CARRIAGES.

E. J. TAYLOR

WOULD Respectfully inform those in want of BUGGIES, HARNESS, or light Carriages, that he has in stock a fine lot that he is selling at less prices than ever was offered in this market. To those those that have the cash to pay he would say that they cannot do better than to give him a call. He is selling

NEW BUGGIES
At One Hundred Dollars.

His stock cannot be beaten in the upper country, and the work is warranted, and he defies the country to beat it as to price and quality. He has sold in Abbeville District a great many Buggies and Carriages, and expects to sell many more. Therefore give him a call. He intends to keep on hand a large stock of all style Buggies, with and without Tops, and at prices that cannot be undersold. What is the use of going out of our District to get a fine Buggy when you can get it at Taylor's Shop, with Harness, Umbrella and Whip, all for One Hundred and Twenty-five Dollars.

Warranted for Twelve Months.

Let us go and see them—they must be cheap.

THE SINGER SEWING MACHINE.

THE Marked and ever extending popularity of Singer's Sewing Machines—both in America and Europe—is such as best to establish their superiority over all others in the market. Sewing Machines—so Called—may be bought, it is true, for a smaller amount of dollars, but it is mistaken economy to invest anything in a worthless or unreliable article, and those who will do so must abide the consequences!

SINGER'S NEW FAMILY MACHIES.

In order to place the best Family Machine in the world within the reach of all, we have reduced our letter. A Machine beautifully ornamented—to $60; plain $50.

Singer's No. 1 and 2 Standard Shuttle Machines, both of very general application and capacity, and popular both in the family and manufactory. Prices reduced, respectively from $135 and $150 to $60 and $100. Singer's Standard Shuttle Machine, for carriage makers and heavy leather work. Price, complete $125. Also, to complete the list, an entirely new article unequalled for manufacturing purposes; Noiseless, rapid, and capable of every kind of work! Price (including iron stand and drawers,) $110—cheaper at that in view of its value than the machine of any other maker as a gift.

All of Singer's Machines make the interlocked stitch with two threads, which is the best stitch known. Every person desiring to procure full and reliable information about Sewing Machines, their sizes, prices, working capacities, and the best methods of purchasing can obtain it by sending for a copy of I. M. Singer & Co.'s GAZETTE, which is a beautiful pictorial paper, entirely devoted to the subject. It will be supplied Gratis.

The above are the net cash prices—transportation from the New York office to the place of sale, will be charged. I. M. SINGER & CO., 182½ Broad street Augusta, Ga.

DR. LITTLE'S
VERMIFUGE.

In LARGE *Bottles* and Vials.

Nothing else is required to relieve children of Worms; and besides being one of the cheapest and best Vermifuges ever offered to the public. Its frequent use in families will save much trouble and expense, as well as the lives of many children—for eight out of every ten cases generally require it.

LITTLE'S
ANODYNE COUGH DROPS.

A certain cure for Colds, Coughs, Bronchitis, Asthma, Pain in the Breast; also Croup, Whooping Coughs, &c., &c., amongst Children.

This is a pleasant medicine to take, producing immediate relief, and in nine out of ten cases a prompt cure. It exercises the most controlling influence over Coughs and Irritation of the Lungs of any remedy known, often stopping the most violent in a few hours, or at most in a day or two. Many cases thought to be decidedly consumptive, have been promptly cured by using a few bottles. As anodyne expectorant, without astringing the bowels, it stands paramount to all cough mixtures.

LITTLE'S
FRENCH MIXTURE.

This is prepared from a French Recipe (in the forms of No. 1 and 2; the first for the acute, and No. 2 for the chronic stage,) and from its unexampled success is likely to supersede every other remedy for the cure of diseases of the Kidneys and Bladder, Gonorrhœal, Gleanorrheal, and Leuchorrhœal or Fluor Albus affections. This extensive compound combines properties totally different in taste and character from any thing to be found in the United States Pharmacopœia; and in point of safety and efficiency is not rivalled in America.

LITTLE'S
RINGWORM & TETTER OINTMENT.
FORTIS, No. 2.

Hundreds of cases of Chronic Tetters, Scald Heads, and diseases of the skin generally, have been cured by this remedy; and since the introduction of the No. 2 preparation (being stronger) scarcely a case has been found that it will not effectually eradicate in a short time. For the cure of Cancerous Sores and Ulcers it is applied in the form of plasters, and is almost infallible.

In more than two hundred places in Georgia, and in the Southern States, they are to be had; and as there are scamps about who are counterfeiting his remedies, by palming off their own or something else, by using the same or similar names (for no patent is wanted or secured amid the absurd patents of the day,) let all be cautioned to look well for the signature of the Proprietor, thus:—

Wm G. Little

and also his name blown into the glass of each bottle.
