ters to the effect that the prohibi-tion against such sale was illogical and deprived many persons who were accustomed to horseflesh as an ar-ticle of diet of a valuable source of meat supply HORSE MEAT NOW NEW RELISH

City's Only Shop Does a Tremendous Business at the Start-Sold 1,800 Pounds First Week.

New York, Feb. 2 .--- "I sold 1,800 pounds of horse meat last week, and is a trille redder than beef, the ap-penance of the store looked no dif-ferent from my other next and at-tractive butcher's shop.

"Costoner's shop. ler: "Costoner's have come from as far as Aremont avenue, Bronx, and West Hoboken, N. J.," he said. "II be I had sold 1800 pounds of ordinary ing t blue sold 1.806 pounds of ordinary beef in the list week 1 would have thought it big business. I know the business thoroughly, having been in it in my native Switzerkand from 1904 to 1908. The stopping of the supply of horsen from Germany de-lerenized me to come to America, and 1 am now an American citizen.

"My store was opened here for the exclusive sale of horse meat under the regulations of the board of health and all my meat is slaughter-ed and inspected at an abattoir on Long island which handles horses otly, under the regulations govern-ing the slaughtering of borses and only, under the regulations ing the slaughtering of horses the sale of horse meat in New York

Mr. Sulzer believes he has solved the problem of the high cost of meats instead of signs like "pork ten-dations, spareribs of beef, beef ten-ational" etc. signs in the windows and in ide announce "Horseflesh

Sold Here," in accordance with the board of health's regulation, this prices for horse meat are: To derive for norse meat are, ing to our attention that we are found a steak, 12; strious, 12; chuck of Spartanburg people who are in Mr. steak, 8; round steak, 12; roasts Kelly's condition. GOLDEN EGG GOOSE RIVALED.

Kansas Pullets Start New Year With

I cover function of the start were the start with the start of the sta to the Kansas City Star.) It is certainly not the fault of 112 Rhode Island Red pullets belonging to Mrs. W. T. Glanville, who lives cast of here, that fresh eggs are so scarce at present. For the week end-ed January 13 these pullets laid 16 1-2 dozen eggs. From January 13 to 16 they laid 151 eggs. Mrs. Glanville gathered 51 eggs January 16, which has so far been their best laying record. The pullets have since been maintaining the rec-

ave since been maintaining the record they set since they began laying early in January. They are the best paying investment on the Glan-ville farm for their value. The eggs

Mile farm for their value. The eggs have been marketed at from 35 to 42 cents a dozen. Most of the hens in the country are on their annual winter strike. Mrs. Granville believes her simple rules in feeding and caring for the flock may aid their desire to lay. The rules is first for the morning food a rules: First, for the morning feed a ration of kair corn only scattered on the ground in the bed, so the chick-ens have to work for their break-

fast by scratching out the seeds. One other feed is given at night, a hot

other feed is given at night, a hot mash of bran and corn chop. The chickens have all the skim-med milk they care to drink during the day and plenty of fresh water. They are given the liberty of the farm and are out ranging over a large part of it during the day. Aside from these simple rules, Mrs. Glan-ville has no other regulations. She advises the hatching of early chicks for winter layers. Most of her pul-lets now making such a good record

lets now making such a good record were hatched early in April.

The Watterson Verdict. Senator Jenes, who says the presi-dent's frequent visits to the capitol in the interest of his legislative program is "systematic lobbying." is a republican, but more conspicuously an ass
