Mr. James Betenbaugh, who has been desperately ill with appendicitis, is slowly recovering, and his friends wish for him complete recovery.

Misses McCutcheon have returned to their home after a fortnight's visit to relatives at Seneca and Mr. and Mrs. Arthur Cottingham at Greenville.

Mrs. Davis Jeffries was called to Spartanburg last week on account of the serious illness of her brother, Mr. J. Ebb Jeffries, who was at the Steedley hospital.

Mr. Perry White, who has held a position with Glymph's Pharmacy for some months, has resigned and accepted a similar position with Wingfield in Columbia.

Mrs. J. E. Tinsley and children are in Chester the guests of Mrs. S. W. Pryor, for several days. S. W. Pryor, Jr., who has been visiting here, returned with them.

## SHELTON

Shelton, Sept. 10.—There was a picnic at the Crosbyville school house on last Saturday. Refreshments were served on the ground and the proceeds went to the ball team. There was a good attendance and the picnic proved quite a success. The Monarch ball team met the Crosbyville team on the latter's diamond. The game was decided in favor of Monarch, 9 to 6.

Cotton picking is the order of the day. Everyone seems to be busy and on the job. The price is declining. I can't see any reason why, for if all the crops in the cotton belt are like ours in this section it should bring 50 cents a pound. I see Senator Smith says he is going to look into why the price of cotton is declining, so we farmers think there should be something done for if the farmer falls the merchant falls and just a few speculators get the whole. Now is the time for the farmers to organize their farm loan associations, get their money and hold their cotton. This money is available and can be secured at a very low rate of interest.

Mrs. V. H. Kettles, who has been confined to her home for some time sick, is improving very slowly. We hope for her a speedy recovery.

Mrs. Mary E. Dickerson is quite sick at her home near Shelton. On account of the sickness of our teacher, Miss Nettie Sandifer, our school will not open on Monday, Sept. 10th. We will announce later the opening of the school. We hope she will soon be well and at her duties.

The fox hunters came down and tried some of the red foxes but don't think they had any luck. There was one good fiddler and one good dancer in the crowd. This Pea Ridger met the Shelton dancer on the floor and bet they had some old time dancing. I haven't learned which was awarded the prize, but I think it was in favor of the Pea Ridge man, for he was the biggest footed and kept the best time.

## NOTICE

State of South Carolina,  
Union County.

Notice is hereby given that Mrs. Leila Sprouse Alexander, widow of the late Ed Sprouse, has filed with me a petition praying that a homestead be set off to her and her minor children in the lands owned by the said Ed Sprouse at the time of his death.

R. C. WILLIAMS,  
Clerk of Court.

Sept. 4, 1917. 36-4

## NOTICE TO TEACHERS.

All teachers, both white and colored, are requested to call at the office of the County Superintendent of Education at the County Court House at Union to secure a list of latest adopted books and course of study, so that they may govern themselves accordingly as books that have heretofore been used cannot in many instances be used the coming school term.

By order of the County Board of Education.  
J. H. Hope,  
Superintendent.

## LIFT YOUR CORNS OFF WITH FINGERS

Tells How to Loosen a Tender Corn or Callus So It Lifts Out Without Pain.

You reckless men and women who are pestered with corns and who have at least once a week invited an awful death from lockjaw or blood poison are now told by a Cincinnati authority to use a drug called freezone, which the moment a few drops are applied to any corn or callus the soreness is relieved and soon the entire corn or callus, root and all, lifts off with the fingers.

Freezone dries the moment it is applied, and simply shrivels the corn or callus without inflaming or even irritating the surrounding tissue or skin. A small bottle of freezone will cost very little at any of the drug stores, but will positively rid one's feet of every hard or soft corn or hardened callus. If your druggist hasn't any freezone he can get it at any wholesale drug house for you.

Mr. C. T. Murphy was called to Charlotte, N. C., last week on account of the serious illness of his mother, Mrs. Maria L. Murphy. Mrs. Murphy has been in Charlotte for sometime visiting her granddaughter, Mrs. Oren Moore, and it is at her home where she is ill.

## LEMONS WHITEN AND BEAUTIFY THE SKIN

Make This Beauty Lotion Cheaply for Your Face, Neck, Arms and Hands.

At the cost of a small jar of ordinary cold cream one can prepare a full quarter pint of the most wonderful lemon skin softener and complexion beautifier, by squeezing the juice of two fresh lemons into a bottle containing three ounces of orchard white. Care should be taken to strain the pulp through a fine cloth so no lemon juice gets in, then this lotion will keep fresh for months. Every woman knows that lemon juice is used to bleach and remove such blemishes as freckles, sallowness and tan and is the ideal skin softener, whitener and beautifier.

Just try it! Get three ounces of orchard white at any drug store and two lemons from the grocer and make up a quarter pint of this sweetly fragrant lemon lotion and massage it daily into the face, neck, arms and hands. It is marvelous to smoothen rough, red hands.

## EVER SALIVATED BY CALOMEL? HORRIBLE!

Calomel is Quicksilver and Acts Like Dynamite on Your Liver.

Calomel loses you a day! You know what calomel is. It's mercury; quicksilver. Calomel is dangerous. It crashes into your bile like dynamite, cramping and sickening you. Calomel attacks the bones and should never be put into your system.

When you feel bilious, sluggish, constipated and all knocked out and believe you need a dose of dangerous calomel just remember that your druggist sells for 50 cents a large bottle of Dodson's Liver Tone, which is entirely vegetable and pleasant to take and is a perfect substitute for calomel. It is guaranteed to start your liver without stirring you up inside, and can not salivate.

Don't take calomel! It makes you sick the next day; it loses you a day's work. Dodson's Liver Tone straightens you right up and you feel great. Give it to the children because it is perfectly harmless and doesn't gripe.
