

THE SPORT-OGRAFH

By Ashby B. Carter
JUMPING JACK DEMPSEY, non-fighting Heavyweight Champion of the World is on his way not to Flistiana, but to Europe.

On his trip across the States from the coast to New York, he was asked by the scribes if he intended to fight any more.

In our opinion, Dempsey will never fight again. Not even if he makes up his mind and wants to do so.

A few months ago the dodger made a statement something like this: "I don't owe anything to the newspapers. They have never done anything for me."

Well, to make a long story shorter, the pugilistic scribes are insulted and justly so. They have made Jack and they can break him as far as fighting and the well wishers of the public are concerned.

It is interesting, as well as encouraging to see Negro colleges promoting inter-scholastic meets and tournaments.

Aside from the fact that such gatherings have a highly educational value to the students who participate, they encourage other lads to enter the high schools.

CLAFLIN LOSES CLOSE GAME TO BENEDICT. By Joseph D. McGhee. Orangeburg, S. C., May 1.—Claflin University, after a lead of two runs up to the seventh inning lost a good game to Benedict College of Columbia, S. C.,

by a score of 6 to 4. Johnson was selected to do the tossing for Benedict with McFarland receiving. While Glover and Blake went in as batteries for Claflin. Both pitchers were a little unsettled in the first inning for Benedict started out by crossing the plate twice and Claflin in her half came over three times.

After this inning the game settled into a pitchers battle and sides were passed up without any runs until the sixth inning when Knight of Claflin hit the ball for a homer over left field fence. Benedict rallied in the seventh to catch up but was able only to cross the plate once. In the eighth after several errors by Claflin. Benedict came over for three more runs. Claflin in their half of the ninth made a heroic attempt to again take the lead, when she got three men on bases and with only one man out was passed up in next order thus turning over to Benedict a good game with scores Benedict 6, Claflin 4.

Score by innings: R. E. H. Benedict 200 000 130—6 3 8 Claflin 300 001 000—4 6 9 Umpire—Thomas, Orangeburg.

The last of the series. Benedict won the first game for the season; Allen won the second. Friday May the 15th, will tell who wins the third game. It is understood that the spirit is high with both teams and that this is going to be the hardest fought game of the season.

Palmetto Medical Association has Greatest Session in History

(Continued From Page One)

ington, D. C. In his remarks he gave us a history of his work in connection with the placing of a colored personnel at the Veterans' Hospital at Tuskegee as well as his efforts to assist Howard University to increase her facilities to accommodate more medical students. Dr. J. A. Robinson of Sumter summarized the address with a tribute to service of Dr. Dumas and Dr. George E. Cannon to our racial group.

Following the session a smoker, given by the Local Elks to the Physicians of the Palmetto Medical Association, was held at Bythewood's Hall. An evening of fellowship and mirth was spent here and a large group found themselves in the good old times again.

Thursday, the last day was given to discussions when many interesting papers similar to the ones of the preceding day were read. Especially noticeable were the interest and papers of the Dental group. "Observations in Dental Clinics Conducted in Public Schools," by C. A. Lythcott, D. D. S., of Lancaster, S. C.; "Injections in Conductive Anaesthesia" by W. S. Thompson, D. D. S., of Georgetown, S. C.; "Some Dietary Factors in Pyorrhea Control" by J. E. Watts, D. D. S., of Columbia, S. C., were of great interest to the Dentists.

During the close of the last business session the election of officers and other general business was disposed. Dr. S. R. Green, of Orangeburg, largely responsible for the success of the sessions here was elected President of the Palmetto Medical Association to serve for the next year. Dr. J. E. Watts, of Columbia; Dr. Brevard, of Camden, and Dr. Counts of Bennettsville were elected as Vice-President, Treasurer and Secretary respectively. Dr. Watts' election to the Vice-Presidency gives the Dental group a representative in one of the first two offices for the first time in the history of the Association.

At seven o'clock Thursday evening a group of Alpha Phi Alpha Fraternity men gathered at the home of Mrs. D. W. Thompson for a delightful dinner given by the Local brothers of the Fraternity in honor of Dr. M. O. Dumas and other visiting Brothers. Leaving their dinner all had sufficient time to meet and join with the largest and most gorgeous affair of the whole meeting. The cream of the race from far and wide began to assemble and such spectacle of beauty was never seen

before by the writer on any occasion. Special decorations changed the dining hall of State College into a dream palace and when the beautiful strains coming from the seven-piece Orchestra of State College began to reach one's ears, all were prone to say with Dunbar, "Don't play dat tune no more cause my feet can't help but move." In the midst of this gay gathering quietness was rapped. Professor Whittaker, Basileus of the Local Chapter of the Omega Psi Phi introduced Mr. H. B. Thomas an old and prominent citizen of Orangeburg, as Master of Ceremonies, who in turn called upon Dr. R. S. Wilkinson, President of State College, Dr. M. O. Dumas, Dr. Levy, of Florence, S. C., and Dr. J. A. Robinson, of

Sumter, S. C. Dr. Robinson installed the new officers in high and glowing tribute to Orangeburg, State and Claflin Colleges and the new President, Dr. S. R. Green, who responded with impressive remarks concerning the trust placed upon him. These ceremonies over the august company resumed their tripping on the toe and finally the meeting came to its fitting close. All visitors went away from Orangeburg with an inspiration long to be remembered.
