Overcome Constipation with a Good Mineral Oil

A mineral oil is considered more valuable for use in cases of constipation than an olive oil because it is not so readily assimilated by the body. For this reason it provides an excellent intestinal lubricant. It relieves constipation in the most natural way.

Use **K-W Brand Mineral Oil.**

It is colorless, odorless and tasteless. It is slow but sure in action. There is nothing better—as this oil is equal to the famous Russian Mineral Oils, which are not now available.

Price 50c and 75c. Sold by **PEOPLES DRUG STORE** Phone 69.
