**HERE IS A STORY THAT IS RATHER GRUESOME**

In one of the companies there is an enlisted man whose name will not be given here. He is one of the foremost embalmers in the country, and perhaps, in the world. He is, in addition a graduate in surgery and chemistry, and knows painting and sculpture. He studied all these things in order to become what he is—the foremost embalmer. He is connected with one of the leading undertaking establishments in New York city, and his salary is \$10,000 a year. It has happened more than once that a person has been killed by accident, resulting in facial disfigurement. This embalmer had been able to rebuild the disfigured features, with wax and paint, so that one not knowing better would never dream the features had been marred. He has done this repeatedly, in New York and other cities, and by those who know him and his work he is rightly regarded as one of the world's greatest artists. It is a rather gruesome line of endeavor, some may think, but it was his own choice, and he has gone to the very top in it.

Today he is an enlisted man in the army, getting \$30 a month. Yesterday he was in charge of a squad of men who were engaged in cleaning a company street, and he was giving his undivided attention to the work and making a good job of it indeed.

Some of those who knew him and his history could not help but express the hope that there would be no call for his professional skill while he is in the army.—Spartanburg Herald.

**LIEUT. FITZSIMMONS IS KILLED IN FRANCE**

Washington, Sept. 8.—The death of First Lieut. William T. Fitzsimmons, medical corps, U. S. A., killed Thursday when German aviators bombed hospitals behind the lines in France, was announced in a dispatch received by the war department tonight from the military attache of the American embassy at London.

It was the first news the department had received about the attack upon the hospitals. No mention was made in the message of other Americans reported killed in press cables.

Lieut. Fitzsimmons joined the army medical forces at Kansas City, his home, last May and recently was attached to the British forces. He was just 20 years of age and a graduate of Kansas University. Shortly before entering the army he had returned home after spending a year doing hospital work in France.

**COULD HARDLY STAND ALONE**

**Terrible Suffering From Headache, Sideache, Backache, and Weakness, Relieved by Cardui, Says This Texas Lady.**

Gonzales, Tex.—Mrs. Minnie Philpot, of this place, writes: "Five years ago I was taken with a pain in my left side. It was right under my left rib. It would commence with an aching and extend up into my left shoulder and on down into my back. By that time the pain would be so severe I would have to take to bed, and suffered usually about three days... I suffered this way for three years, and got to be a mere skeleton and was so weak I could hardly stand alone. Was not able to go anywhere and had to let my house work go... I suffered awful with a pain in my back and I had the headache all the time. My life was a misery, my stomach got in an awful condition, caused from taking so much medicine. I suffered so much pain. I had just about given up all hopes of our getting anything to help me.

One day a Birthday Almanac was thrown in my yard. After reading its testimonials I decided to try Cardui, and am so thankful that I did, for I began to improve when on the second bottle... I am now a well woman and feeling fine and the cure has been permanent for it has been two years since my awful bad health. I will always praise and recommend Cardui." Try Cardui today. E 78

**THAT MORNING LAMENESS.**

If you are lame every morning, and suffer urinary ills, there must be a cause. Often it's weak kidneys. To strengthen the weakened kidneys and avert more serious troubles, use Doan's Kidney Pills. You can rely on a Union man's testimony.

R. S. Foster, wheelwright, 95 W. Main St., Union, says: "Years of hard work brought on inflammation of the bladder and kidney trouble. I could hardly get out of bed mornings, I felt so stiff and lame. My kidneys acted too freely, obliging me to get up several times at night and the secretions burned in passage. When I read about Doan's Kidney Pills, I got a supply from the Palmetto Drug Co. I felt relieved after I had taken a few doses and one box rid me of backache. I was soon fixed up in good shape."

Price 60c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Foster had. Foster-Milburn Co., Props., Buffalo, N. Y. 36-2
