

REV. RICHARD CARROLL VISITS LINDENWOOD PARK

Vegetable and Chicken Farm Owned by Dr. M. A. Evans

Last Sunday afternoon Rev. M. A. Holloway came to my home and gave me a "ride out." About three miles from Columbia on the Two Notch road is the farm of Dr. M. A. Evans consisting of twenty-nine acres, Mr. Walter Ruff is manager, he is good to obey her, does whatever she says. They have a chicken farm, over five hundred Leghorns from which more than a hundred eggs a day are gathered, six fine milch cows and some hogs. There is a growing fruit farm and large vegetable garden, I was given lettuce and onions.

At this park is a pump thirty-five feet deep, the water is clear good and perfect, also a large pavilion.

Dr. Evans is noted for taking care of the destitute, she has a very large family in her home, sisters-children, brother's children, adopted son, John B. Evans, who is a student at Benedict College. W. Dewey Robinson, the young poet, who writes excellent poems is also "a son" of Dr. Evans. Little Gresham Evans is another of this family. Miss Jessie Trotti, a niece, is a teacher in the graded school of Columbia Mrs. Myrtle Evans Robinson, is housekeeper, and little Edward Robinson, who is two years old is an "assistant" in the home. Sidney, a "real boy," is also there to be reckoned with. Mrs. Singleton, a rich widow, is "at home" here also, perhaps she will marry again. Miss Evelyn Brooks who left sometime ago will return to visit before going from Camden to Pittsburg where she has been for four years, she too will marry if she can get a husband. Dr. Evans is always ready to give a helping hand to the needy, a great physician, a good woman, she enjoys a lucrative practice among colored and white. She is a member of the Palmetto Medical Association, and ex-president of this organization, and a member of the National Medical Association and very popular wherever she is known.

Spartanburg News.

The Highland Quartette in Great Demand.

Spartanburg, S. C., May 4.—The Highland Quartette has been travelling for quite awhile giving concerts for both white and colored. Last week they appeared at the White Presbyterian church, where a State-wide Conference was being held. There was over five hundred present to hear these singers. These singers have always been praised by our Spartans, but never before have they been complimented so highly as these white Christians did. They also engaged them to sing at the Old Folks' Home, Monday. We feel proud of these ladies. They are faithful members of our Club and school room; they are always ready and willing to give their best for the uplift of our race. They render service where it is needed most. The members are: Mrs. A. B. McWhirter, Mrs. F. W. Powell, Miss Nettie L. Oxner, Miss Ila R. Fair, Mrs. Mamie Wright, Pres.; Mrs. B. A. Gaither, Business Manager and Reporter.

Fashion Show Given by Spartan Ladies.

The greatest feast of the season was the Fashion Show, given under the auspices of the Woman's Progressive Club.

It was said by those who witnessed this great occasion that it was the swellest thing that Spartanburg citizens ever pulled off.

Quite a number of out-of-town people were present, they seemingly thought that it was extraordinary.

The beautiful furniture that decorated the stage was contributed by one of the best furniture stores in Spartanburg. The participants were well groomed, and the children played their part well. This grand affair given by the Woman's Progressive Club in order to raise money that was pledged to be given to Fairwood. Everybody tried to do their bit, and we are proud to say that we are coming to the State Federation this year one hundred per cent strong.

Regal Drug Store, formerly known as the Piedmont, owned by the deceased Dr. Sexton, now owned by Drs. DePinna and Dixon. The successful city proud of these outstanding men; they came to us at the needy time, and we can now assure you that they have become a part of us. We're glad to say that they're making good

It is said every night just about meal time, Dr. Dixon is rushed to a serious call. The few days that he was out of town made him see just how we really appreciate him, when he returned there was more than fifty calls for him.

Georgetown Items.

The Allen Christian Endeavor League held its regular service on last Sunday. The lesson entitled "Making Home Happy," was nicely led by Miss Odessa M. Sanders.

A beautiful and interesting talk was made by Rev. Johnson, presiding elder of the Newberry District.

Sunday May 10, being Mother's Day, the League is giving a high class literary and musical program. Miss Rosa L. Greggs, chairman of program committee.

The Youth Improvement Social and Literary Club held its regular weekly meeting at the home of Mr. Thos. Horry. Mr. Robert Dobbins acted as host, and certainly entertained the Club members and the visiting friends from Booker T. High School, of Columbia to the very highest.

Each member of the base ball team was introduced to the Club. Prof. C. W. Madden made a timely and appreciative talk. We are glad to have the young men down to Georgetown and truly hope that they will come again real soon.

Booker Washington Hi and Howard Hi broke even in a series here of two games, both contests were pregnant and replete with thrills. In the first game Dobbins was culled to the mound for Howard. He proved himself to be the star of the afternoon. His masterful pitching and timely hitting were the features of the day. The hitting of Whittaker of Booker Washington is also worthy of mention. The box score shows that the visitors were only able to pile up such scores through errors, as Dobbins was master of the situation.

Booker T. 010 131 010—7
Howard Hi 001 131 40x—10

Batteries for Booker T. Smith, Jenkins, Lindsay and Williams. For Howard Hi, Dobbins and Joseph. Umpire Anderson. (Hampton.) In the second game Dobbins was again the star of the day. On this occasion he was summoned to catch. He was purposely walked twice, popped up once and on his other trips to the bat delivered a double and a single, both driving in runs. The hitting of Williams and Harvey, also the fielding of Lindsay at short for Booker T. were great feats of the day. For Howard R. Brown made spectacular catches in center field, while Captain Holmes, Brown and Dobbins did the work with the willow. Score: Booker T. 521 000 400—12
Howard Hi 000 102 303—9

Batteries for Booker T.: Cheeks and Williams, Roberts. For Howard: Bryant, Bennett and Dobbins. Umpire Anderson. (Hampton.) In Dobbins Howard Hi has one of the best, if not the best utility ball players in high school circles. This lad can play any position, bats and throws right or left-handed and when this boy, who is in his early "teens" is matured, he should make a name for himself.

Notes From the Electric City.

The great city of Anderson nestling at the foot of the Blue Ridge Mountains is in the midst of prosperity. She has recovered from the devastations of the great storm which swept over her last year. Only traces here and there are to be seen. Among those who saw M. C. defeat S. C. at the Medical Association, from our city were Drs. Johnson and Williams. They report a great trip to Orangeburg. The great revivals are having results in the city. With thousands at the great Tabernacle and many at St. Paul, much good is being done. Evangelist Harold Stephens (white) preached a great sermon for St. Paul to an appreciative crowd. I tell you those good old saints had a great shout especially when the pastor led "I Will be satisfied." Rev. Campbell proved himself, an Evangelist too. Among the subjects preached were: An Operation in God's Hospital; The Big Frolic at Bell's House; The Mistakes of Belshazzar; The Handwriting on the Wall. The last named was very graphically portrayed by the pastor. The falling of a part of the belfry of the church excited the crowd for they thought that the walls of Babylon were falling. Sunday was another great day for us. Taking as a subject, Lessons or Gleanings from the fifth chapter of Daniel, the pastor preached a very thoughtful and feeling sermon. Calm and quietly he reached the heights of

spiritual fervor unknown to us and all were fed until they could eat no more. Baptism and communion were carried out in the afternoon where another great crowd heard a logical sermon on these two great ordinances. Thinking surely the pastor was exhausted, we dragged to church on Sunday night, only to hear a very interesting sermon from a slang, "What You Going to Say?" In a very tense way the pastor portrayed the sinners at the bar and all were made to think on the Day of Judgment as never before.

In the reports for the first four months the Treasurer, C. Lee Davis, reported \$3,476.80 collected, and paid out \$3,378.31; a record unparalleled in the history of the church. All Anderson doffs her hat to this working congregation.

The closing exercises of the various schools are very good this year. The Baptist pastors met at St. Paul and organized a very strong Alliance for the welfare of the preachers of the Rocky River Association. Dr. H. Watkins is president.

Mr. and Mrs. B. L. Davis spent their annual night with his parents on Saturday night.

Rev. Campbell and family motored to Greenwood in their Studebaker Sedan on Saturday, to visit the old field. He is full of smiles over that beautiful "Stude."

Dr. W. J. Davis, pastor of Tabernacle, Greenville was in town Wednesday.

Mr. Fred Jackson has opened a very fine grocery store on Fant St. He is one of Anderson's leading young men.

Mr. Arthur Bruce motored to Manning Sunday, on business.

Misses Maggie Butler, Willie M. Thompson, Master T. C. Campbell, Little Miss Ansonia, Mrs. Campbell and the pastor motored to Savannah river for a fishing trip. They report good luck. They had a turtle given to them but caught no fish.

May 10 is rally day at Bethel A. M. E. church. Look for big things from Bethel.

All are looking forward to the installation services of Rev. S. C. Campbell June 1-9, at which time a very interesting program will be rendered.

Dr. and Mrs. Montgomery, Mrs. Dr. Johnson and Mrs. Gilmore were among those seen at St. Paul recently. Deacon P. A. Mattison and others left for Philadelphia last week.

Rev. S. C. Campbell left Tuesday for Aiken where he will conduct a meeting at historic Friendship pastored by the eminent Dr. Hill.

Laurens Notes.

The Sunshine Club entertained on Friday afternoon at the home of Mrs. Mary L. Cannon, on Downs street. The pastor, Rev. J. C. McClellan spoke to the club in a very interesting way. Mrs. Janie Reid was a visitor. Joyful anticipation fill the hearts of the young folks who are anxiously awaiting May 27th, on which evening at Bethel A. M. E. Church, the Sunshine Club will give the Million Dollar Wedding.

The Boosters Club met on Thursday afternoon at the home of Mrs. Sallie Blackstock on Jersey St. The meeting was a very good one and quite a number of visitors were present. Rev. I. S. Reid, pastor of Boone's Chapel Methodist church was present and made a very excellent talk. The President of the Missionary Society was present and spoke some encouraging words to the Club. Don't fail to see the Old Folks' Modern concert given at Bethel A. M. E. church, by the Boosters May 15th. Come and laugh until you get your fill. During the close of the hour a delicious course of ice cream and cake was served by Mrs. Louise Price, assisted by Mrs. Sarah Fowler.

Sunday morning being the first Sunday of the new month, also, communion Sunday at Bethel A. M. E. church, there was a large crowd present to partake of the Lord's supper. The pastor preached a sermon that was very touching, using as a subject: "The Triumph Song of Jesus." Sunday afternoon at 3 o'clock the Jersey Spectals with Mrs. Sallie Blackstock as president, gave a Few Rally at Bethel A. M. E. church. The Rev. H. W. Watson of Springfield Baptist church preached a noble sermon. The Paplar Spring choir rendered music, which we all enjoyed to the highest. We only wish that we could get them to sing for us more often. The amount raised was \$36.35. There was a prize given to Mrs. Nannie Lou Owens for raising the largest amount of money. The prize was a beautiful set of dinner plates, it was presented to Mrs. Owens by Mrs. Louise Price. Sunday night our pastor preached another one of his forceful sermons. He used as a subject: "The Bread of Life" After preaching such a wonderful sermon, he sang the song: "It is well with my soul," and Mr. Roy Young, one of our own boys came and connected himself with the church. Mr. Young is at present a student of Allen University.

On Monday night the Willing Workers Board, with Mrs. Anna Todd, as president gave a splendid entertainment in the basement of the church.

There were many visitors in the city on Sunday and among those to worship at Bethel A. M. E. church were Miss Elizabeth Garrett, Miss Pricilla Patrick, of Gervais street, Columbia, S. C. Other visitors from Columbia were Mr. Henry Franklin, Mr. George Smith, and Mr. Jay Smith. The visitors in the city from Newberry, S. C., were Mr. Robert Taylor, Mr. Henry Saddle, Mr. Ralph Reeder and Mr. Rutherford.

Miss Fuzzie Lee Garrett and Miss Flossie Garrett were the guests of Miss Willie Mae Garrett on Friday. Both of these young ladies were of Clinton, S. C.

PROF. MYERS OFFERED POSITION IN LOUISIANA.

Prof. I. M. A. Myers, principal of Howard school, has been appointed to teach some phases of Education in Louisiana Summer School for teachers at a good salary, but on account of his engagement to return to the Summer Session at the State A. & M. College in his own state he has refused the position offered in the Summer School of Louisiana.

The director of the school stated in his second letter that Prof. Myers had been highly recommended for this particular work and that the teachers of Louisiana would be disappointed if he did not come. The Summer School will be held in New Orleans and will begin June 15th.

In referring to this matter yesterday Prof. Myers said: "I regret that I had to refuse the offer made me by the director of the Summer School in New Orleans, but I had agreed to work again in State College and would prefer remaining in the State and continuing my work with Dr. Wilkinson and his splendid group of men and women who have charge of the session at State College."
