NO MORE CURRENCY PANICS

Do you remember the shut-downs, the business depression and the lack of employment which followed the currency panic of 1907?

To prevent another currency panic the Federal Reserve Banking System keeps on hand an immense supply of currency to furnish the banks which belong to the system of which we are one so that they may at all times meet the currency requirements of their depositors.

Doesn't it appeal to you to get its protection, without cost, by becoming one of our depositors?

LOCKHART

Lockhart, Oct. 18.—J. B. Lowery is the manager of our ice plant. He says the people of Lockhart use about four tons per day during the summer months.

One of the needs of our town is a laundry. It is getting so that the washing women want the worth of the linen to wash them. I believe a laundry would pay.

The Baptist church has purchased two stoves for the Baraca and Philanthropy rooms and they have been placed in the room and now it is comfortable in both rooms.

R. R. Bailey is the photographer in our town. His work is good and he works in the mill all day and develops pictures at night.

Our town is well supplied with coal and wood for the winter.

There are 300 pupils in the school here. It is beautiful to see each morning the boys and girls going to school.

Miss Pearl Littlejohn has a large music class and our people take a great interest in music.

Miss Lula Quarles, one of our teachers, carried her children hickory nut hunting Tuesday afternoon, the children enjoyed the outing very much. "All work and no play makes Jack a dull boy."

A. B. Davis and family moved to our town Wednesday from Gastonia, N. C. We welcome them to our midst.

Mrs. Oscar Myers went to Steedley's hospital today for treatment. We wish for her a speedy recovery.

Some people—good people—have the habit of moving from one place to another, never satisfied unless they are on the move. It seems to me it is a bad idea. If you have a healthy town among good people, it is the part of wisdom to remain in that town. It is said that enough people move from mill to mill continually to run from 20 to 25 per cent more machinery in the South than is being run now. This was the estimate made two years ago, but conditions are improving.

We have quite a number of families in Lockhart who own farms in the county; they have bought and paid for them since they came here.

Every man ought to own a home, he can if he will. Get to work, save your money and you will soon have enough to buy a home of your own.

Sam Hugher complimented a few of his friends with a 'possum and 'tater supper last Tuesday evening. Your correspondent and his better half were among the 'savore' ones.

Bebn Carter and Mrs. Carter, J. T. Littlejohn and Mrs. Sam McCullough motored to Union on Monday afternoon.

J. Roy Fant made a business trip to Union yesterday.

Some one said the hens had quit laying because they sent the shells to France. We have one or two that are shelling out.

**THROUGH USE OF ACID IRON
MINERAL DAUGHTER WAS
RESTORED TO HEALTH,
SAYS REV. O. B. NEW-
TON.**

The following tribute to a medicine from Reverend Doctor O. B. Newton, Pastor M. E. Church, speaks volumes for the medicinal value of natural iron as it is now concentrated, tested, and bottled by the Ferrrodine Chemical Corp. under the name of Acid Iron Mineral. He said:

"My little girl suffered from gastritis, acute Bright's disease, and developed symptoms of pellagra. For several months she was an invalid and reduced almost to a skeleton. No one who saw her thought she could possibly live. The best medical skill available was applied but with no results. She only grew worse until physicians told us not to be surprised at her death at any time. Our attention was first called to a kidney and bladder pill and we gave her part of one fifty-cent bottle, after which we gave her Acid Iron Mineral regularly. She is now well and has all her faculties well developed again and you would not guess she had ever had a sick day in her life by her appearance. We have recommended A-I-M to several friends and do most heartily recommend it to anyone suffering from any trouble which it claims to relieve." Respectfully, (signed) O. B. Newton, Pastor M. E. Church, South, Chat-ham, Va.

Unlike many prepared remedies containing iron, Acid Iron Mineral does not act as a laxative, but the necessity of keeping the liver and bowels working normally being so apparent, the Ferrrodine Chemical Corp. puts up an A-I-M Liver Pill in 25c boxes which are recommended as part of the treatment when using Acid Iron Mineral. These little pills are the best we can recommend and are very inexpensive.

Note: Acid Iron Mineral is just a highly concentrated form of natural medicinal iron, non-alcoholic and very economical. Whole families should take it. It never injures the teeth, goes from two to six times as far and is many times more powerful and efficient than other inferior preparations. A half teaspoonful in a tumbler of water after meals makes a delightful, invigorating and most unusual tonic, stomach, kidney and bladder regulator. Cleansing the blood, enriching and purifying it, watch how quickly the appetite increases and the user gains weight. Most druggists sell Acid Iron Mineral in both a large and small size bottle. MARBLE FLOOR FINISH**

For outside work and all surfaces exposed to water, use DEVOE Vernosite. It will not turn white from sleet or rain and the sun cannot blister it.

For inside wood-work, where extremely transparent varnish is required, use DEVOE Pale Interior. It heightens the natural beauty of the grain; is hard to mar and won't scratch white.

For all floors use DEVOE Marble Floor Finish. It water-proofs the wood, and enables it to withstand the severest wear and tear without marring. Excellent for linoleum.

**One Pair of Eyes to a
...Lifetime...**

Are you abusing and neglecting yours? If, so, you will pay the price later. More than two-thirds of all headaches arise from eye-strain. Dim vision, aching, burning eyes that soon tire, granulated lids and many other ills are due to some form of eye strain. In such cases there is but one remedy and that is an unflinching one—properly fitted glasses.

SCHOOL CHILDREN should have their eyes carefully examined before being taxed by study and if necessary, fitted with glasses.

An examination will cost you nothing, and if there is no need for glasses I will tell you so. My prices for glasses are very reasonable and I stand back of every pair with an absolute guarantee of satisfaction.

A Card of Thanks.

We wish to express our heartfelt thanks to our many friends of Union, and entire county, for their kindness and sympathy, shown us during the illness and death of dear husband and father. There will always be a warm place in our hearts for them. May God bless them all.

Mrs. John G. Farr and Family.

Keep Well

Do not allow the poisons of undigested food to accumulate in your bowels, where they are absorbed into your system. Indigestion, constipation, headache, bad blood, and numerous other troubles are bound to follow. Keep your system clean, as thousands of others do, by taking an occasional dose of the old, reliable, vegetable, family liver medicine.

Thedford's

Black-Draught

Mrs. W. F. Pickle, of Rising Fawn, Ga., writes: "We have used Thedford's Black-Draught as a family medicine. My mother-in-law could not take calomel as it seemed too strong for her, so she used Black-Draught as a mild laxative and liver regulator. We use it in the family and believe it is the best medicine for the liver made." Try it. Insist on the genuine Thedford's. 2c a package. E-75
