ABBEVILLE C. II., SOUTH CAROLINA, FRIDAY MORNING, MARCH 16, 1855.

WHOLE NUMBER 97.

MISCELLANY.

[FOR THE INDEPENDENT PRESS.] Some Things not Comely.

comely thing we mention is, a man listening ber striking at the Goliahs, with their broad to a sermon with his head between his knees, swords, and but few that use the sling and It is indicative of pain, or some great dis- the stone. Get the little feeders of great satisfaction. Heads up, in church, is the sins out of the way, and the great ones most becoming posture, and indicates inter- must perish. est on the part of a listener. A downcast look indicates guilt.

Second .-- To see a young man pairing his finger nails, whitling sticks, and such like, in this country are beginning seriously to mantime of divine service, is disgusting in the extreme, and indicates great want of home time of divine service, and indicates great want of home time of divine service, and indicates great want of home time of divine service, and indicates great want of home time of divine service, and indicates great want of home time of divine service, and indicates great want of home time of the development of the development of the tered into the service of the United States, and une widows and this country are beginning seriously to manifest themselves in the development of the tered into the service of the United States, and une widows and this country are beginning seriously to manifest themselves in the development of the tered into the service of the United States, and une widows and this country are beginning seriously to manifest themselves in the development of the tered into the service of the United States, and une widows and this country are beginning seriously to manifest themselves in the development of the tered into the service of the United States, and une widows and this country are beginning seriously to manifest themselves in the development of the tered into the service of the United States, and une widows and this country are beginning seriously to manifest themselves in the development of the tered into the service of the United States, and une widows and this country are beginning seriously to manifest themselves in the development of the tered into the service of the United States, and une widows and this country are beginning seriously to manifest themselves in the development of the tered into the service of the United States, and une widows and the beginning seriously to manifest themselves as are dead, shall be entitled to all the benefits of the United States, and une widows and the benefits of the United States, and the widows are dead, shall be entitled to all the benefits of the United States, and the widows are dead, shall be entitled to all the benefits of the United States, and the widows a culture, reverence for the sanctuary, and a carried. The vivid impersonation of wolves marine, clerk, and landsmen in the navy, in

place of divine service, and the services of allowance seems to be made for the searcity God's house is, the whispering and laughing of money, no matter what may be the asometimes to be seen in the sanctuary, and sometimes by persons we should otherwise is money! No other sound disturbs the sometimes by persons we should otherwise is money! No other sound disturbs the so think graceful. We think a person may stillness, no other echo hangs upon the day of June, eighteen hundred and twelve, cealment. whisper with great propriety at the proper stimes, no other ceno nangs upon the breeze, but the distracting cry for money! shall be entitled to receive a certificate or breeze, but the distracting cry for money! warrant from the Department of the Interi-

the sermon. It has the appearance of wishing to be seen, if not a desire to be looked at. Early to church, rain or shine, should be the motto of a church-going people.

Fifth .- It is not comely in church, to see people, after the benediction is pronounced, crowding into the aisles, talking and laugha vacant mind, or a mind unimpressed by the services just concluded. The best plan is to be out and off, as soon as convenient, and not make a court green of the church.

Sixth.—It is not a comely sight to see nt a country church grouped together in a preparation for the services they have professedly assembled to engage in. Had they not better be in church praying for their pastor, or singing the heaven inspiring songs and property to pay what you owe. of Zion, or meditating upon divine truth? crowd at the door, until they hear the voice of the minister, if he does not whisper, reading the first hymn.

Eighth .- Another and not the least un-

flips and still tongues, while the other third present Eastern scramble. engage in celebating God's praise in Zion's Well, now, if the country wengage in celebating God's praise in Zion's Well, now, if the country go to ruin, it is some their water of melody have no melody have no melody have no melody have no discort the poducing discort sticle may address itself to the good of a goodly number of my fellow-

teel without them .- But some may say these are small and insignificant things, why do you not strike at some great evil? Be-Messrs. Editors :- First .- The first un- cause, my friends, there are a sufficient num-

[FOR THE INDEPENDENT PRESS.] The Credit System.

Sirs: The evils of the credit system in nabobs of the country, and the general appearances do really indicate cause for alarming apprehensions.

ask, has any farmer sold? What man is sioned officer, or private, of the militia or the Southern four or five States will adopt ation of cutting out bullets, and by its means that who don't know that the more of the southern four or five States will adopt a medical man, with the nid of an assistant that who don't know that the money for which his cotton sells, turned loose into circulation, does something to remedy the evils of the times? Sell your cotton, far- tled to the benefits of this act. mers, and let the country have the benefits of the money. One hundred dollars will, various places in the church grove, or yard, in the rounds, extinguish a hundred thou- or warrant as aforesaid under this act, leavton for better prices, when there is no such prospect, until property tumbles down to no- certificate or warrant for the same quantity thing, and it will require both your cotton be entitled to receive under the provisions

go, to all his creditors, and make a bold rush in preparations for another crop, inThat those shall be considered minors who stead of holding on to it, with the nonsensical view to better prices, the times would Seventh.—Another verry uncomely thing be noticed is that the sound of the certainly improve. No creditor, except he in no case shall any such certificate or war-rary and naval aspirants—a cell for powder and naval aspirants—a cell for powder table spoonful of the composition tea, 4 or 5 times and order to the certainly improve. to be noticed is—that the sound of the church going bell is not regarded by many.

Just as the last bell commences ringing, a majority have but just taken their seats at majority have but just taken their seats at the supper table, as though the bell's tollings were a summons to come to supper, and not to church. We should not cause the time of divine service to serve our appetites, but bring nothing at all comparatively. It is now ascertained, to a seven pence, that there seems to a seven pence, that there comely thing to be seen is, a man or woman is but two thousand dollars in Elbert counno warrant issued under the provisions of sleeping in church, instead of deliberately sleeping at home upon their beds. There ity, and that has no earthly inclination to this act shall be located on any public lands, except such as shall at the time be subject to sale at either the minimum or lower is great ease and refreshment in sleeping upon a good bed, it is an approrpriate place for such exercise, but this sleeping in a pew, and especially without a cushion, as is often the case, and more especially surrounded by a growd to look at us, and observe how very taking Grease out of maps. I would ring the charges and receive for their services in locating appear, marking time with our head instead of our feet, is not as comely a sight as beholding the ship, America, coming into port under a full canvass. This taking Grease out of maps. I would ring the charge and receive for their services in locating all warrants under the provisions of the National Intelligence writes:

Despatches from Berlin and Vienna insules of the public lands for each, at the rate of the public lands for each, at the rate of the probable exigencies of the war, has of one dollar and twenty-five cents per acre. coming into port under a full canvass. This latter is beautiful.

Ninth.—Another uncomely thing is, to see two thirds of the congregation sitting or a full to the state of the congregation sitting or a full to the state of the said compensation to be paid by the assignees or holders of such warrants.

Sec. 7. And be it further enacted. That from and after the passage of this act all from and after the passage of this act all from and after the passage of this act all from and after the passage of this act all from an act and after the passage.

The Bounty Land Bill.

We give place below to the net granting several wars of the country.

ditional compensation to soldiers and Sec. 12. And be further enacted, That

bounty land to certain officers and soldiers who have been engaged in the military service of the United States.

chaste mind. It is decidedly a vulgar em- and hyenas, in all the wild ferocity of their any of the wars in which this country has brutal nature, can be seen at any collection been engaged since seventeen hundred and Third.—A practice no less becoming the at the public places here; and no earthly minety, and each of the survivors of the milicity, a scheme which is now advancing, time, and proper place, but never in preaching, nor in time of preaching.

The scarcity of money is the all-engrossing or for one hundred and sixty acrese of land; priced within the present limits of the State, three to be comprised within the present limits of the State of this tube there is a small globe, from money at better paying prices than cotton. And as the production of the latter is dimustered into service and paid shall have two in Washington Territory, and two from its present limits of the State, three to be comprised within the present limits of the State of this tube there is a small globe, from money at better paying prices than cotton. And as the production of the latter is dimustered into service and paid shall have two in Washington Territory, and two from its present limits of the State, three to be comprised within the present limits of the State of this tube there is a small globe, from money at better paying prices than cotton. And as the production of the latter is dimustered into service and paid shall have two in Washington Territory, and two from its present limits of the State of this tube there is a small globe, from money at better paying prices than cotton. And as the production of the latter is dimustered into service and paid shall have two in Washington Territory, and two from its present limits of the State of this tube there is a small globe, from money at better paying prices than cotton. And as the production of the latter is dimustered into service and paid shall have two in Washington Territory, and two from the Department of the Interior of the State of the State, three to be comprised within the present limits of the State of this tube there is a small globe, from money at better paying prices than cotton. Fourth.—It is not comely to see a young lady or gentleman come into the church of things, of the distressful consequences of things, of the distressful consequences of continuous consequences of things, of the distressful consequences of continuous consequences of continuous consequences of things, of the distressful consequences of continuous consequences of continuous consequences of continuous consequences of continuous consequences of consequences of continuous consequences of continuous consequences of continuous consequences of continuous continuous continuous consequences of continuous conti present indications. No body seems to know what can be done to avert the impending hurricane. A squalid gloom seems one hundred and sixty acres to each such every obstacle thrown in the way of its conhung upon the face of every one except the persons having served as aforesaid: Provistruction; while the argument at the hust- the cylinder, the tube before alluded to is ded. The person so having been in service ings is to be made to the people that the ascertained to be on the ball, the tap in the shall not receive said land warrant if it shall Government of Washington have rfused the cylinder is opened, when the bullet becomes appear by the muster rolls of his regiment road to the people of the Pacific. The fixed to the tube by the vacuum thus erceted, Well, what is to be done? Has every bly discharged from service: And provi- claimed until the plan is so far executed this invention consists in its obviating the ing, and exchanging the common civilities farmer sold his cotton? I should rather ded, farther, That no officer, non-commistant that there can be no retraction, after which necessity for the painful and dangerous operation of the common civilities and his cotton? I should rather ded, farther, and prove that there can be no retraction, after which necessity for the painful and dangerous operation of the common civilities.

if living, would be entitled to a certificate chase. or children, shall be entitled to receive a of land that such deceased person would of this act if now living: Provided, That a If every man would sell his crop, I don't subsequent marriage shall not impair the So, the same uncomely sight is not unfre-care at what price, and pay as far as it will right of any such widow to such warrant, if she be a widow at the time of making

others, which passed Congress before its the provisions of this act shall be applied to Parma and Modena are now enumerated as without seed or cores: adjournment:

An act in addition to certain acts granting on Lewistown, in Delaware, by the British represented to be. I shall probably in my

twelve, and fifteen. itary service of the United States.
Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That each of the surviving commissioned and non-commissioned officers, musicians, and not regularly called or mustered into service as well as amusing to the Czar to see the important of the allies with regard to the representative of the allies with regard to the representative of the united States.

Sec. 23. And be it further enacted, That each of the surviving officers and privates who in any of the wars in which this country has been engaged performed military service against the public enemy, though non-commissioned officers, musicians, and not regularly called or mustered into service as well as amusing to the Czar to see the transplant them in the orchard where your privates, whether of regulars, volunteers, of the United States, and the widows and importunity of the allies with regard to the transplant them in the orchard where you

New Schemes of Disunion.

San Francisco, Feb. 6, 1855 .- I hasten to lay before you, in advance of all publied an instrument which, it is thought, will litia, or volunteers, or State troops of any under prosound secrecy, among a goodly State or Territory, called into military ser- number of our most respectable and influ-

hall not receive said land warrant if it shall. Government of Washington have rfused the appear by the muster rolls of his regiment road to the people of the Pacific. The fixed to the tube by the vacuum thus erceted, it. This signifies, "I pine." If favorable to recorps that he deserted or was dishonorad question of slavery is to be abjured and dishorted for the people of the Pacific. The fixed to the tube by the vacuum thus erceted, and is thus withdrawn. The great merit of him, the young lady selects from the wood Senators, ex-Congressmen, ex-Governors, and exhausted, it would extract several bullets Sec. 2. And be it further enacted, That ex-judges who swarm in our midst, panting in the case of the death of any person who, for one more good old-fashioned political air-pump. The Medical Board has given

The president, senators, representatives, to fit up the apparatus." sand dollars of debt. Don't hold your cot- ing a widow, or if no widow, a minor child and cabinet ministry are all to be chosen by the direct vote of the people. The naturalization laws are to be fixed on a severe basis. The act of independence to be simultaneous with a well plant ed and decisive the efficacy of the recipe we can say nothing seizure of the United States reserves, with whatever of movables or live stock they may contain. The Sandwich Islands are to be guaranteed their independence, and the United States are to be appealed to in a tone of friendly good-bye.

Here you perceive an opening for all the prominent politicians—a field for the miliparty, to draw off citizens from all old party alliances. Through this medium the Washnecessities. It is to be shown that we send our gold away, and receive no governmental protection in return, and that as we now pery elm bark. virtually govern ourselves, we might as well have the credit of it abroad.

Cor. N. Y. Herald.

THE PRACE PROSPECT .- The intelligent age of the patient.

CONT. BUT

the whole extent of his empire.

This does not look much like an expectahall be extented to Indians, in the same in the Black Sea, Sevastopol. French writtens pretend to believe and strive to persuade Austria that the levy est masse said to have been just ordered by the Czar can only be intended for the invasion of Germany, and pursues and soldiers of the evolutionary war been titled to the benefits this art.

The immense preparations of the allies the same extent as if the same extent

The immense preparations of the allies for the approaching company seem to me, the second second as a special to the contrary, to be altogether of a nature to justify the bringing up to the contents of all the resources that his vast empire can place at his disposition. The allies continue, it is seen to justify the bringing up to the contents of all the resources that his vast empire can place at his disposition. The allies continue, it seems, to be known of all the petty dukes in Hurepe to their coalling merit

chaplains who served with the army in the several wars of the country. in the addition to the second and third rate States mentioned in my last, Tuscany and even the following recipe for obtaining apples

> A NEW BULLET EXTRACTOR .-- An Englishman by the name of Miles has construcinsure comparative ease, rapidity and safety, in the process of extracting bullets from wounds.—It is thus described:

"The contrivance consist of a small aircealment.

A new republic is to be formed, consist in diameter, lined inside with silver wire, to air-pump. The Medical Board has given directions to an eminent instrument maker

Paris correspondent of the National Intelligencer writes:

"Go ir, Bon Tail."—Recently, says the Despatches from Berlin and Vienna inform us that the Emperor of Russia, in view of the probable exigencies of the war, has penned his horses at night for safety. He just ordered "a general arming throughout was proused in the "dark silent hour" by the jingling of bells, bounced up and out a la jingling of bells, bounced up and out a ta see what you have learned. "We sans culotte discovered Messrs. Red Skin c-h-a-i-r spell?"

"I don't know, marm." from and after the passage of this act all tion on his part that peace will grow out of persons now enrolled upon the invalid pension list whose pensions have been allowed under any general law or laws shall be with the rear portion of his &c. playing in twenty-one per centum upon the amount as more than even problematical. The interpretation of the third point is understood shouting most lustily in his mother's tongue and privates forty-two per centum on the amount now allowed or paid under existing laws.

SEC. S. And be it further enacted, That the provisions of this act and all the bounty land laws heretofore passed by Congress thall be extented to Indians, in the same extent as it the being and to the same extent as it the provision of the same extent as it the lates against the Russian stronghold less of booty, leaving not only the horses that here, and to the same extent as it the lates against to believe and strive to provide the same extent as it the lates against the Russian stronghold less of booty, leaving not only the horses they had taken, but two very fine ones of their countries to the Messrs. Red Skin to stop, or be would scalp and roast every mother's son of them.

The Indians, who were ten or fifteen in number, supposing they were pursued by a register.

APPLES WITHOUT SEEDS OR CORES. correspondent of the Memphis Whig gives

Take the ends of the limbs of an apple on Lewistown, in Delaware, by the British represented to be. I shall probably in my tree where they hang low, so as to reach next have to inform you that the Republic the ground, dig a small hole for each end of San Marino, and the ex-sovereign of Mo- under the tree, bend it down and bury it in Sec. 23. And be it further enacted, That naco, and perhaps his Majesty Soulouque of the hole, confining it down so that it will

> PLANTING CORN .- The Augusta Constitutionalist reiterates the sound advice so often urged upon farmers, to put in large rops of Corn. The Constitutionalist says: "The high price it bears, and most probably will command for a long time, offers strong inducements to plant largely. It pump and cylinder, to which a tap is affixed. is impossible to err in this direction, even To this tap is attached a suitable length of if planters should make double as much as is impossible to err in this direction, even they consume. A superabundant crop makes

> > lina, it is frequent, among her forests of fat pine, for a lover in distress to send the fair object of his affection a bite of its staple vegpile the best and smoothest specimen of a knot—this signifies, "pine not." But, if on the other hand, she detests him, (there is no middle ground between detestation and adoration, with young women,) she burns one end of his message, and this generally throws the young man into despair, for it means, "I make light of your pining."

A Novel LANGUAGE. - In North Caro-

THREE HUNDRED AND SIXTY PERSONS FROZEN TO DEATH. -- General report gives out that on the 22d, and not far from Odesa, more than 360 foot soldiers and several Of quate warm clothing, and the sudden set in of a frost; and it is also said that the wagons and teams had gone on before the men who were thus left behind, and as the soldiers had on wet clothes from the previous rain, they frozo into a crust of ice when the frost began. They looked about for a bridge but could not find any. The day after, groups of frozen dead bodies were found, and between 20 and 30 men lay in each heap.—Eng. Paper.

NEW WAY OF DODGING THE LAW .- On credible information, we are allowed to state that liquor has been solp of late in the suburbs of Edgefield village in the shape of eggs. The dealer, it appears, had saved a number of egg-shells nearly whole, they being only slightly punctured to let out the original contents. Through the same aperture whiskey was introduced and the egg

Susan, stand up and let the gentleman

"Why, you ignorant critter. What do you always sit on?"

"Oh, marm, don't like to tell."

"What on airth is the matter with the

gal? what is it?"
"I don't like to tell. It was Bill Cross knee, but he never kiesed me but twice,"
"Airthquakes and apples!" exclaimed the schoolmistress, and then fainted.

A GAL has sent us the following mor
