

What Do You Know About Your Blood Supply?

Your ignorance may startle you.

Few people know of the many functions of the blood supply, and just how important it is that it be kept absolutely free from all impurities. The health of the entire body depends upon the condition of the blood. You are invited to write and obtain a booklet that gives you some invaluable information on this im-

portant subject. It tells how to keep the blood strong and free from the many impurities to which it is constantly subject. It gives the history of S. S. S., the world's most successful blood remedy, which has been sold for more than fifty years by druggists everywhere. This book will be sent free to all who write to Swift Specific Co., Dept. A Atlanta, Ga.

Used successfully a whole year all over the South

BUCKEYE Lintless Hulls have been fed by farmers, dairymen and stockmen throughout the South for the past year. Reports from these feeders indicate that these lintless hulls when properly fed, are a great improvement over the old style hulls.

By actual use, these feeders have found the following advantages of using

Every pound of the Buckeye Hulls contains much more food value because the lint on the old style hulls has no food value. The price per pound of real roughage in the form of Buckeye Hulls is very much less than in the form of the old style hulls. Buckeye Hulls do not clog or flux the digestive tract. Other foods mixed with them are readily assimilated.

They are free of trash and dust. They are sacked and easy to handle. They take half as much space in the barn. If you have not tried Buckeye Hulls, please remember that thousands of feeders are using them and will use no other roughage. If you have not given Buckeye Hulls a fair trial, let the experience of these successful feeders guide you in using them as they should be used.

Mr. Olwey Yarber, Booneville, Ark., has fed a carload of Buckeye Hulls to cows and calves to get them ready for the range. He had been feeding hay and he finds that they did much better on Buckeye Hulls as roughage. He has another car of Buckeye Hulls bought.

To secure the best results and to develop the ensilage odor, wet the hulls thoroughly twelve hours before feeding. It is easy to do this by wetting them down night and morning for the next feeding. If at any time this cannot be done, wet down at least thirty minutes. If you prefer to feed the hulls dry, use only half as much by bulk as of old style hulls.

Book of Mixed Feeds Free

Given the right formula for every combination of feeds used in the South. Tells how much to feed for maintenance, for milk, for fattening, for work. Describes Buckeye Hulls and gives directions for using them properly. Send for your copy to the nearest mill.

Oxford University Depleted in Students.

(By Associated Press).
Oxford, October 20.—Oxford University is very depleted in the matter of students, the Americans, both Rhodes scholars and others, having now gone to join their country's call to arms. There are now only a very few young students under military age, some neutrals and Indians in residence.

The Scientific Museum is largely given up to the Flying Corps but the chemical laboratory is full of research and war work while physiology and pathology are not neglected. The colleges have been hard hit financially but still keep open. Merton is a nurses home and Oriel partly a woman's college. Others are full of cadets and airmen.

There are the usual number of women students but a large proportion are engaged on some sort of war work.

DESIRABLE LOTS FOR SALE.

I will sell before the Courthouse door on Monday, the 5th day of November, 1917, during the legal hours of sales, five desirable building lots, situated on Henrietta street, in the City of Union, on and adjoining the corner of said street and Beatty street, and near the intersection of Gage Ave. and said Henrietta street; said lots formerly known as the Francis Harris-Beatty lot. Said lots being 50 feet by 130 feet, two of them a little longer. A plat of same may be seen at my office.

Also, two other lots with houses on same, situated on said Henrietta street and across Beatty street from the above mentioned lots, and formerly known as the Ed. Lipscomb lots. Said lots front 89 feet each on Henrietta street. Plats of same may be seen at my office.

Terms of Sale: One-fourth cash, balance on credit of one, two and three years, the credit portion to bear interest at the rate of 8% per annum, secured by mortgage of lot sold. Purchasers to pay for recording papers; and may pay all, or any greater part than one-fourth, cash.

J. A. Sawyer.
Union, S. C. Oct. 10, 1917. 41-4

It's easy enough to find friends in fair weather; the man with an umbrella to lend when it is raining is the bird.

As a general rule if the boss isn't on the job himself the clerks aren't either.

Germany's Public Kitchens Could Feed One-fourth Population

(By Associated Press)
Amsterdam, October 16.—(Correspondence) The public kitchens established throughout the German empire since the beginning of the war would now be able to supply food for about one-fourth of the population, according to a statement published by the German war office. It would appear from this statement that there was 22,000 such establishments in the Empire and that their ordinary capacity amounted to the production in a recent month of 2,500,000 quarts of food.

There are in the German empire 563 communes having 10,000 or more inhabitants each. Only about 56 of these now are without public kitchens. The majority of towns report establishments providing mid-day dinners only, although all the kitchens are equipped for supplying at least two meals daily.

In Berlin there are now 66 public kitchens. The number of persons who obtain food from them fluctuates in a remarkable manner. In recent weeks the number of participants have averaged about 170,000 daily.

MRS. HAGUEWOOD TELLS OF STRANGE EXPERIENCES

Anderson Woman Declares She was Forced to Endure So Much.

DETAILS REMARKABLE

Has Words of Advice for Those Who May be Experiencing Same Troubles She Had.

"I thin kevery ailing person should take Tanlac," declared Mrs. Girtie Haguewood, of 60 Riverside, Anderson, in a statement she gave May 26th. "I suffered from a naggrated liver trouble and kidney trouble and I was on the verge of a breakdown when I began taking Tanlac. I frequently had dizzy spells so severe that I could hardly walk, and then I was in considerable pain, too. My back was so weak and hurt me so much I had to have help in leaving my bed, and I had the most awful attacks of sick headache. I could do no work and was just able to be out of bed."

"But the Tanlac got me in fine shape and I am strong and hearty now. My skin has cleared up a lot and I do not have those dizzy spells now. I have a fine appetite too, and I never belch up my food as I used to. The Tanlac got my kidneys and back in fine shape, too, and I'm not troubled with headaches. It is a great medicine, Tanlac is."

GIRLS! DRAW A MOIST CLOTH THROUGH HAIR, DOUBLE ITS BEAUTY

Try this! Hair Gets Thick, Glossy, Wavy and Beautiful at Once.

Immediate?—Yes! Certain?—that's the joy of it. Your hair, becomes light, wavy, fluffy, abundant and appears as soft, lustrous and beautiful as a young girl's after a Danderine hair cleanse. Just try this—moisten a cloth with a little Danderine and draw it through your hair, taking one small strand at a time. This will cleanse the hair of dust, dirt or excessive oil, and in just a few moments you have doubled the beauty of your hair. A delightful surprise awaits those whose hair has been neglected or is scraggy, faded, dry, brittle or thin. Besides beautifying the hair, Danderine dissolves every particle of dandruff; cleanses, purifies and invigorates the scalp, for ever stopping itching and falling hair; but what will please you most will be after a few week's use, when you see new hair—fine and downy at first, but really new hair growing all over the scalp. If you care for pretty soft hair, and lots of it, surely get a small bottle of Knowlton's Danderine from any drug store or toilet counter for a few cents.

Australia's Per Capita Wealth is \$1,675

(By Associated Press)
Sydney, Australia, Sept. 30.—The recent completed "Census of Wealth" in Australia shows that the country's net assets are equal to \$1,675 per head of the population.

The migration returns show a loss of 279,000 males since the war began, and white women now outnumber the men by 85,000.

Saves Doctor's Bills

Instead of calomel and other violent purgatives, which are dangerous as well as nauseating, it is better to use a reliable medicine like

Granger Liver Regulator

Under date of Oct. 27, 1916, J. W. Clark, Lafayette, Ala., R. F. D. No. 4, writes: "I have been using Granger's Liver Regulator in my family for years and find it to be a fine family remedy which has saved numerous doctor's bills. I always keep it in my house and would not be without it."

Whenever You Need a General Tonic Take Grove's.

The Old Standard Grove's Tasteless chill Tonic is equally valuable as a General Tonic because it contains the well known tonic properties of QUININE and IRON. It acts on the Liver, Drives out Malaria, Enriches the Blood and Builds up the Whole System. 60 cents.

If you go out on the street and whistle for your dog, every man within hearing will turn around.

The Quinine That Does Not Affect the Head Because of its tonic and laxative effect, LAXATIVE BROMO QUININE is better than ordinary Quinine and does not cause nervousness nor ringing in head. Remember the full name and look for the signature of E. W. GROVE, Sec.
