Booker Washing High School Notes

By Alma G. Forrest

The Booker Washington High School has made steady progress during the last few years due to the excellent cooperation of pupils and teachers. An eleventh grade has been added to our course. This makes our school reach the standard High School requirement.

French, under the instruction of Miss Ruth Butler is an added attraction to the eleventh grade studies. We have a class of twenty which is doing some very progressive work.

The students now find reference work a pleasure, for the library, enlarged by the recent addition of many volumes is a ready source of information.

The equipment in the manual training department shop, since the installing of some very efficient machinery makes possible a high class of work in this department. Mr. Furry is the instructor.

Several organizations have formed this year. Prominent among these is the Girls' Basket Ball Team, which is thriving well under our capable coach, Mr. Madden.

Another source of inspiration to the High School girls and boys is the English Club under the direction of Miss T. E.

Thomas. T. E. McIntosh of the ninth grade is the President.

We do not lack music. Our High School Orchestra furnishes this.

SURPRISE PARTY.

One of the most outstanding features of last week's calendar was the interesting Surprise Party given in honor of Mrs. Estelle Perrin Johnson, at the residence of her mother, Mrs. Mary Perrin, 1015 Richland St. The party was given by fifteen popular young ladies of the Social Set.

The young ladies gathered at the home of Miss Ruth Butler and proceeded to the home of the honored guest. When the crowd entered, it was an overwhelming surprise. The doors of Mrs. Perrin's spacious home were thrown open, each and everyone welcomed. Mr. Riddick, assisted by Mr. Robert Cannon furnished music for the evening.

A delicious course of chicken salad, crackers and tea was served to about thirty. This was the most enjoyable evening of the week to those present.

Mrs. Johnson married a few years ago and left for Philadelphia, Pa. where she now resides. This is her first return home. She is an old Columbian, popular and well known. Before her marriage she taught in the Public School system. Her many friends are glad to have her with them again. She expresses a heart full of gratitude to each and everyone.

REV. A. W. HILL, AIKEN, S. C., DEEPLY IMPRESSED WITH PALMETTO LEADER

The people of South Carolina have again embraced a splendid opportunity for racial uplift and inspiration, through the columns of this newsy paper. A great service can be rendered to all the people and organizations of this state by making this paper serve its purpose.

We are pleased to say that Aiken is in the bloom of a great season, more wealthy tourists this winter than any previous season.

Friendship church is still hold

ing its place as the greatest church in western Carolina. Large crowds attend every service, and the people are joining the church almost every Sunday. At a Jubilee Concert given by local talent, we had more than 100 white people, the majority of whom were northern people. The offering was \$199.00.

On March the 6th, the State College Quartette will render a Musical program. March the 25th the World's Famous Williams' Colored Singers, of Chicago, will render a program. We will pull off our big rally for a pipe organ, March 22, 1925.
