SUGGESTIONS.

The ways and means committee of the local Red Cross welcome suggestions for making money to swell the fund for this noble work. What can you suggest? Write your friends out of town and ask them for suggestions, as to what their local branch of the Red Cross is doing to this end. The local chapter acknowledges with thanks a contribution of crocheted lace from Miss May Lily Gregory. Many contributions of tin foil, bottles and rummage have been received, all of which is being saved, and will be converted into cash in different ways, one plan is a rummage sale, which will be held shortly.
