Safeguards Health of The Children

Constipation, or inaction of the bowels, is a great menace to health. Cathartic or purgative remedies should never be given to children as the violence of their action tends to upset the entire digestive system. A mild laxative is far preferable, and the combination of simple laxative herbs with popain known as Dr. Caldwell's Syrup Pepsin, and its constituent drug stores for fifty cents a bottle, is highly recommended. This preparation contains no opiate, narcotic or habit-forming drug of any description, is mild and gentle in its action, and brings relief in an easy, natural manner. Its pleasant taste appeals to children and they take it readily.

Thousands of mothers have testified to the merit of Dr. Caldwell's Syrup Pepsin, and in countless homes it is the standard family remedy. A trial bottle, free of charge, can be obtained by writing to Dr. W. E. Caldwell, 425 Washington St., Monticello, Illinois.
