

Now Is a Good Time To Treat Your Catarrh

Mild weather aid treatment. Don't be misled into thinking that your Catarrh is gone. The first touch of winter weather will bring it back with all its discomforts. But this is an excellent time to thoroughly cleanse the blood of the germs of Catarrh, and be forever rid of the troublesome sprays and douches that can never cure you. S. S. S., the great blood purifier, searches out the germs of Catarrh which infest your blood, and chases them entirely out of your system. It is by far the most satisfactory treatment for the disease, because it reaches down to its very roots and gets at the cause. Write to-day for full information, and expert medical advice regarding the treatment of your own case. Take advantage of this chance to-day. Address Swift Specific Co., Dept. G Atlanta, Ga.

Cattle relish the sweet odor of wet Buckeye Hulls

BUCKEYE HULLS, after being wetted down for ten or twelve hours, acquire a taste or odor similar to the succulent ensilage odor that cattle like so well. Simply feed

BUCKEYE HULLS
COTTONSEED
LINTLESS

properly and your stock will like them better than any other roughage. Once they are accustomed to them, they will not be satisfied with anything else.

There is every reason why your cattle should relish Buckeye Hulls. They are all roughage; no lint that is worthless as forage; no dirt, trash or dust.

Other Advantages

Buckeye Hulls cost much less per ton than old style hulls. They take less space in the barn. Buckeye Hulls allow better assimilation of other food. They are sacked—easy to handle. Every pound goes farther. They mix well, when wet, with other forage.

Mr. L. R. Farmer, Louisville, Ga., says:

that he has used no other hulls but Buckeye for the past year and gets good results. Cows have not been bothered with cough since using Buckeye Hulls.

To secure the best results and to develop the ensilage odor, wet the hulls thoroughly twelve hours before feeding. It is easy to do this by wetting them down night and morning for the next feeding. If at any time this cannot be done, wet down at least thirty minutes. If you prefer to feed the hulls dry, use only half as much by bulk as of old style hulls.

Book of Mixed Feeds Free

Gives the right formula for every combination of feeds used in the South. Tells how much to feed for maintenance, for milk, for fattening, for work. Describes Buckeye Hulls and gives directions for using them properly. Send for your copy to the nearest mill.

LOCKHART JUNCTION

Lockhart Junction, Oct. 8.—The weather the past week has been fine for gathering. Cotton has just taken a start to open in some places. A great many are talking of its opening so slowly. Well, the most of the cotton is late. I see now that the fields are getting white everywhere I go. The busy season is on at last and there will be a rush from now on until it is all picked out. The price is tending upwards it seems and I hear some few say they are going to get 30 cents for their cotton. Well, I believe it will bring that if it is not marketed too fast.

This writer met Messrs. W. C. Faucett, A. A. Adams and M. E. Hill, better known as "Frog Eye." These are soldier boys who have been home for a while on furlough. These young men are from Pinkney township, but but Mr. Hill. He is from North Carolina. They are with Co. E of Union company. Mr. Frost Walker is their captain. They have been moved from Columbia to Greenville. They all look well, and say they are treated well. I was glad to meet these young men as I know them all and I will say, Boys, be good and let it be said of you if you should live to come back that you are the same good boys; have that same good name that you went off with.

I attended the box supper at the Fair Forest or Page school house as better known now, last Saturday night. This was given by the little Sunbeam girls, Misses May Johnson and Myrtle Reeves are the leaders of this Sunbeam band. These girls have their meetings every Sunday afternoon at the school house. They read the Bible and other things of interest, as they tell me they work for missions. They are doing a good work. There was a large crowd at the supper and they made a nice little sum of money. There was fun for everyone. Mrs. Lester of Jonesville rendered some fine music on the piano; also making recitation. Miss May Johnson gave a recitation. There was a cake walk, a guessing contest and other amusements.

Mr. and Mrs. T. B. Kelly, Mr. and Mrs. A. Lee Gault and Miss Margaret Fowler motored to Chester Sunday.

Miss Ella Earle and Miss Sallie Cunningham, who are teaching school at Leeds, spent the week-end with Mrs. W. H. Page and Mrs. Lester Reeves.

We hear today that Mr. R. W. Adams, who lives near Kelton, fell off a load of wood he has on his wagon and the wagon ran over him, bruising him up pretty badly. We are in hopes he is not seriously hurt.

I must say for Mr. W. H. Page, who is township commissioner of Jonesville township, has had some good work done on the road near Lockhart Junction on what is known as the Orr hill. The neighbors around in this section helped. Has dragged down and widened out this road. So now two automobiles can pass and it is not near so steep. Again, he is the only commissioner that I have seen with a shovel. He doesn't only superintend but gets down in the ditch himself with his shovel and helps.

Well, we don't read any more from our correspondent writer, G. T. G. He was a faithful writer to The Times but he is gone now and it does appear to me that there will be or is an echo of his voice that will live throughout endless ages. I heard some say there were going to clip his last letter and keep in memory of him. Now you see our good words follow us, as the wise man said, "A good name is better to be chosen than great riches."

I see that the editor, L. M. Rice, will get out a daily paper. I think that is the thing. Why shouldn't Union have a daily paper as well as other places? Moxey.

FIGHTING SAME BATTLES.

A splendid spirit of patriotism was shown by white troops toward the negroes being mobilized at Camp Jackson yesterday. When a train bearing several hundred negroes drove into the camp the white troops broke spontaneously into lusty cheering, which was taken up along the line until it extended far away into the lines of barracks.—The State.

ALMOST LIKE A MIRACLE WAY TANLAC WORKED

Mrs. Evans Says Those Terrible Spells Have Been Relieved.

SUFFERED 12 YEARS

Very First Dose of Tanlac Made Slight Change for Better—Is Unusual Statement.

After suffering twelve years, the last several months of which was so severe she believed herself on the verge of the grave, Mrs. Ella Evans, of Iva, S. C., R. F. D. 4, in June, 1916, had obtained so much relief from Tanlac that "it seemed almost like a miracle the way Tanlac worked," according to her description. Mrs. Evans gave the following statement regarding the benefit Tanlac gave her: "I suffered from a very bad case of stomach trouble for twelve years before I began taking Tanlac, and it seemed that no medicine would break up my trouble. I frequently would have terrible spells when my nerves, nerves and stomach would all get out of order at the same time. I suffered terrible pain then. I had begun to fear I'd never be well again.

"At night I could not sleep well and I was so weak I could hardly be up. Really it seemed that my whole system was out of order in every way and I got no better, though I had the best medical attention.

"Some of my relatives persuaded me to take Tanlac. I have just finished my first bottle and just a short time ago I ordered the second. I am a great deal stronger now in every way and I've not had one of those terrible spells since I started taking Tanlac. My heart, nerves, stomach, liver and bowels have been regulated by the Tanlac. I have a good appetite, too, now.

"The very first dose of Tanlac made a slight change for the better, and in my case it seemed almost like a miracle the way Tanlac worked. In every way Tanlac has made my health better and I am so happy, for I believe I am on the road to recovery. I sure will continue to take Tanlac, for it certainly is wonderful."

For sale by Palmetto Drug Co., Union; Buffalo Drug Co., Buffalo; K. D. Bailey, Carlisle; B. G. Wilburn & Son, Cross Keys; Jonesville Drug Co., Jonesville; Lockhart Mills Store, Lockhart, R. J. Fowler, Monarch.

DON'T RISK NEGLECT.

Don't neglect a constant backache, sharp, darting pains or bladder disorders. The danger of dropsy or Bright's disease is too serious to ignore. Use Doan's Kidney Pills as have your friends and neighbors. A Union case.

Mrs. R. N. Sprouse, 263 W. Main St., Union, says: "I was in a bad way with kidney trouble. I felt nervous and my health was shattered. The pains in the small of my back were terrible and they seemed to bother me more at night. There were other distressing kidney disorders, which annoyed me greatly. I doctored for six months and finally a friend told me to try Doan's Kidney Pills. I got some from the Palmetto Drug Co., and after I had taken one box, I felt relieved. I kept on until I had used six boxes and by that time all signs of kidney complaint left me."

Price 60c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Sprouse had. Foster-Milburn Co., Props., Buffalo, N. Y.

WEDDING ANNOUNCEMENT.

Laurens, Oct. 5.—Mrs. T. E. Todd, of Laurens, has informally announced the engagement of her cousin, Miss Dorcas Ray Calmes, to Mr. Robert A. Cooper. The wedding will take place next month at the home of the bride's uncle, who lives in Mississippi and will be a quiet home affair. This announcement is of cordial interest throughout South Carolina. Miss Calmes is widely known in social circles and educational circles, having, since her graduation from Winthrop College, taught at Albermarle, N. C., in her home town of Laurens and in Columbia. Mr. Cooper is a leading lawyer and was for several years solicitor of the 8th judicial circuit. In the political and public life of the county and state he has been prominent for several years.
